THE ST. RITA FAMILY

We call ourselves the members of the "St. Rita Family," but every now and then we allow ourselves to become separated from one another. We stop thinking about the good of the family and think too much of ourselves. We build walls around us that shut us in and others out.

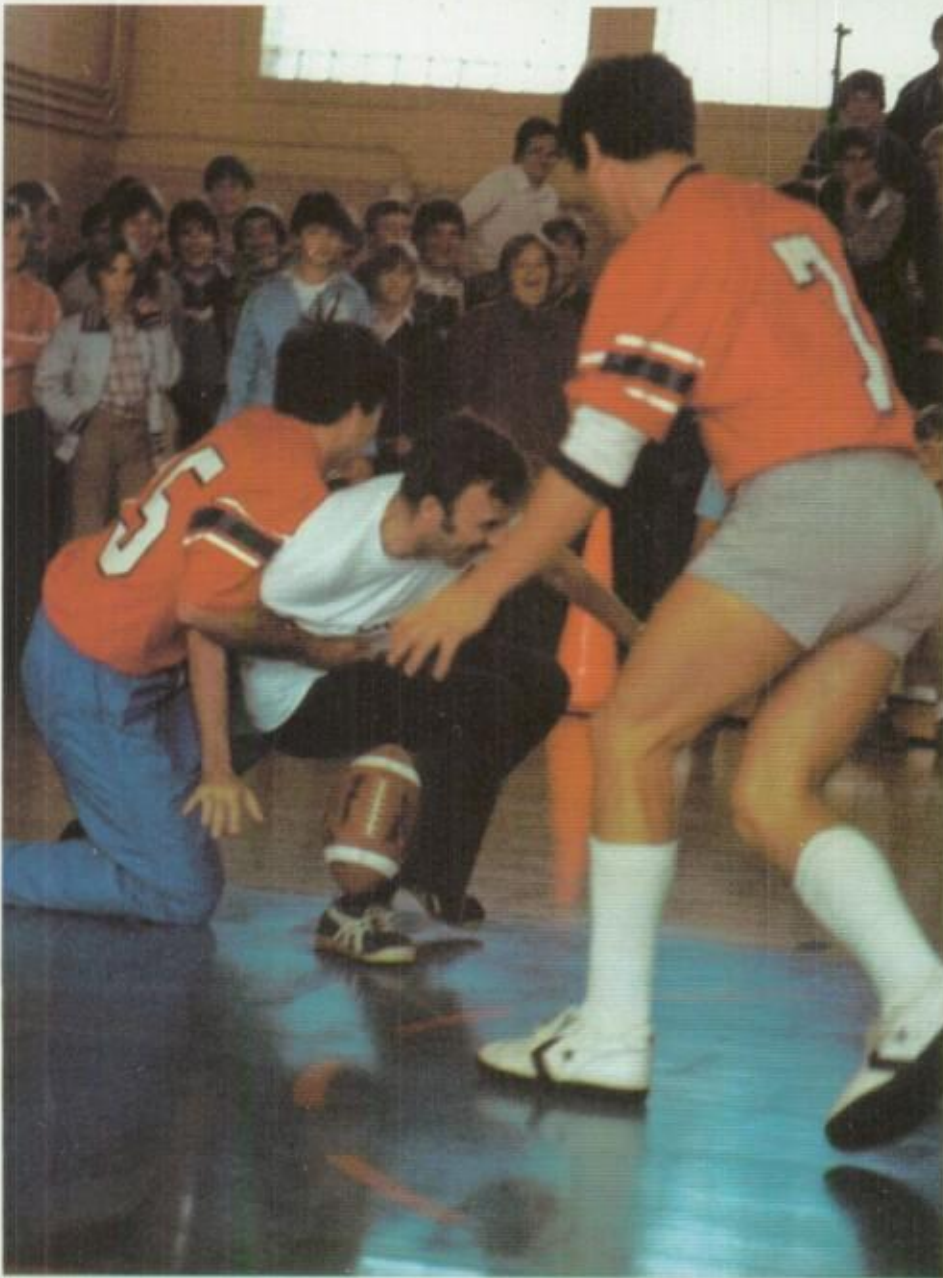

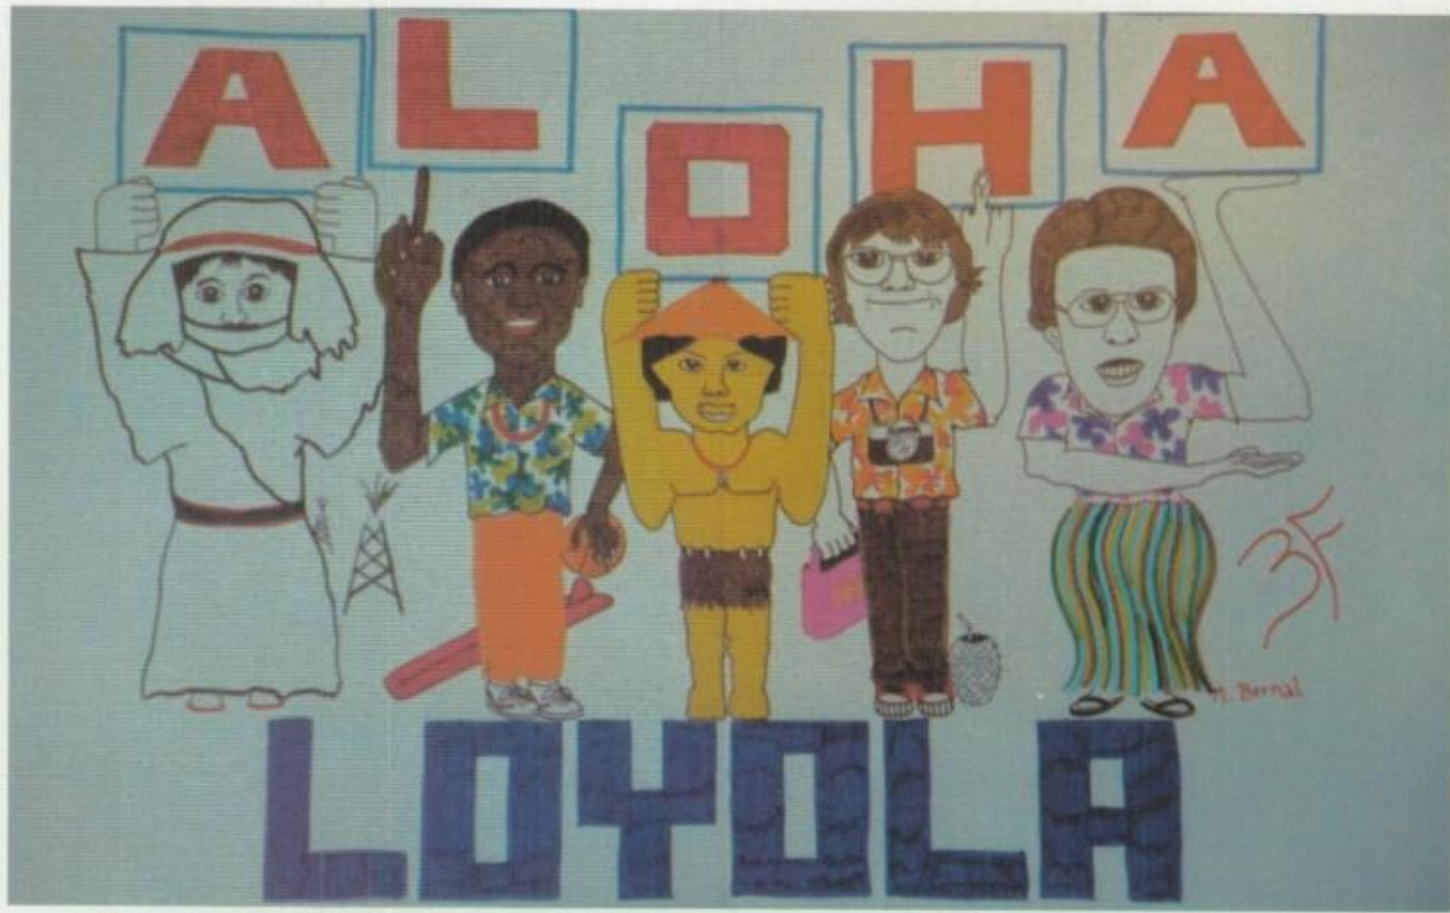

The 1983 Cascian staff dedicates this book to the FAMILY spirit that makes St. Rita such a good place to work and learn. And we use Robert Frost's poem to remind us that those walls we build around us should be torn down.

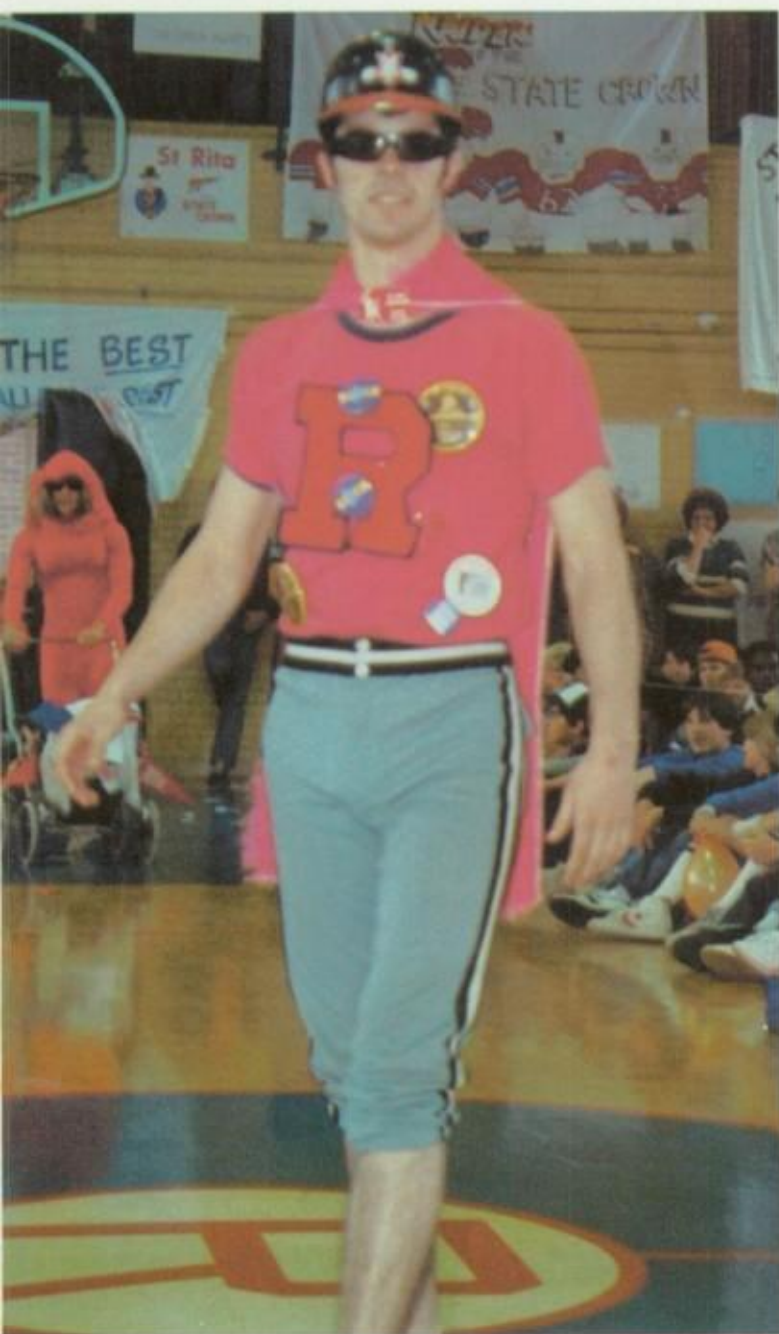

MENDING WALL by Robert Frost

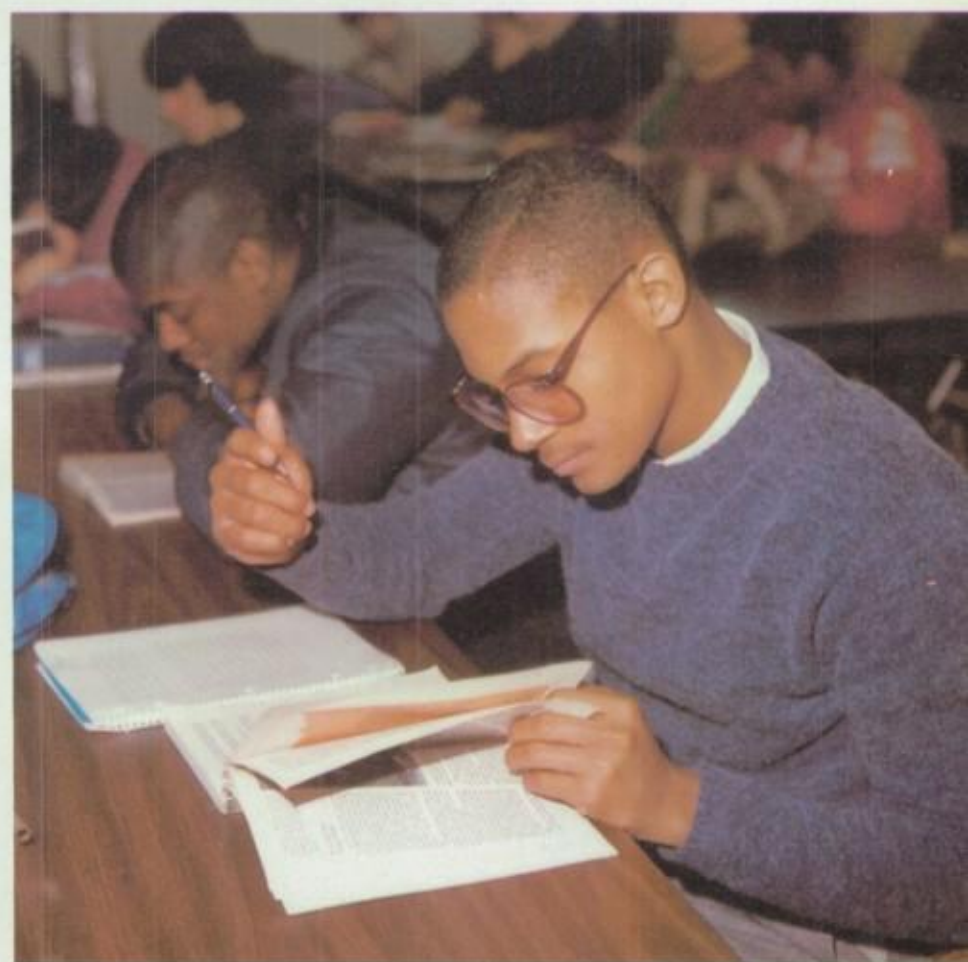

Something there is that doesn't love a wall,

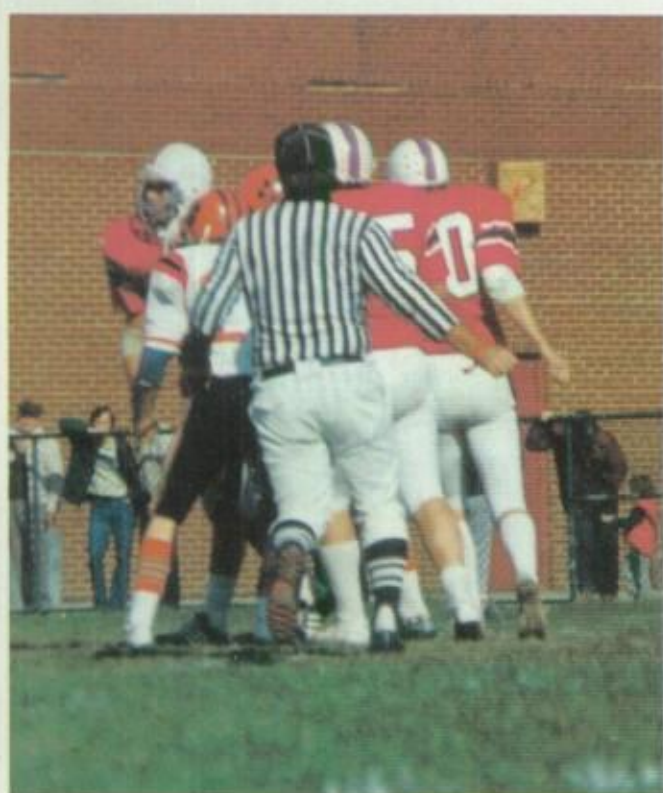

That sends the frozen-ground-swell under it
And spills the upper boulders in the sun,
And makes gaps even two can pass abreast.

The work of hunters is another thing:
I have come after them and made repair
Where they have left not one stone on a stone,
But they would have the rabbit out of hiding,
To please the yelping dogs.

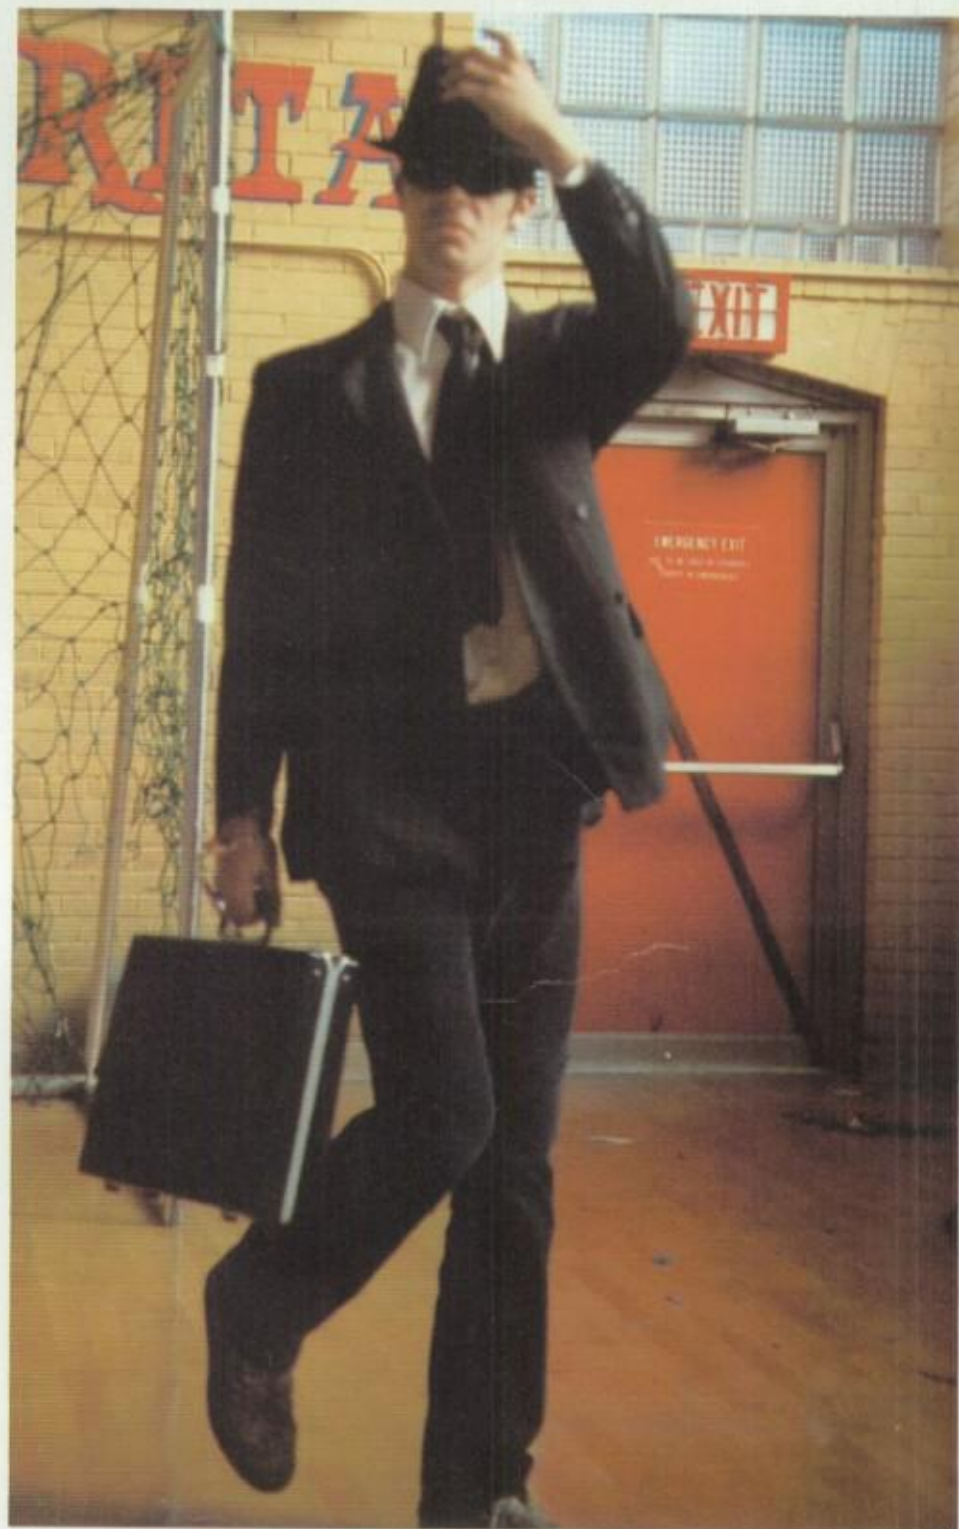

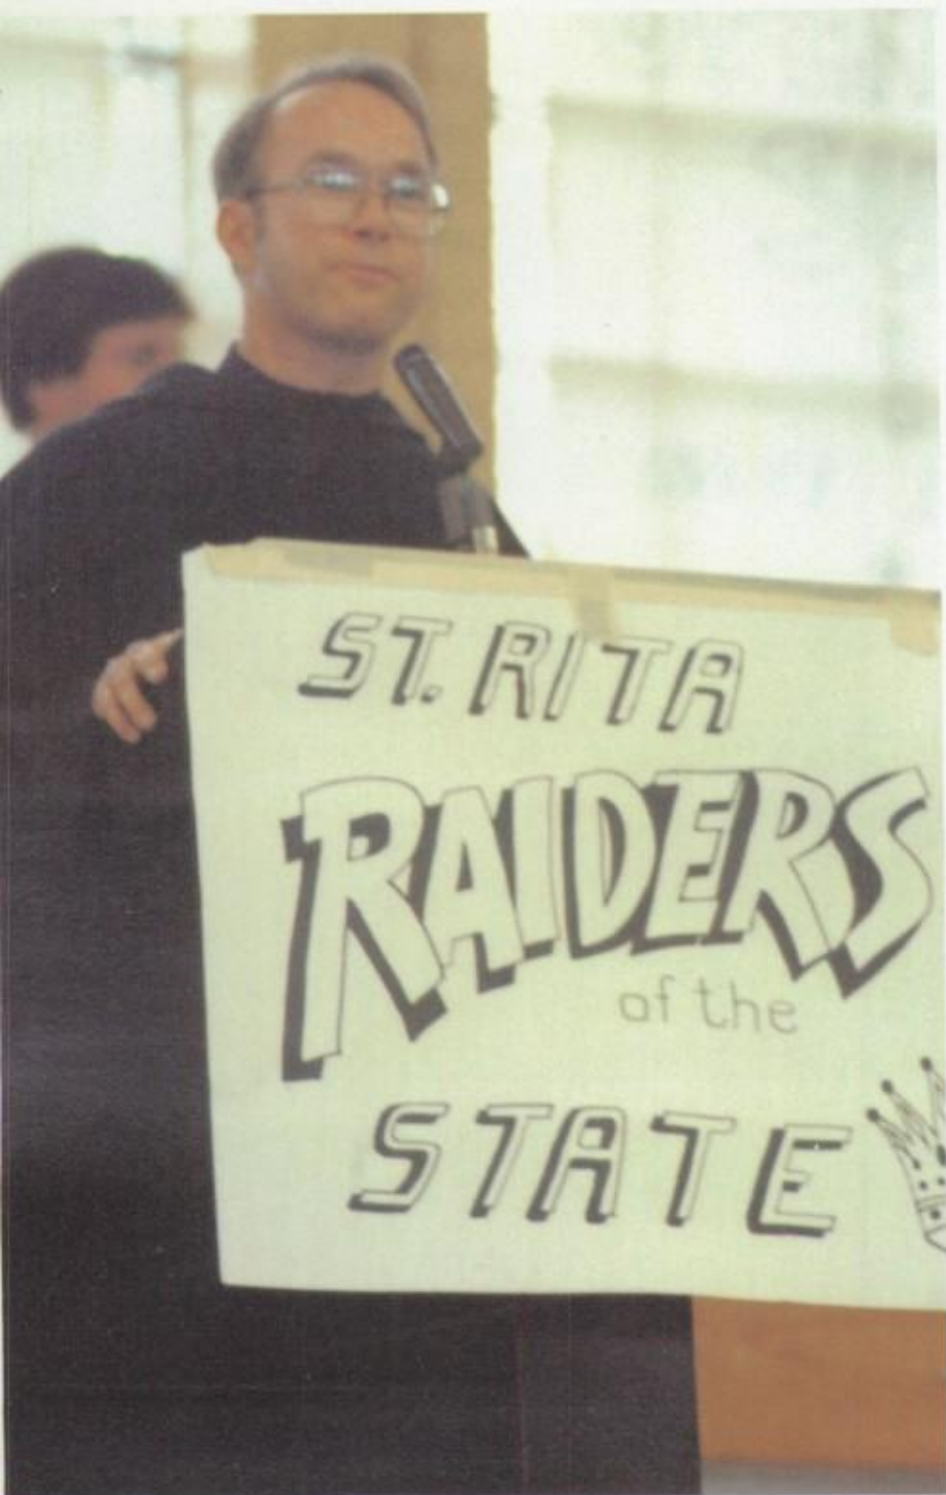

The gaps I mean,
No one has seen them made or heard them made,
But at spring mending-time we find them there.

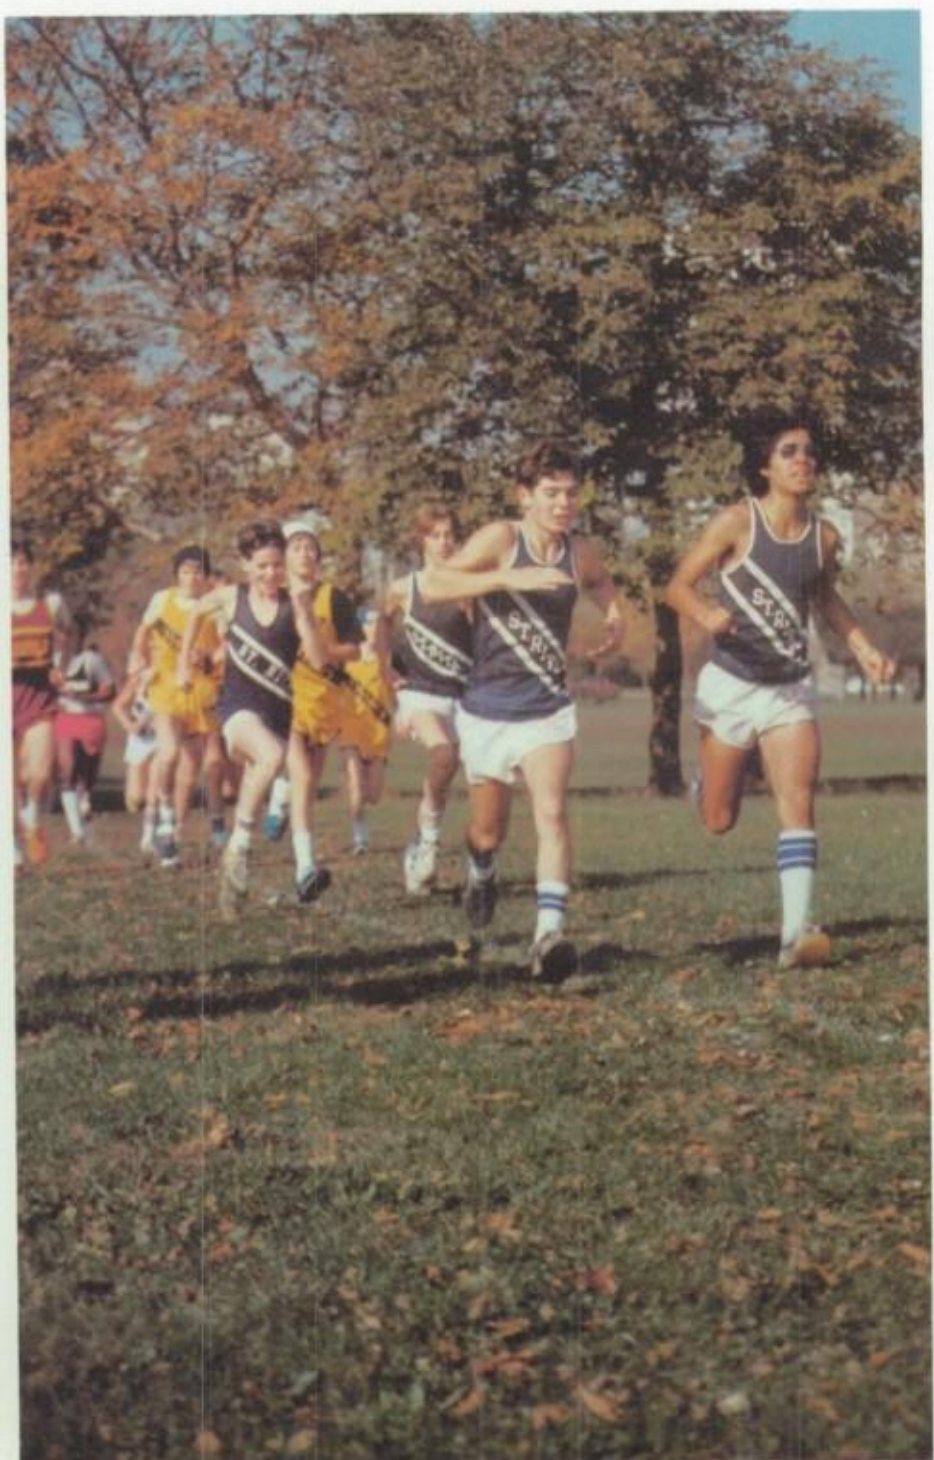

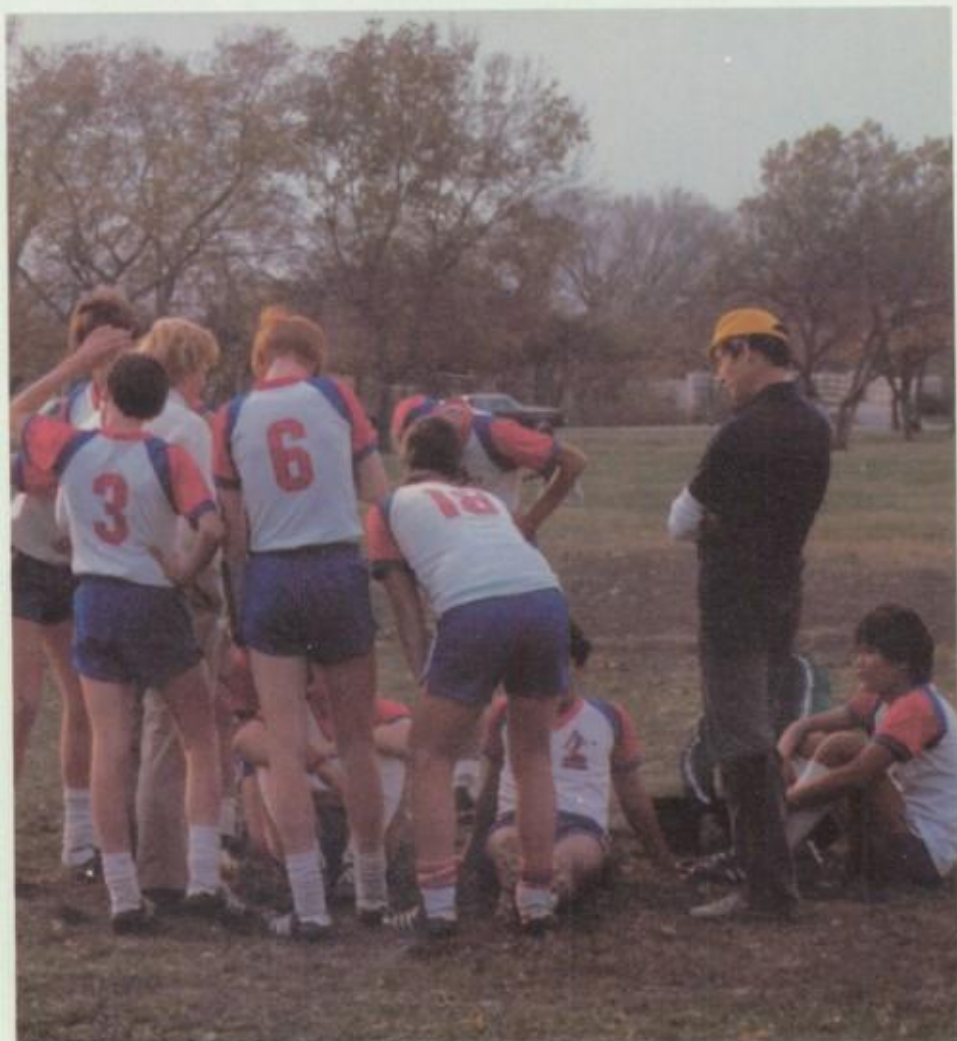

I let my neighbor know beyond the hill;

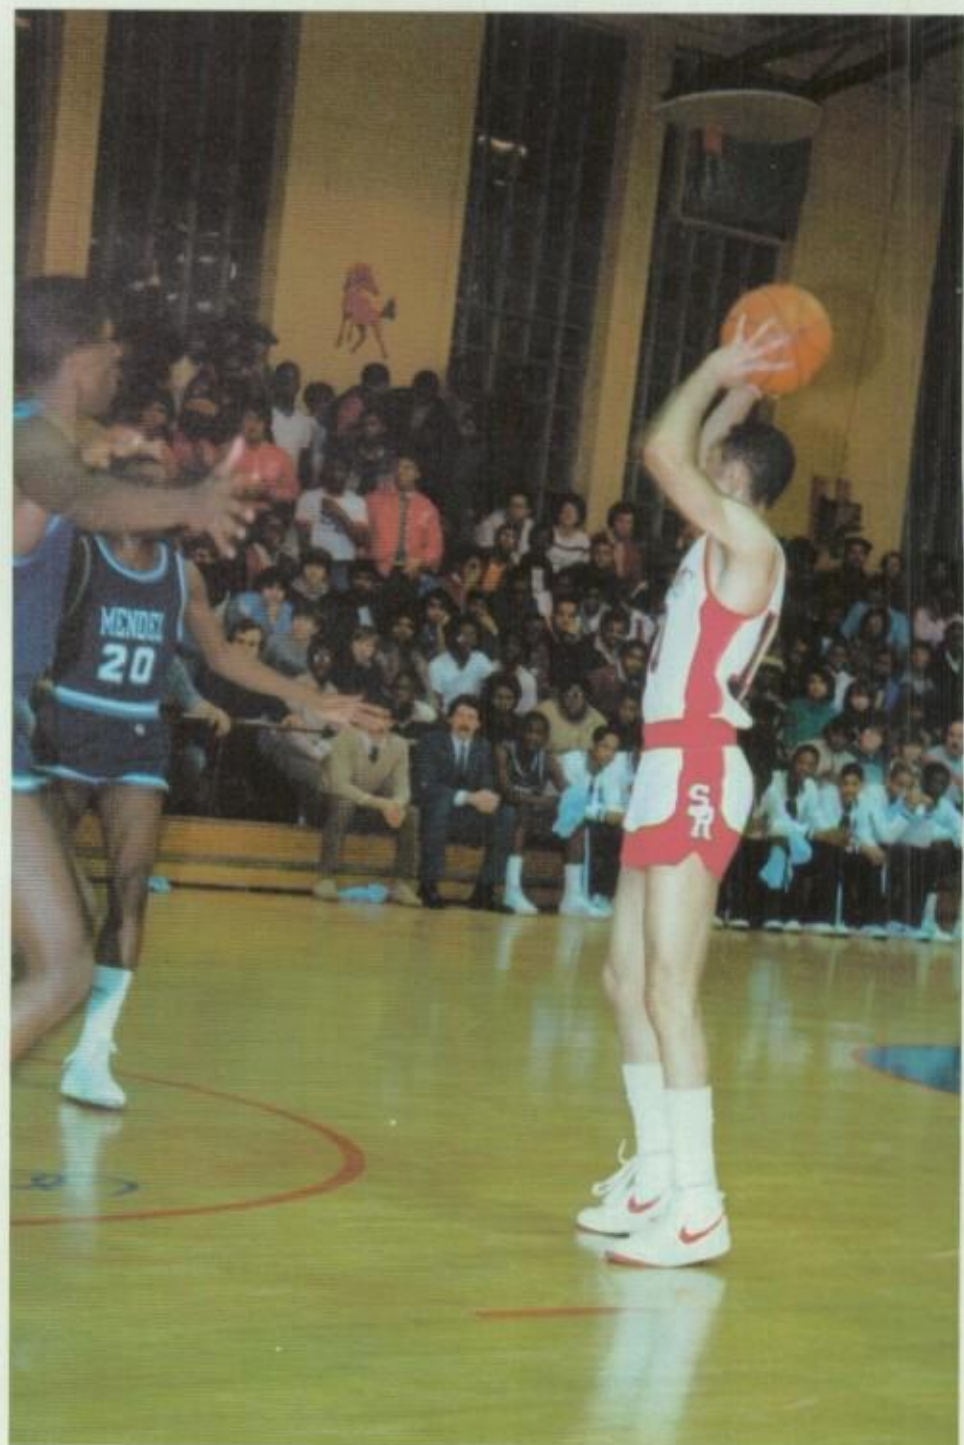

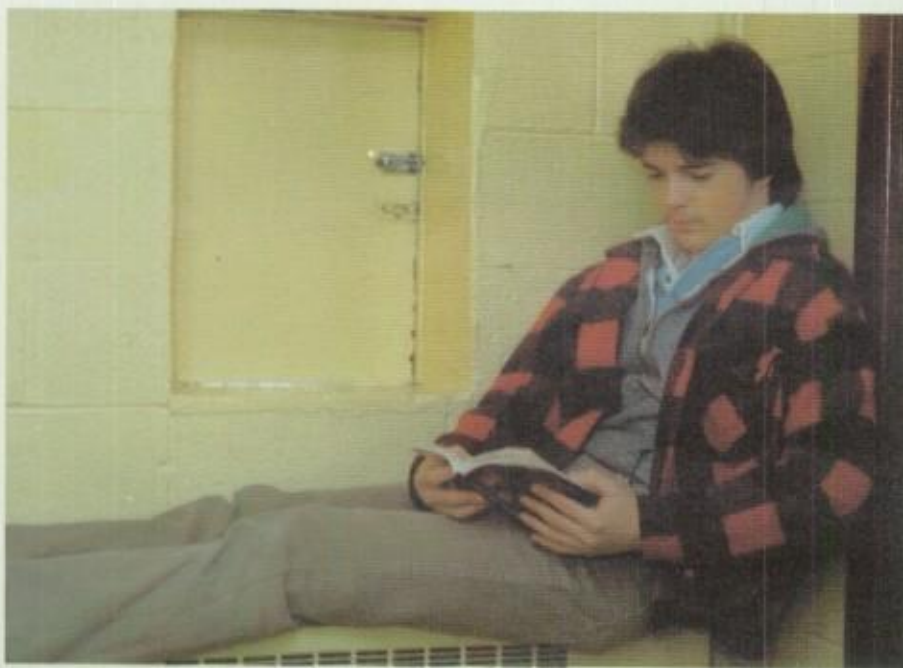

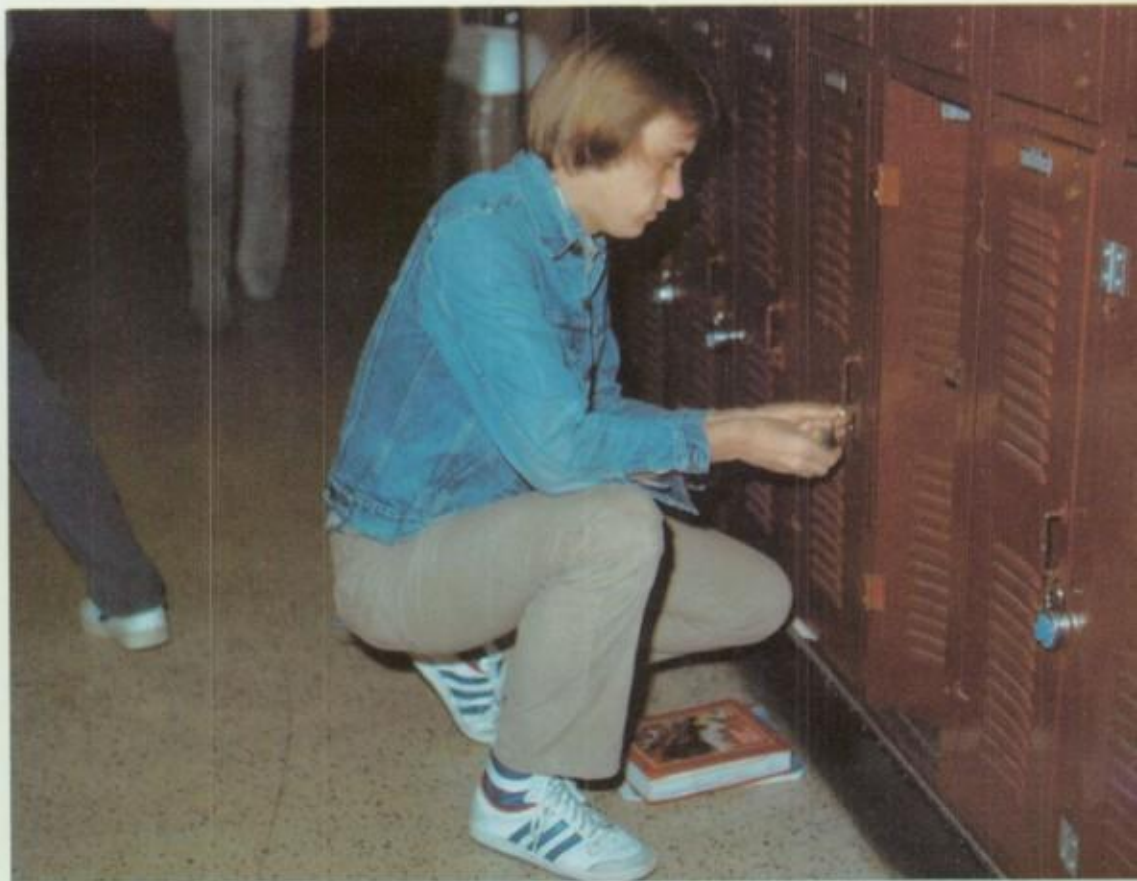

And on a day we meet to walk the line
And set the wall between us once again.

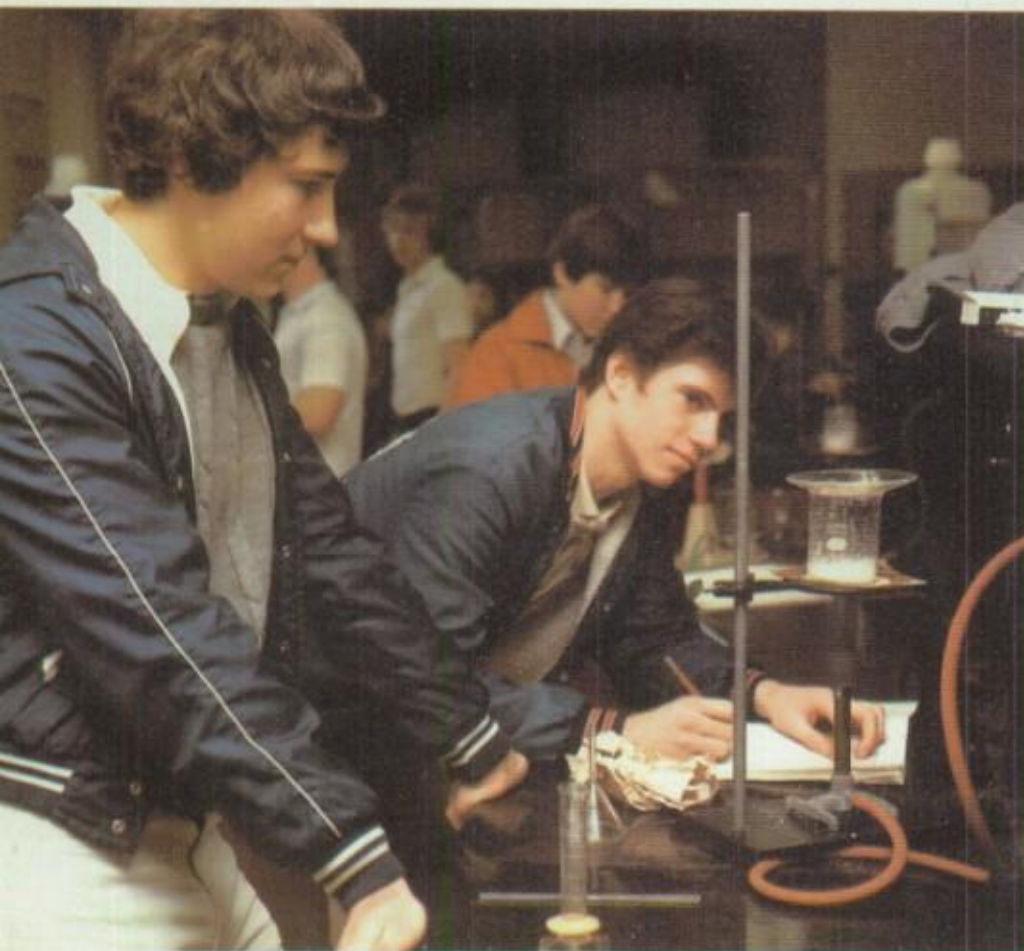

We keep the wall between us as we go.

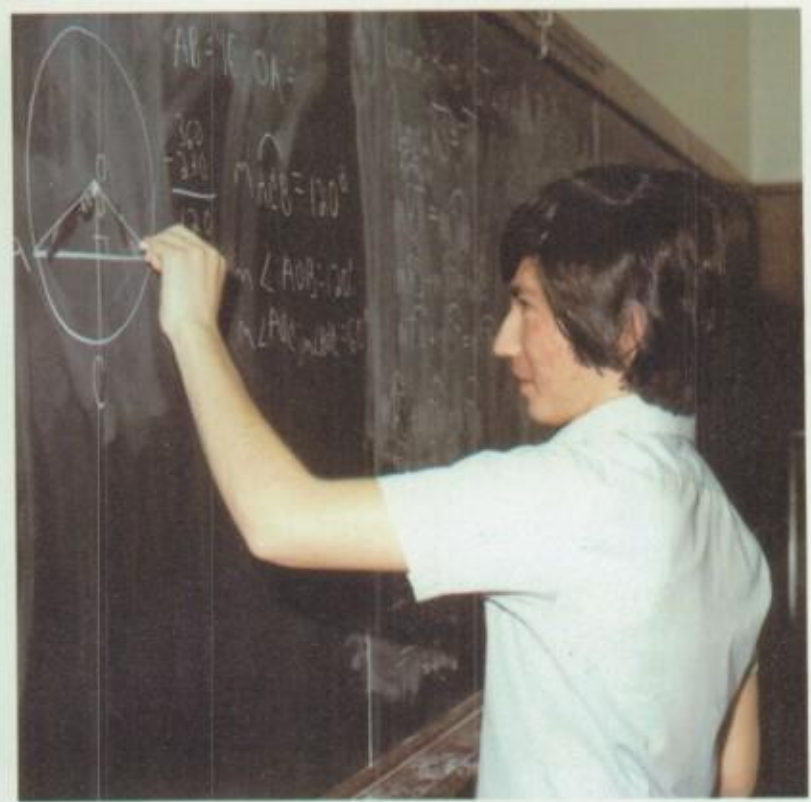

To each the boulders that have fallen to each.

And some are loaves and some so nearly balls
We have to use a spell to make them balance:

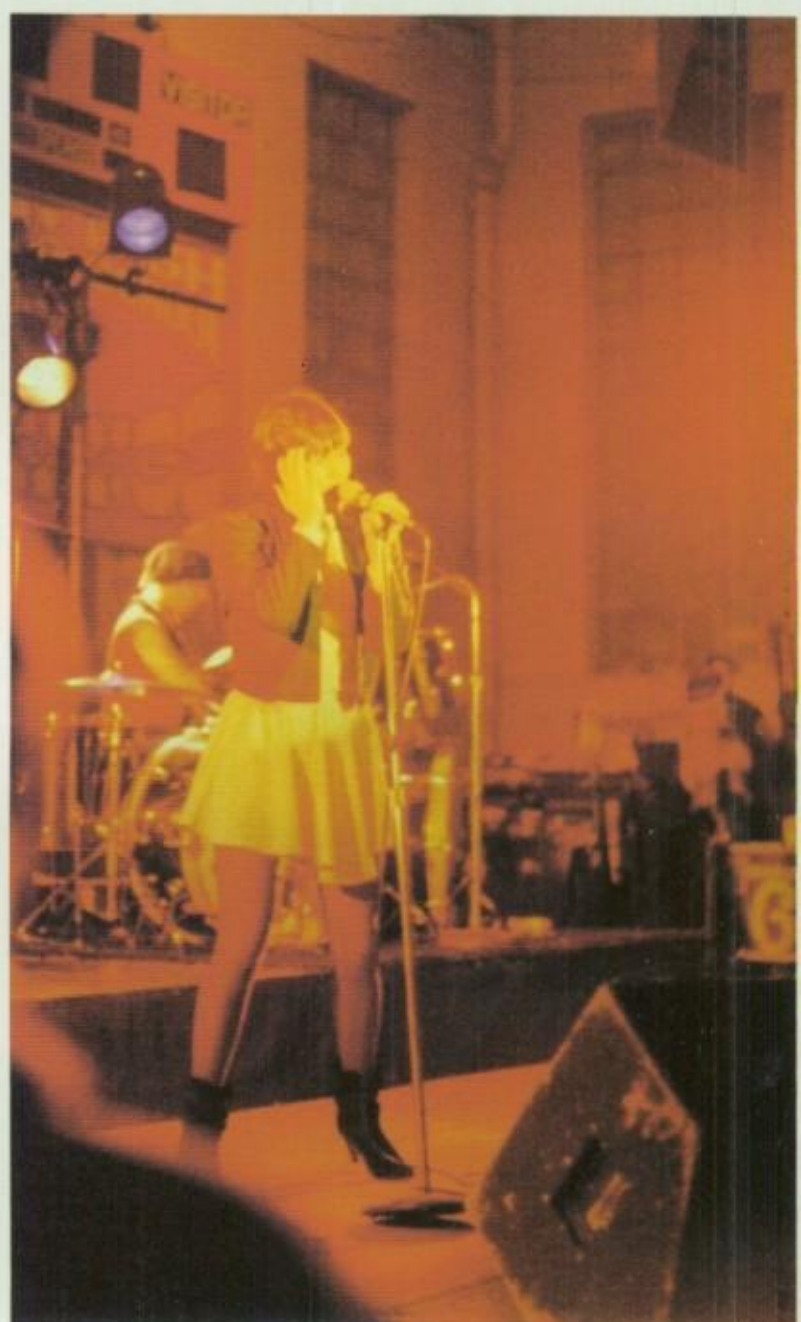

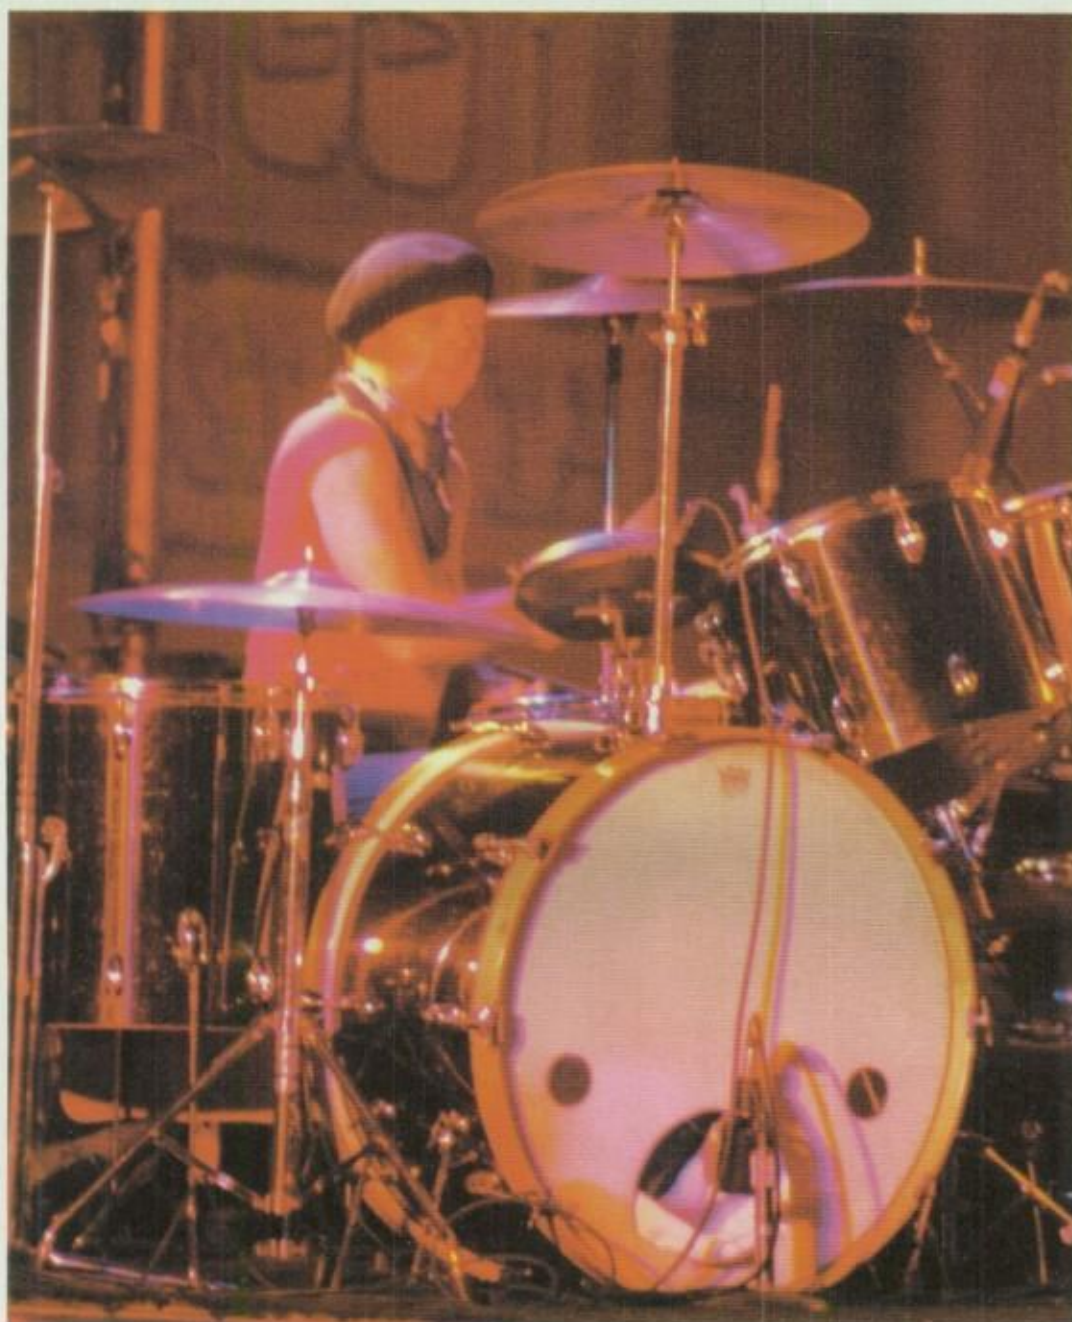

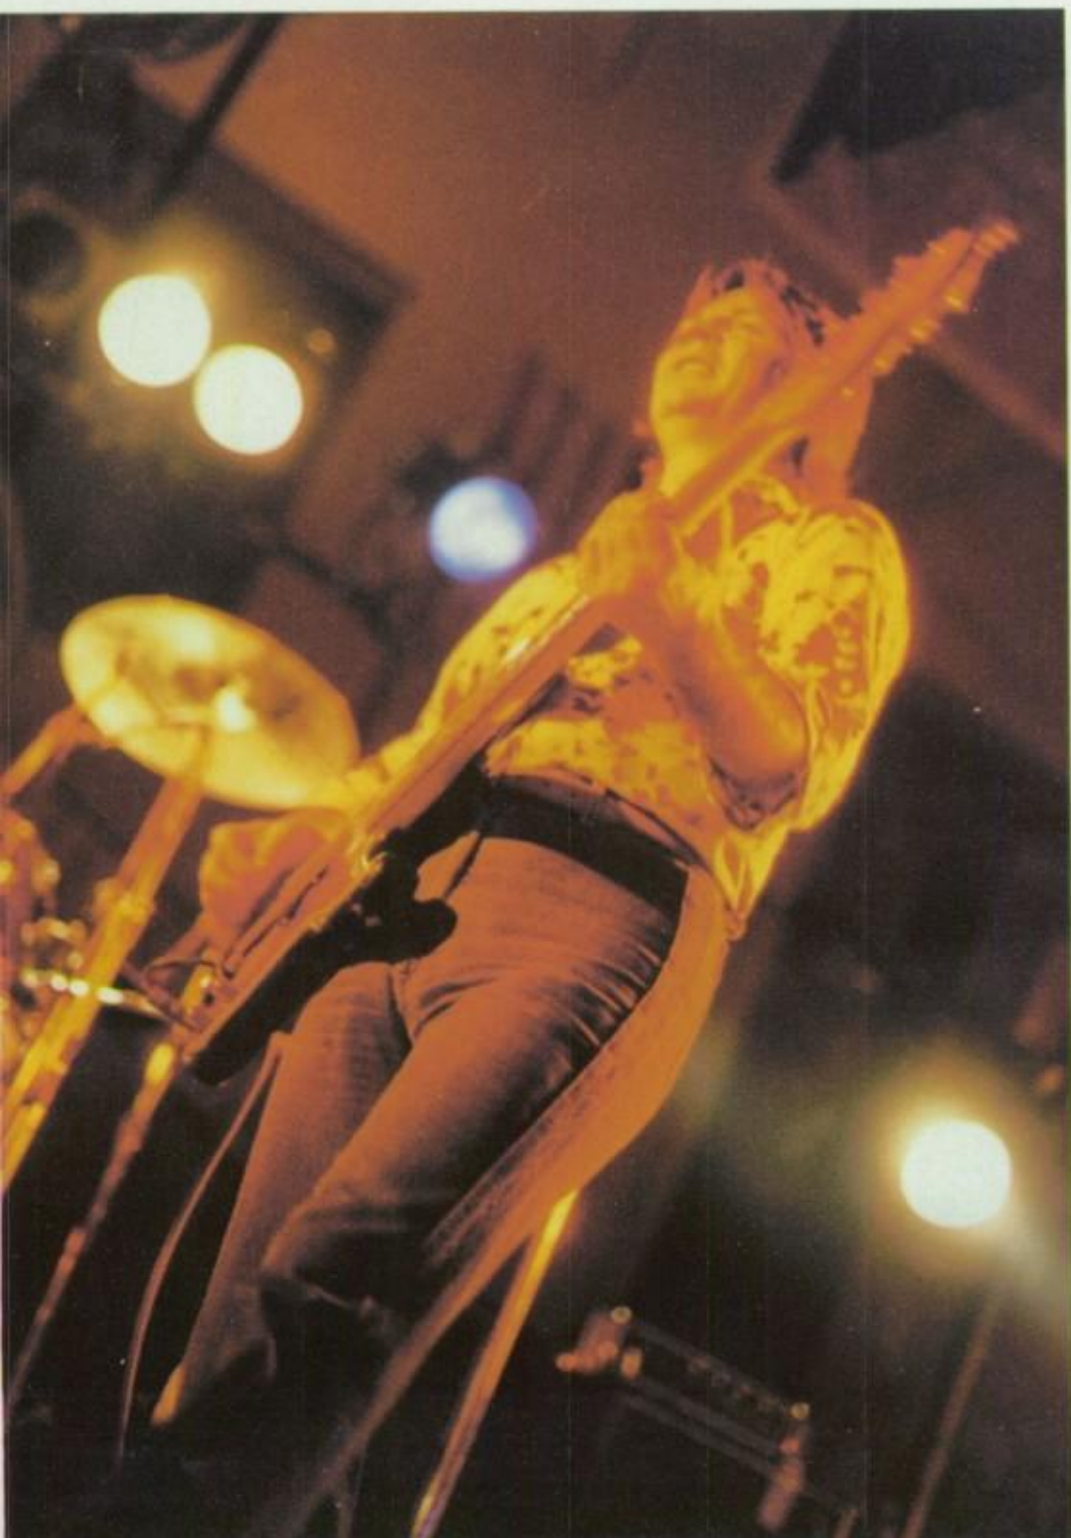

"Stay where you are until our backs are turned!"

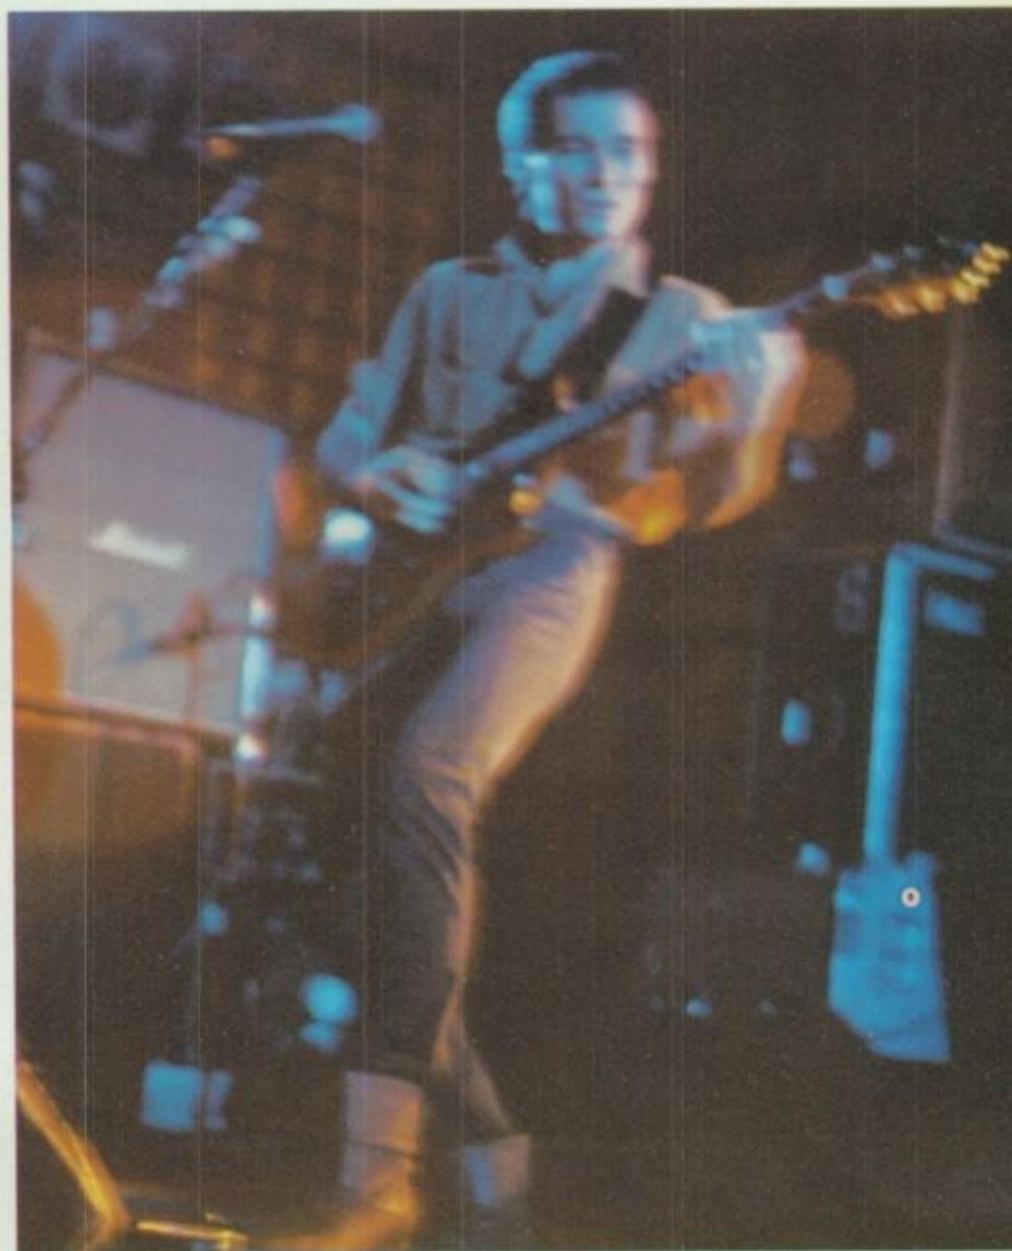

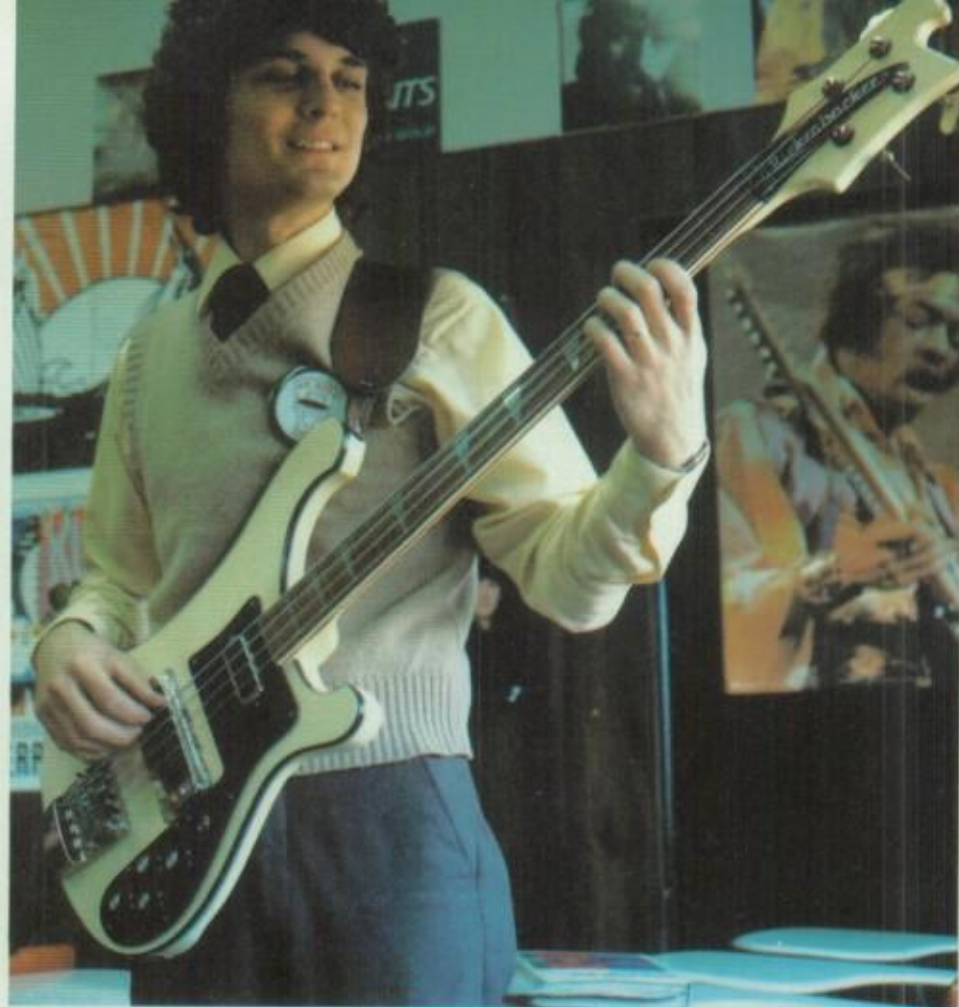

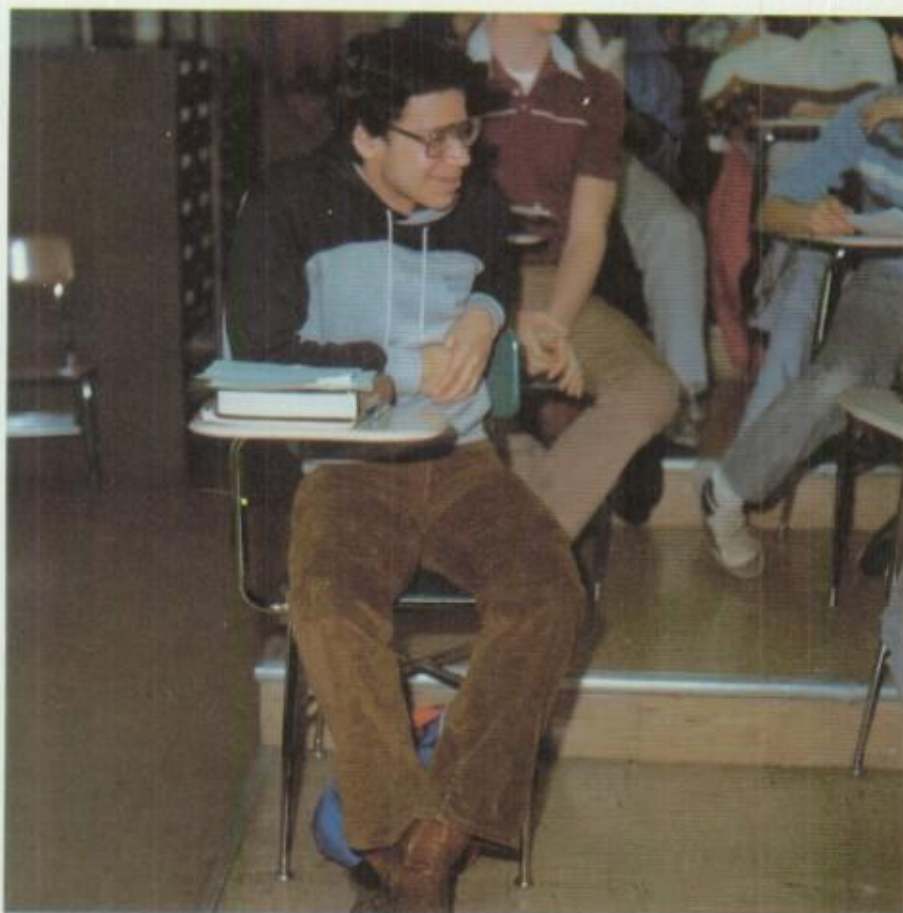

We wear our fingers rough with handling
them.
Oh, just another kind of outdoor game,
One on a side.

It comes to little more:
There where it is we do not need the wall:

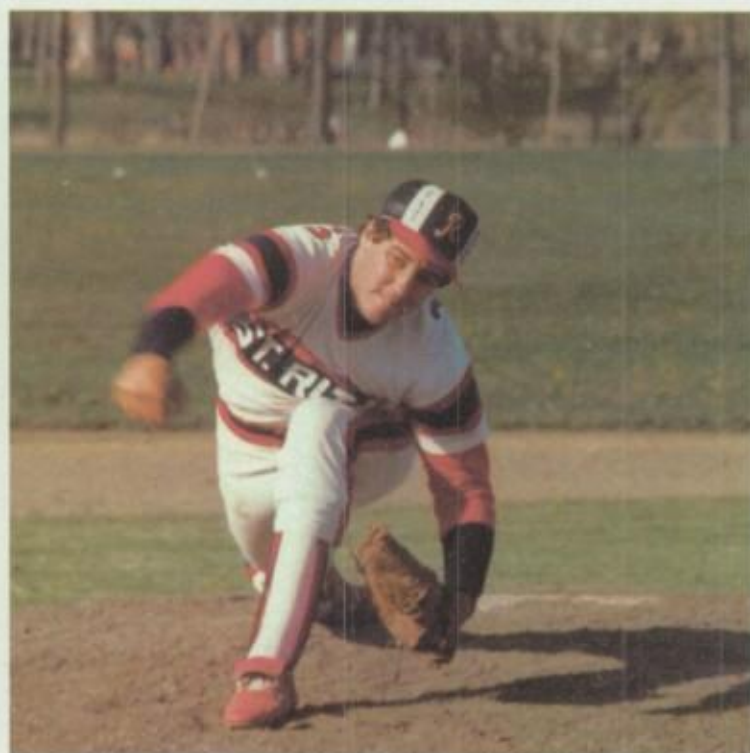

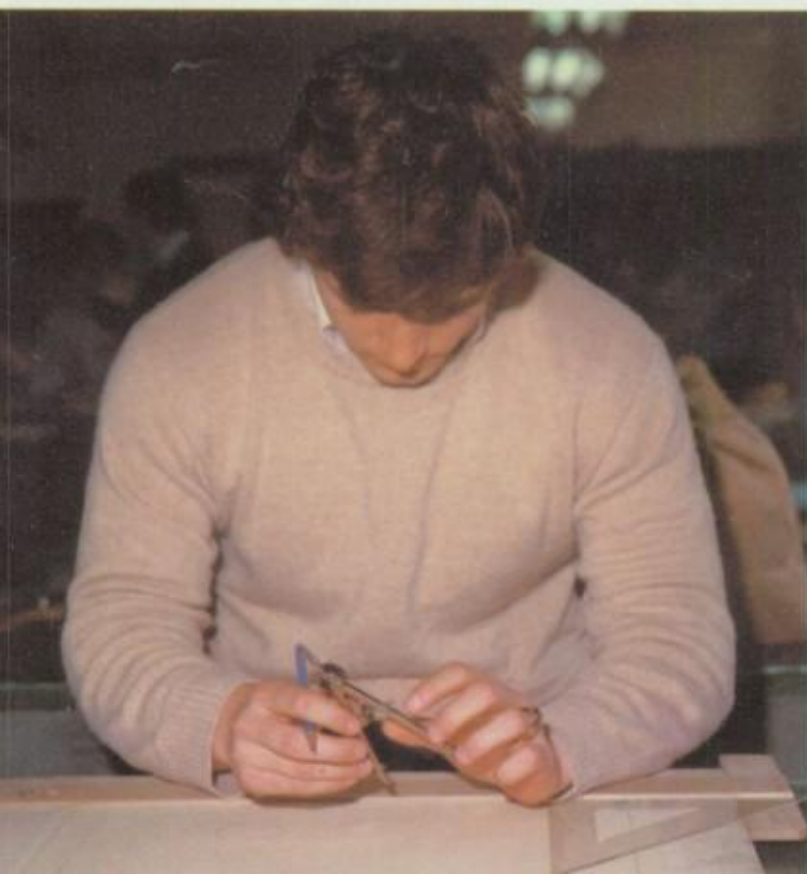

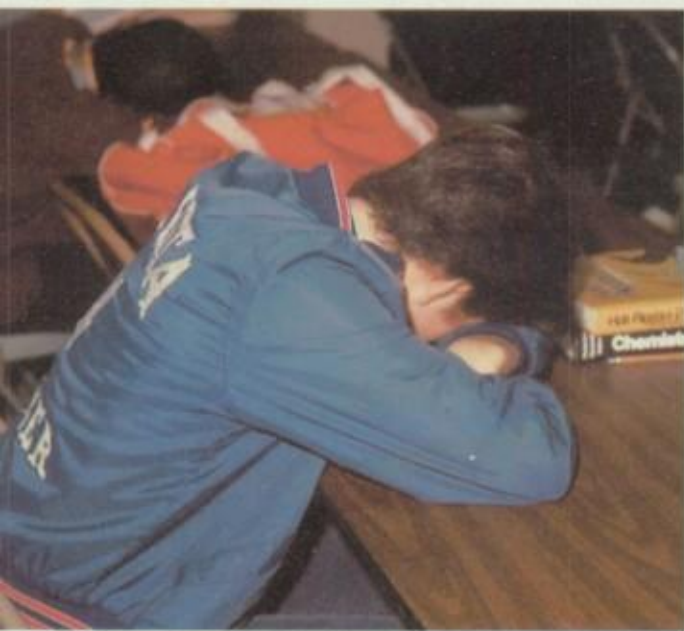

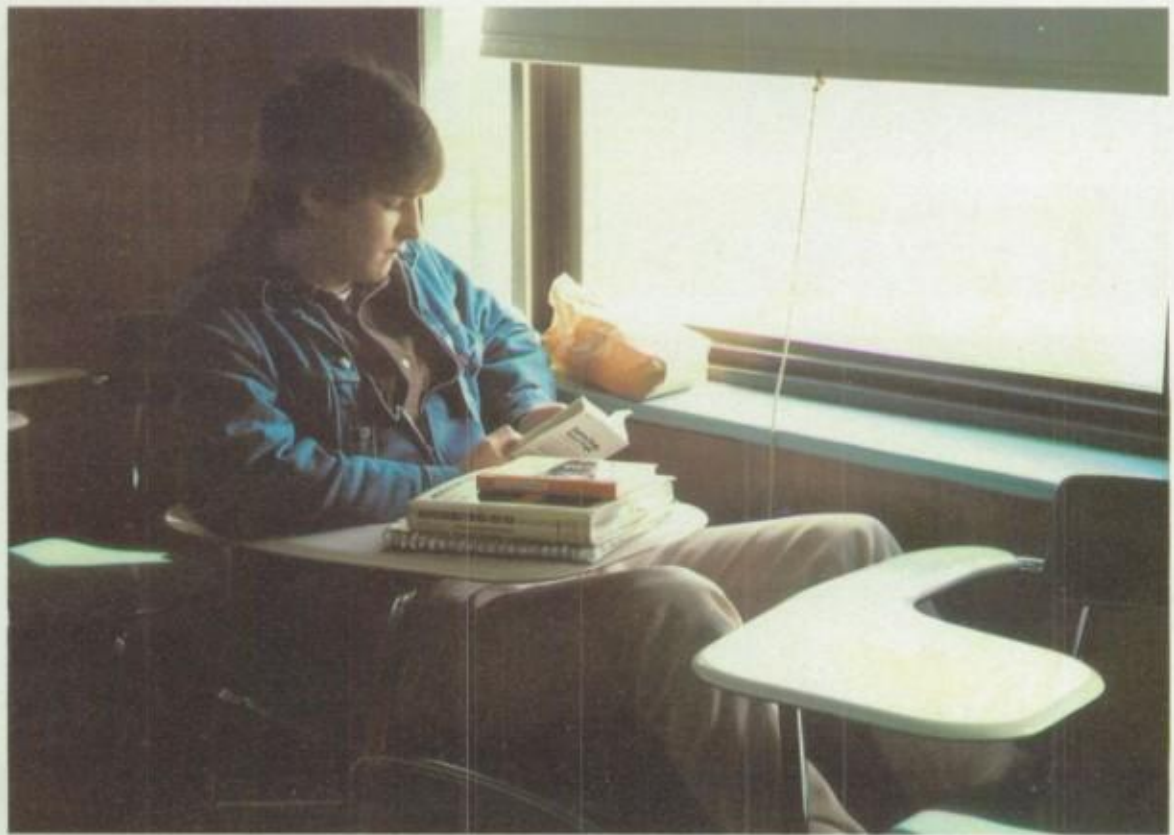

He is all pine and I am apple orchard.
My apple trees will never get across
And eat the cones under his pines, I tell him.

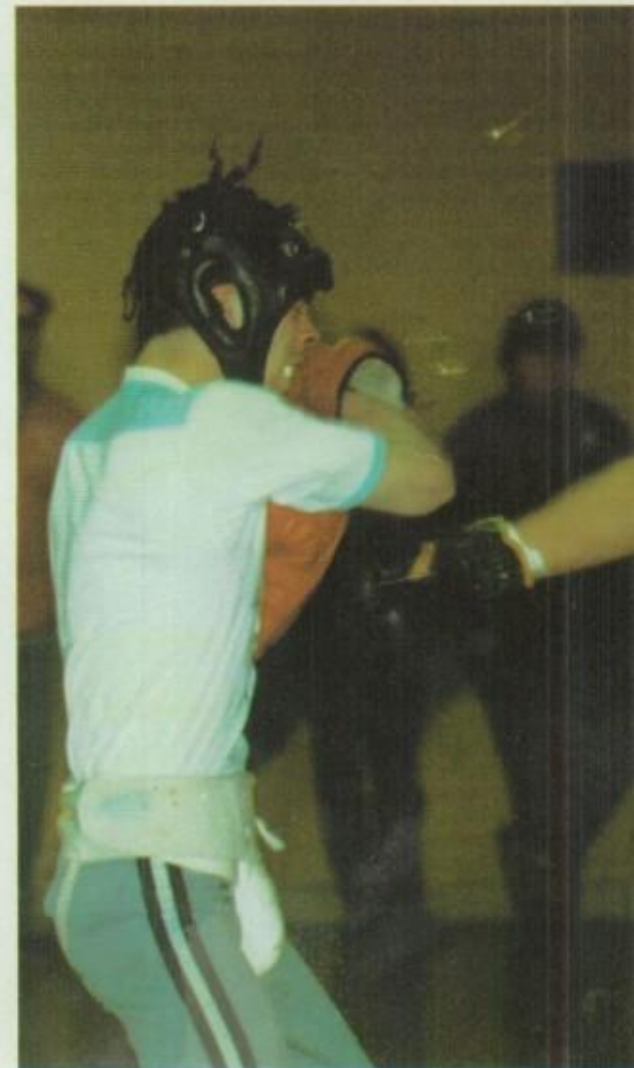

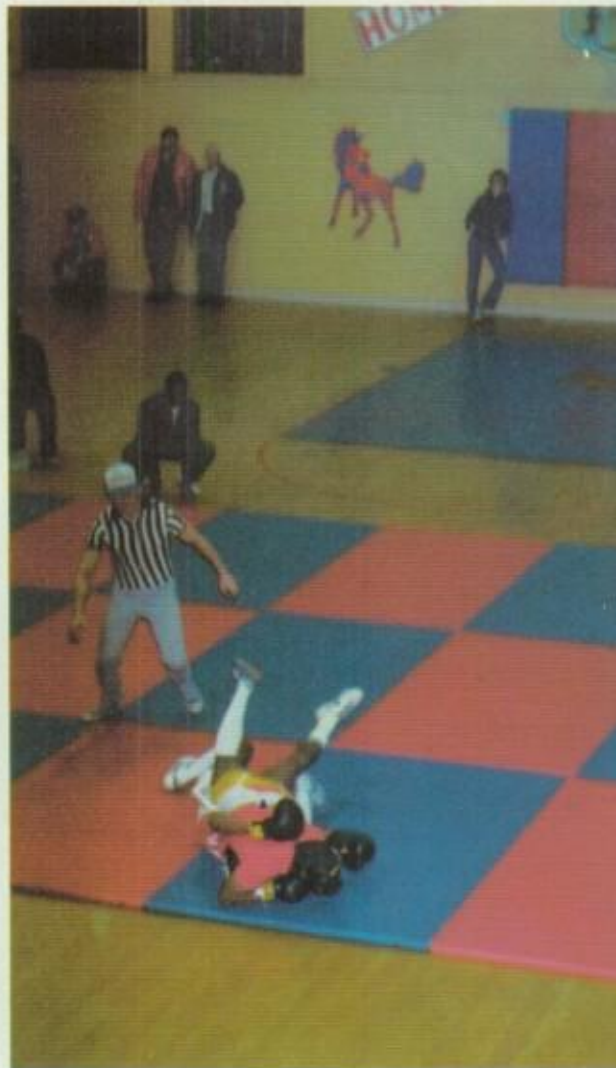

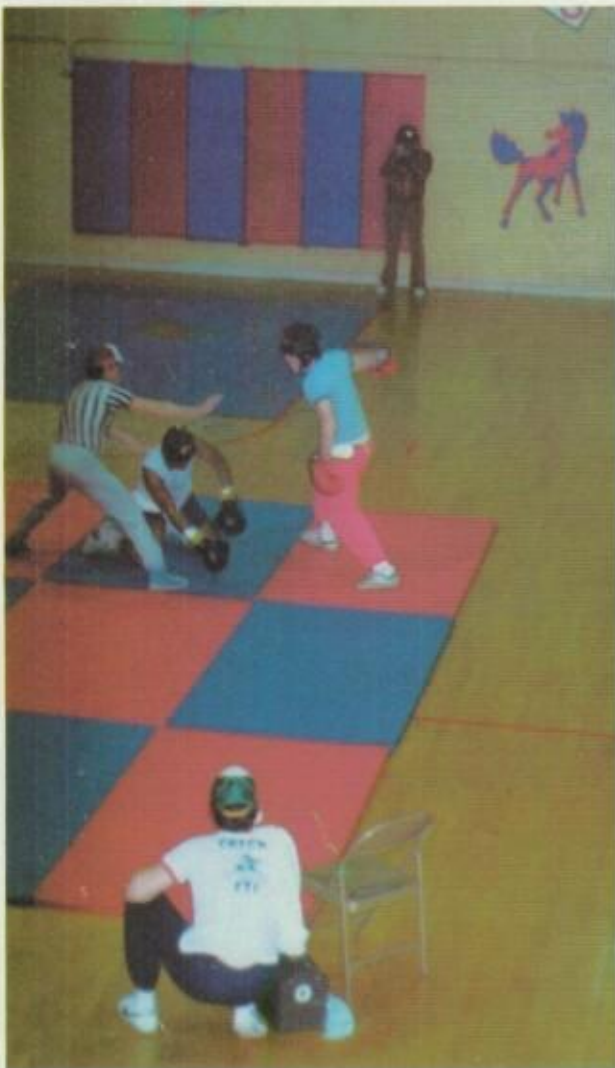

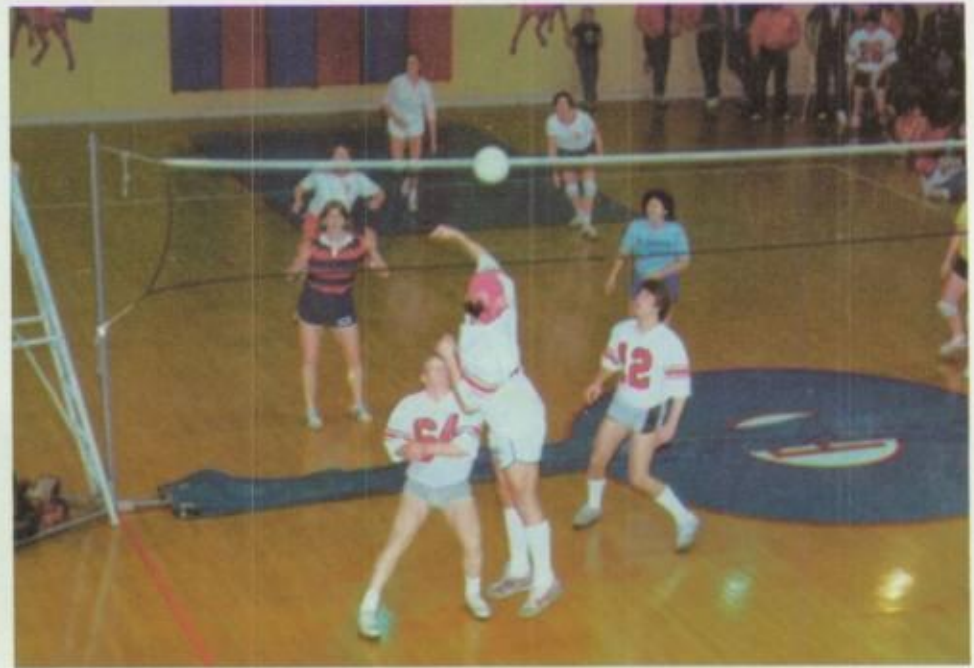

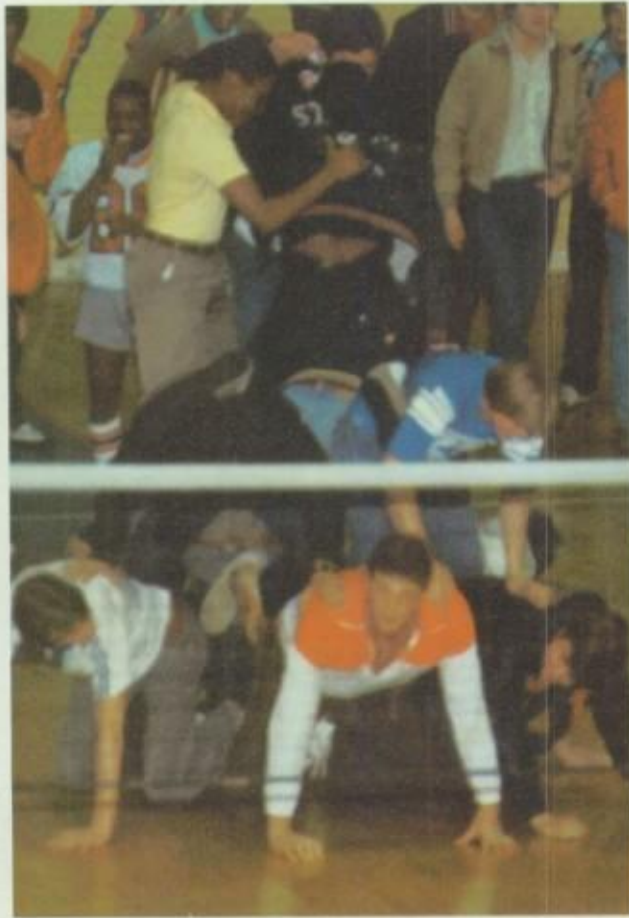

He only says, "Good fences make good neighbors."

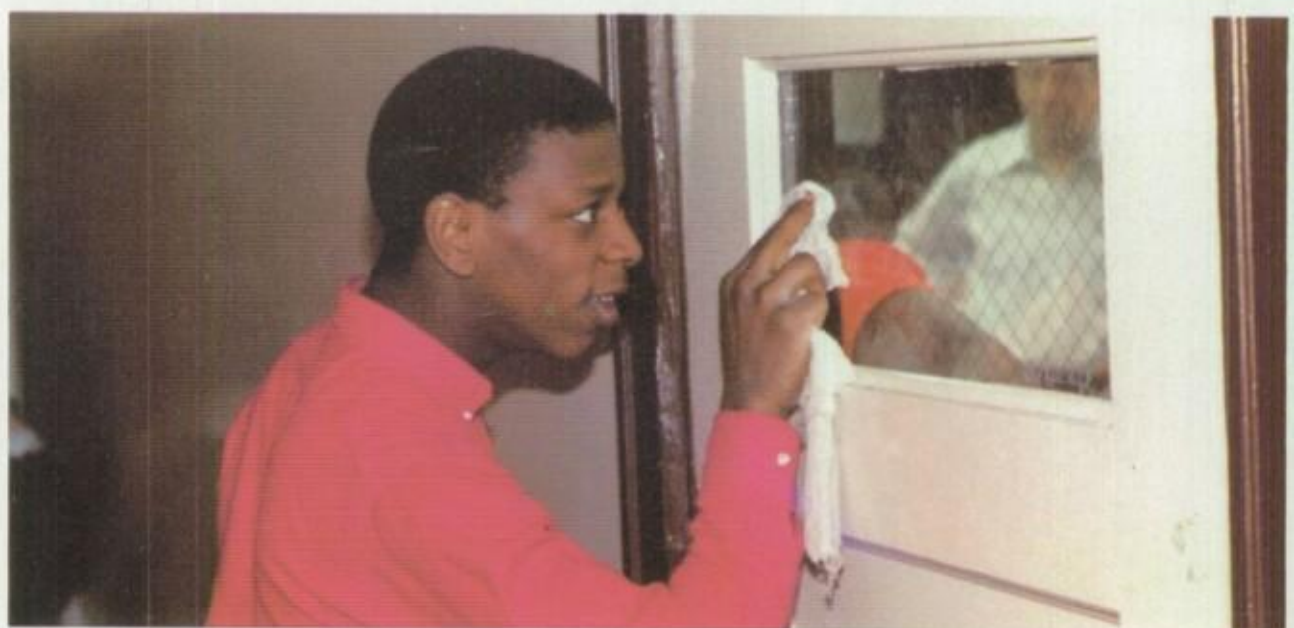

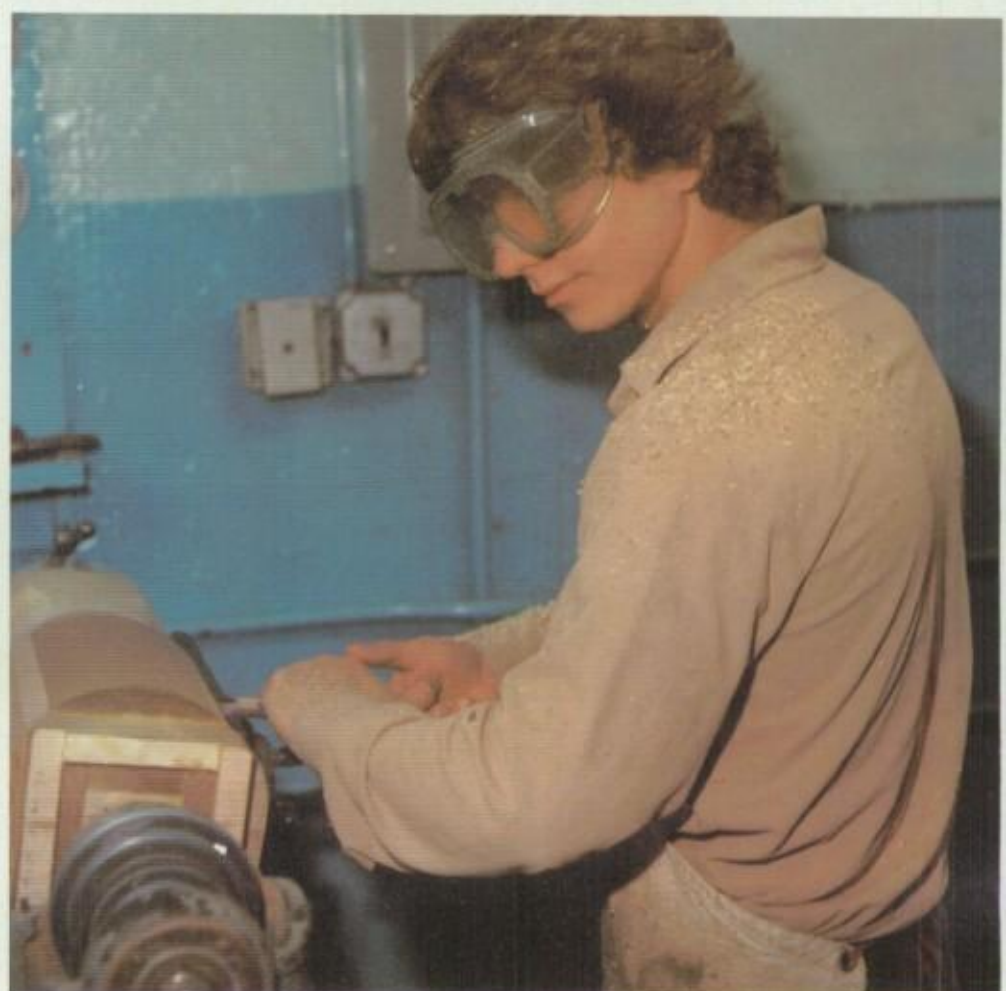

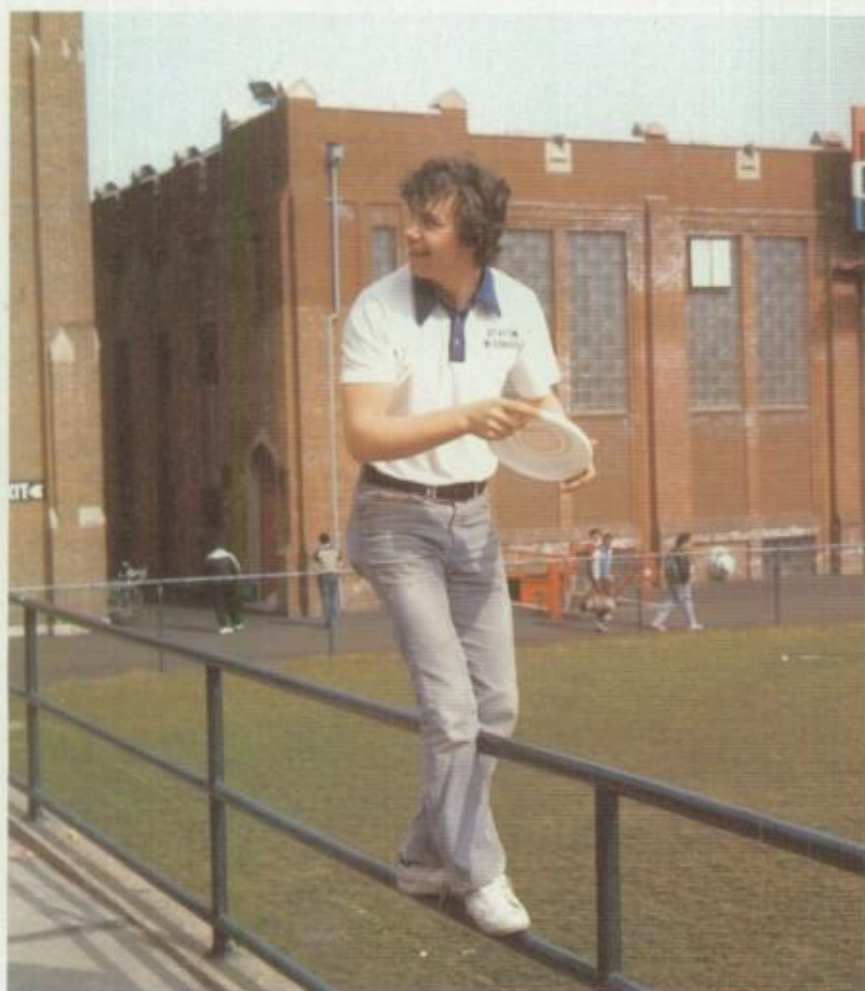

Spring is the mischief in me, and I wonder
If I could put a notion in his head

"Why do thy make good neighbors? Isn't it
Where there are cows? But here there are no cows.

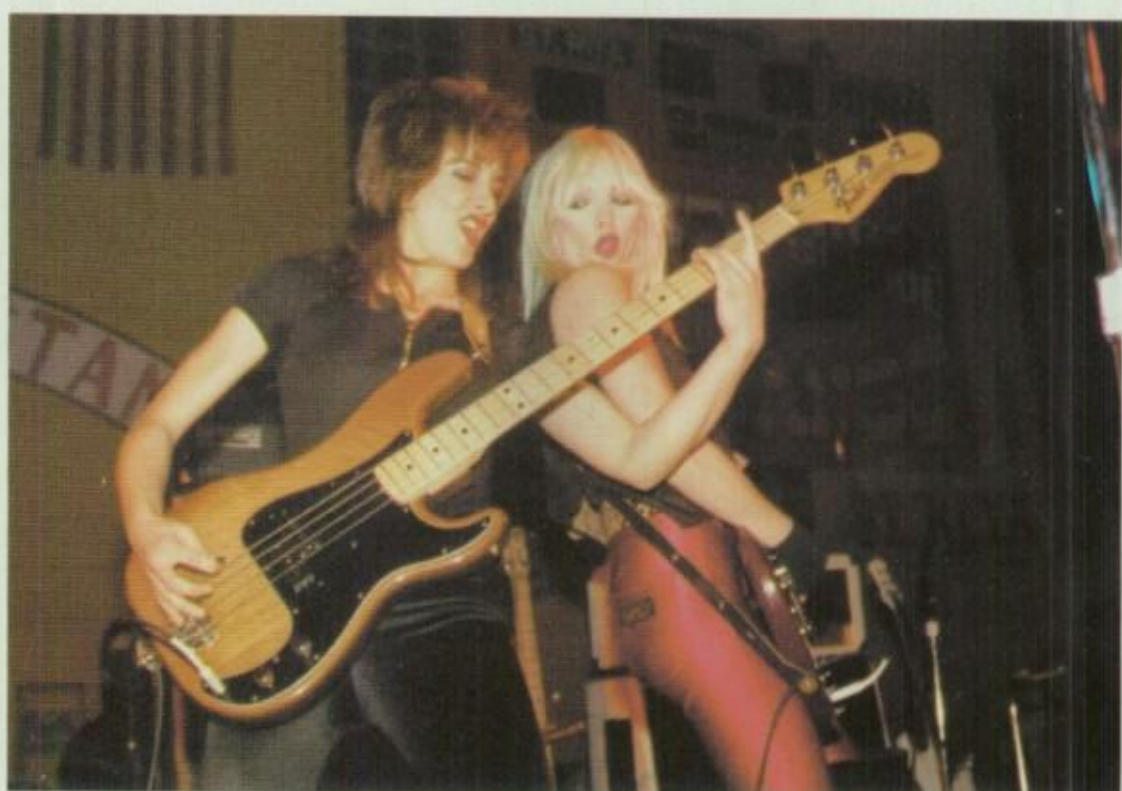

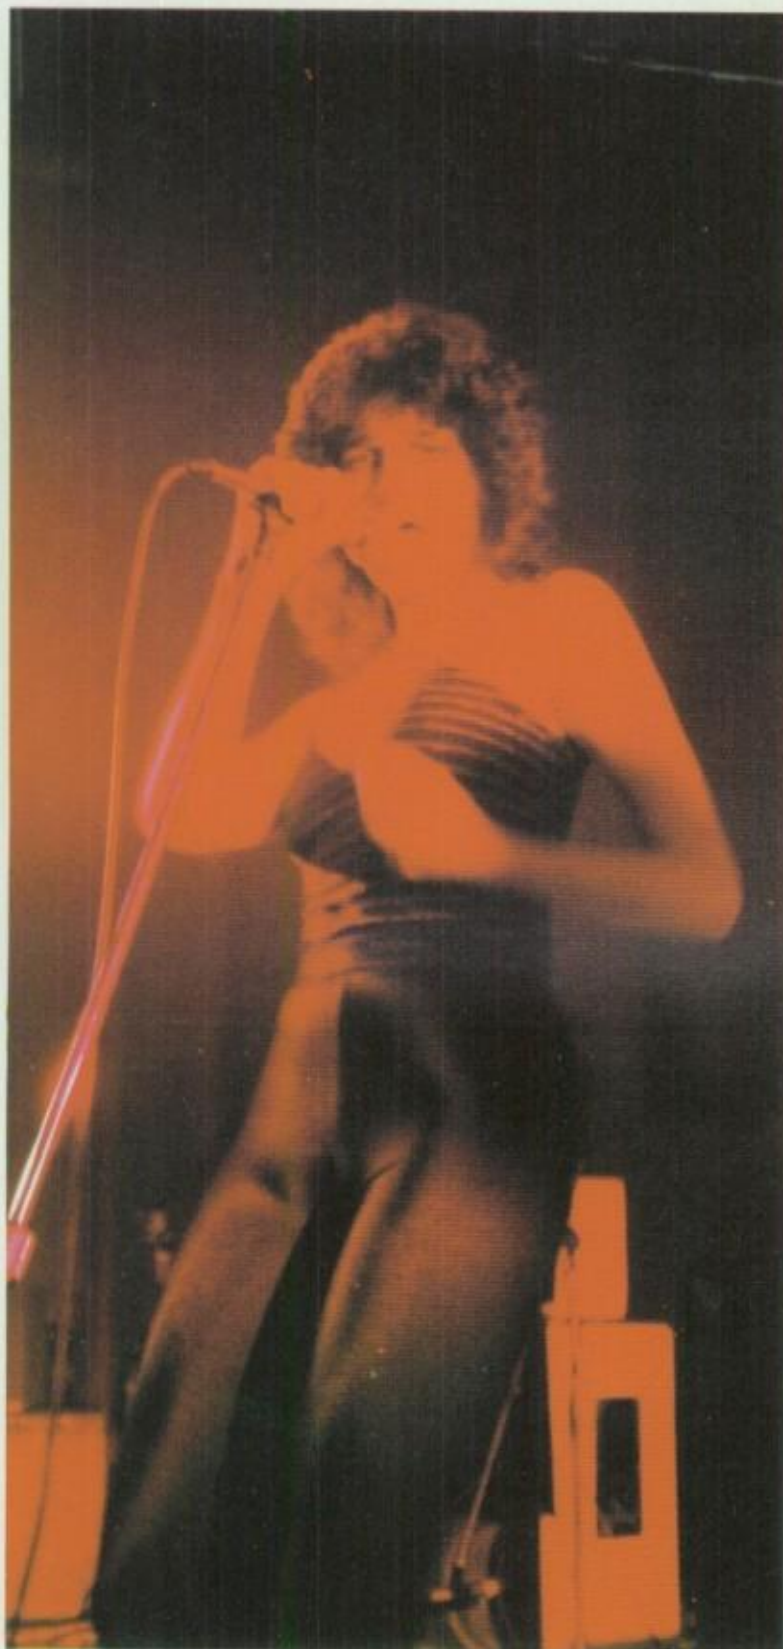

Before I built a wall I'd ask to know
What I was walling in or walling out,

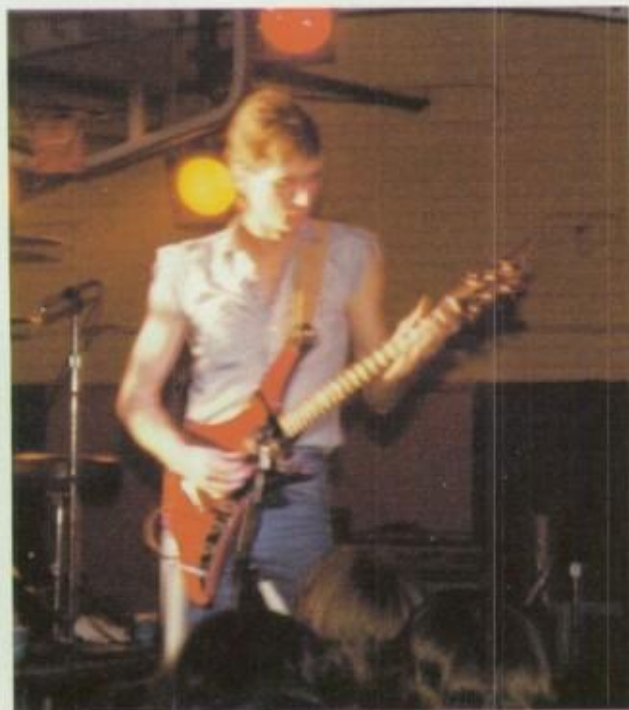

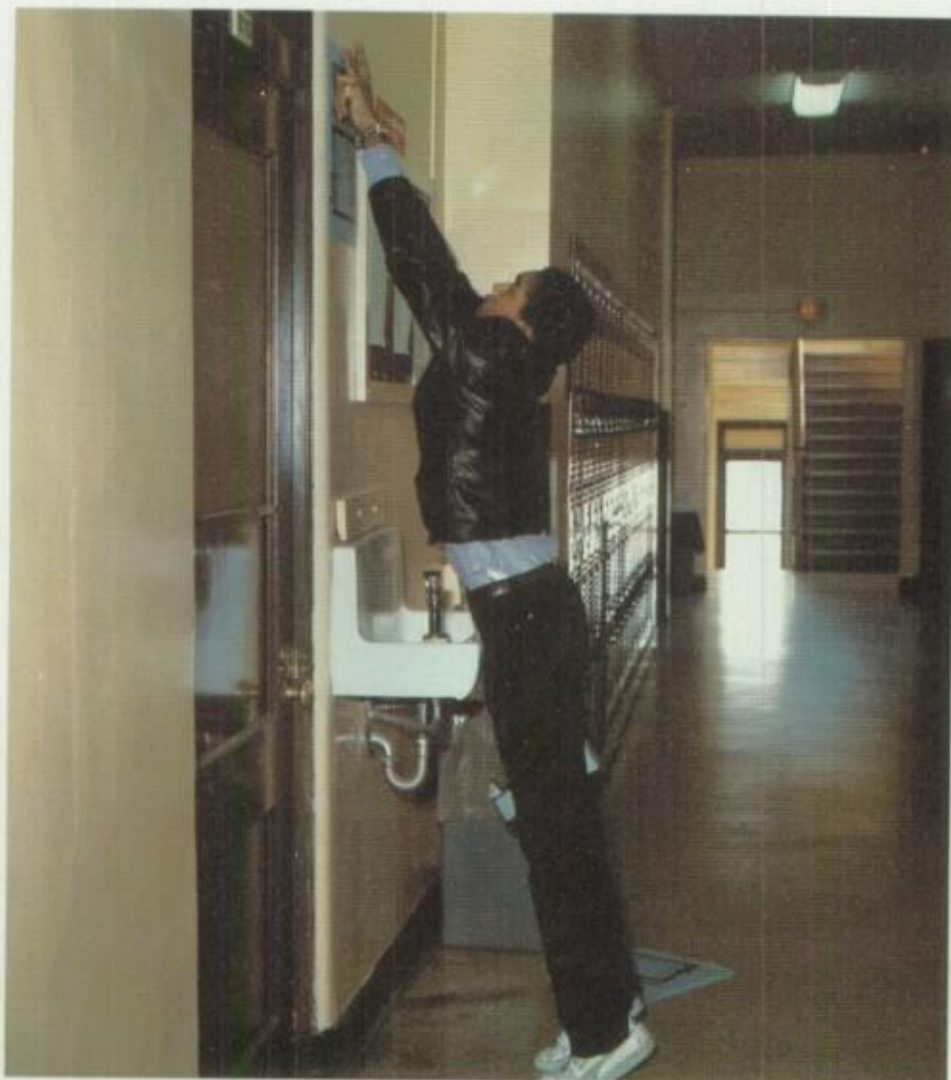

And to whom I was like to give offense.

Something there is that doesn't love a wall,
That wants it down."

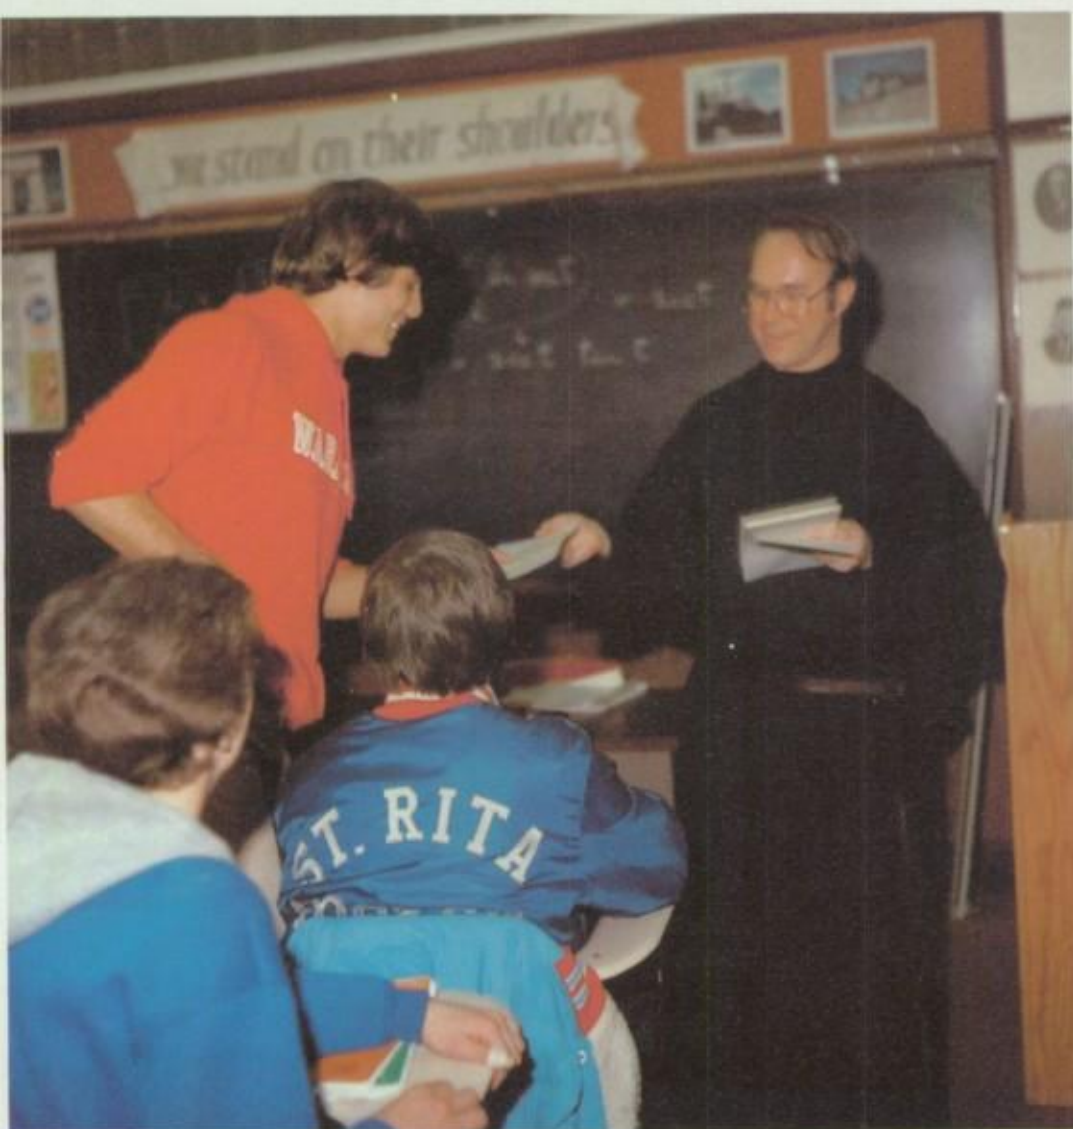

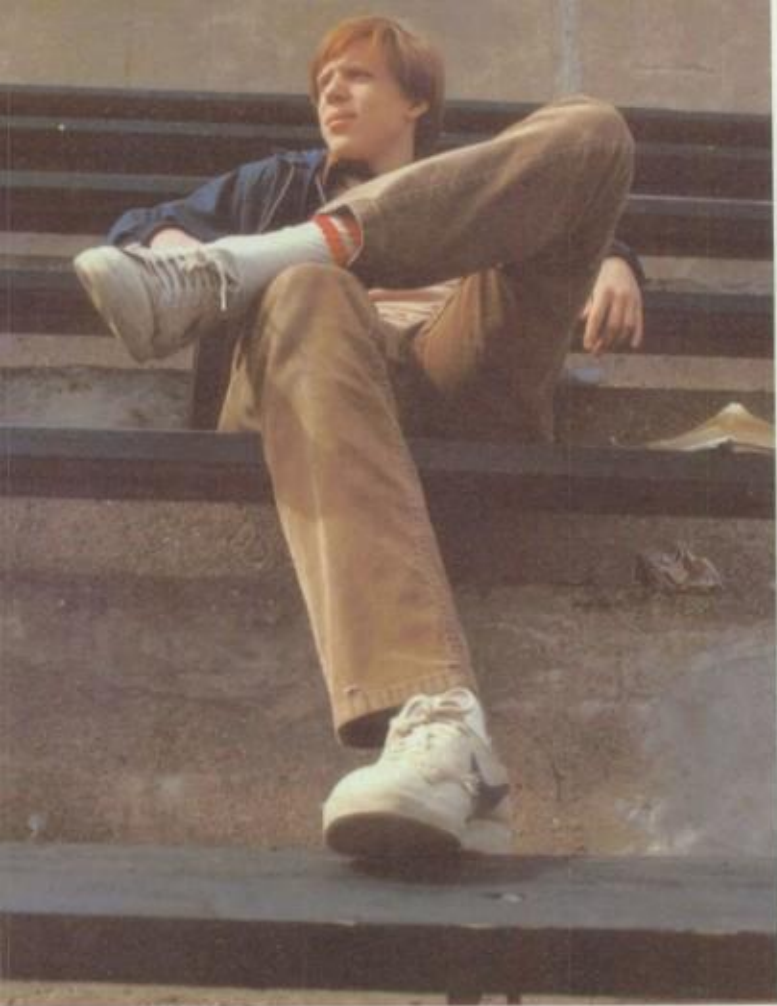

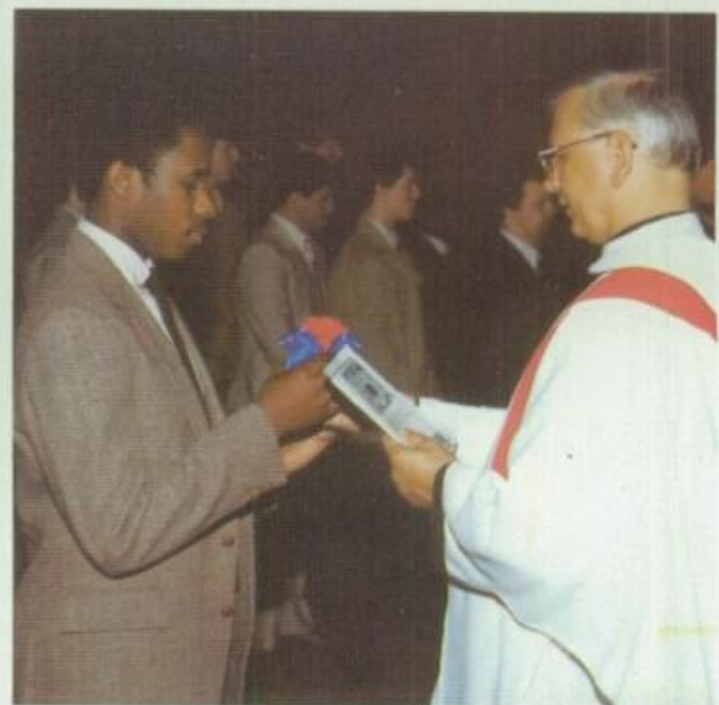

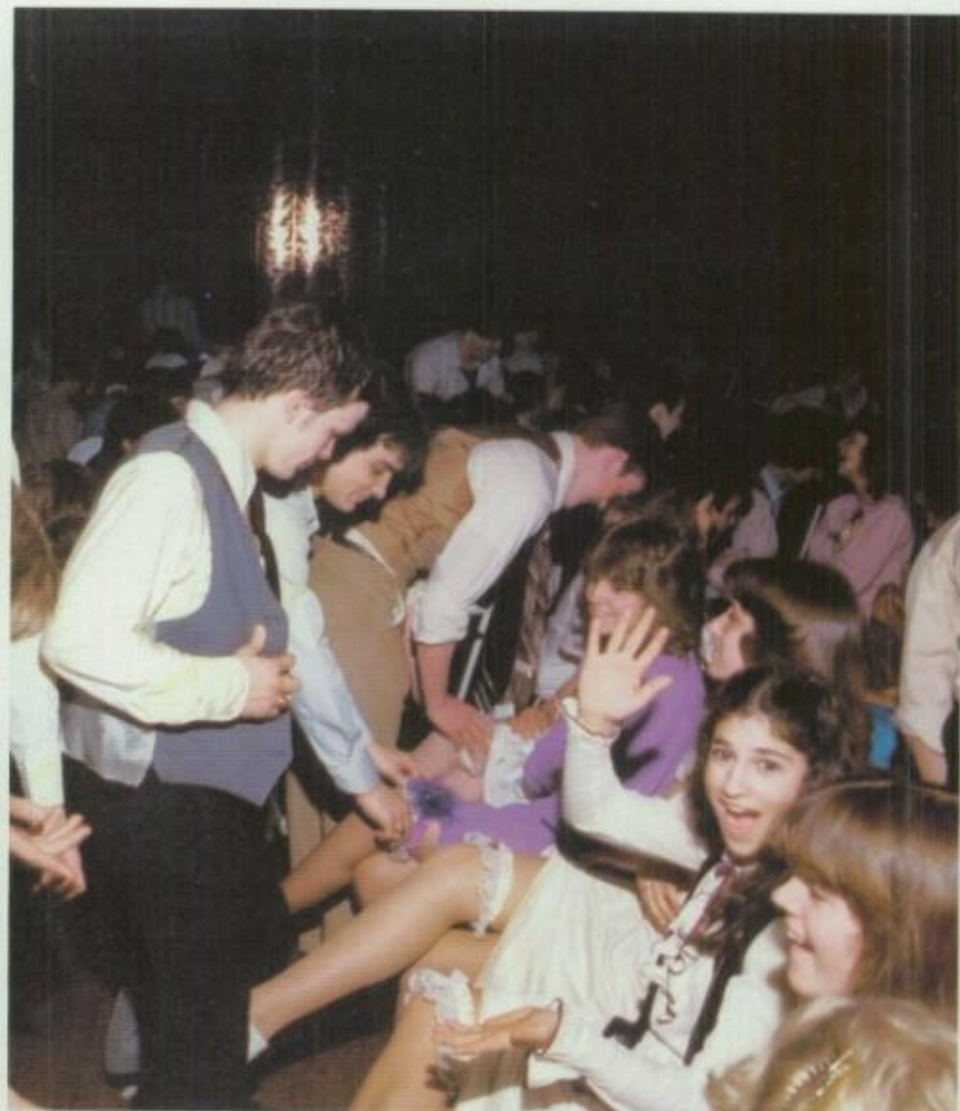

I could say "elves" to him,
But it's not elves exactly,

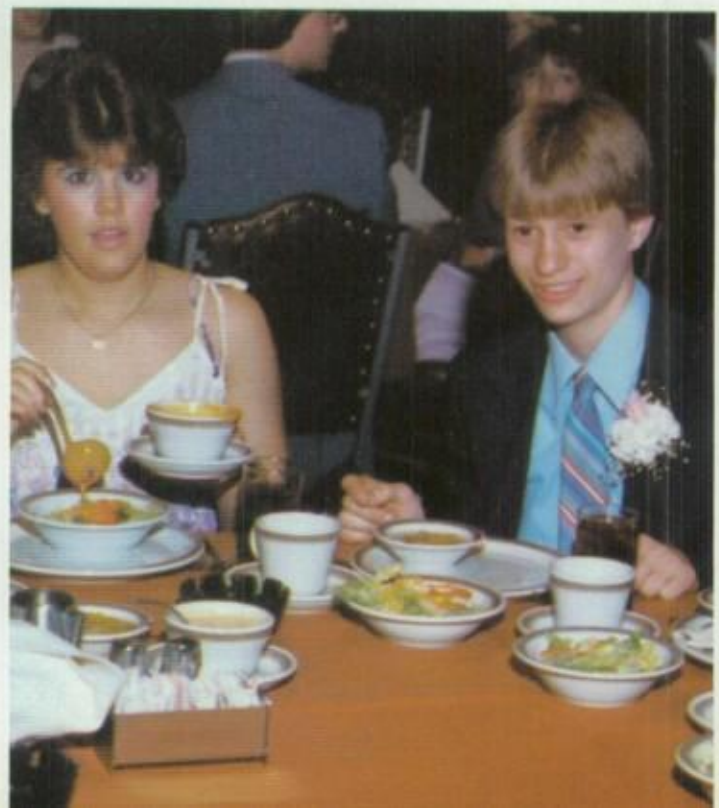

and I'd rather
He said it for himself.

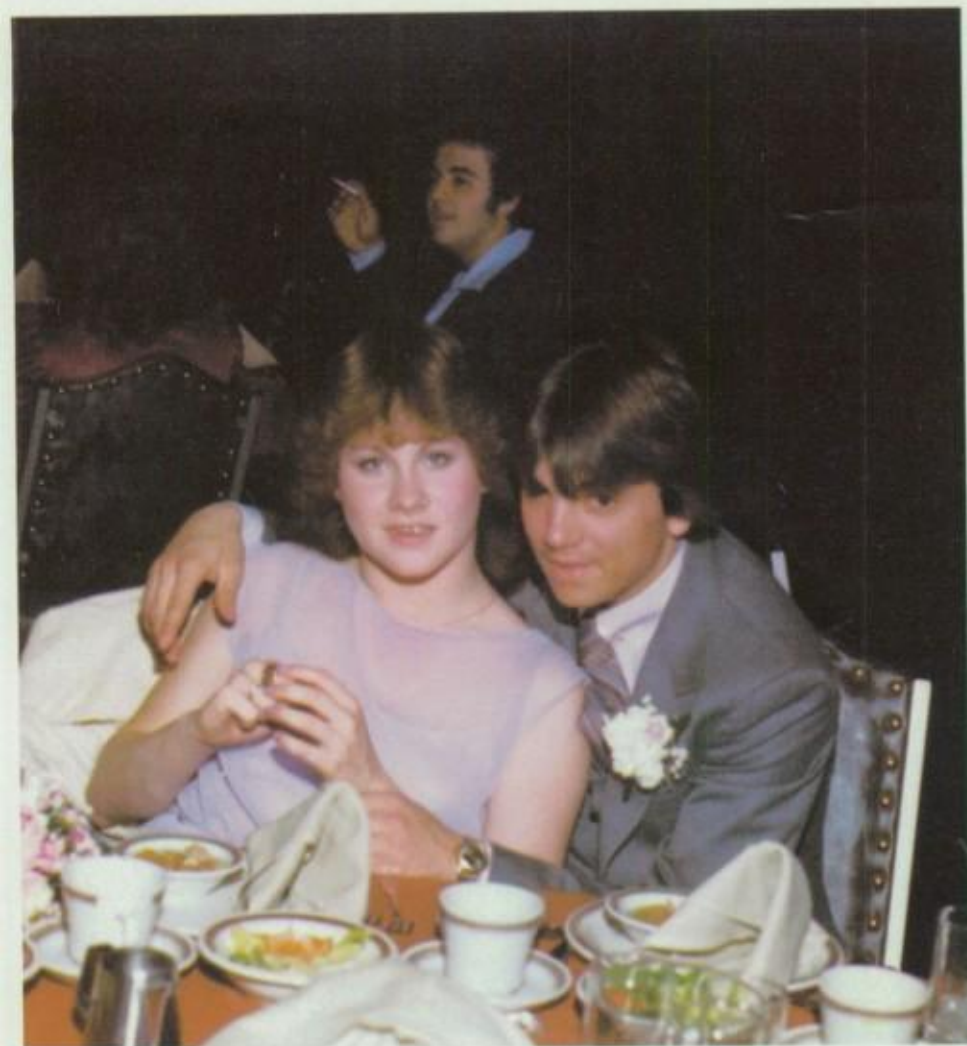

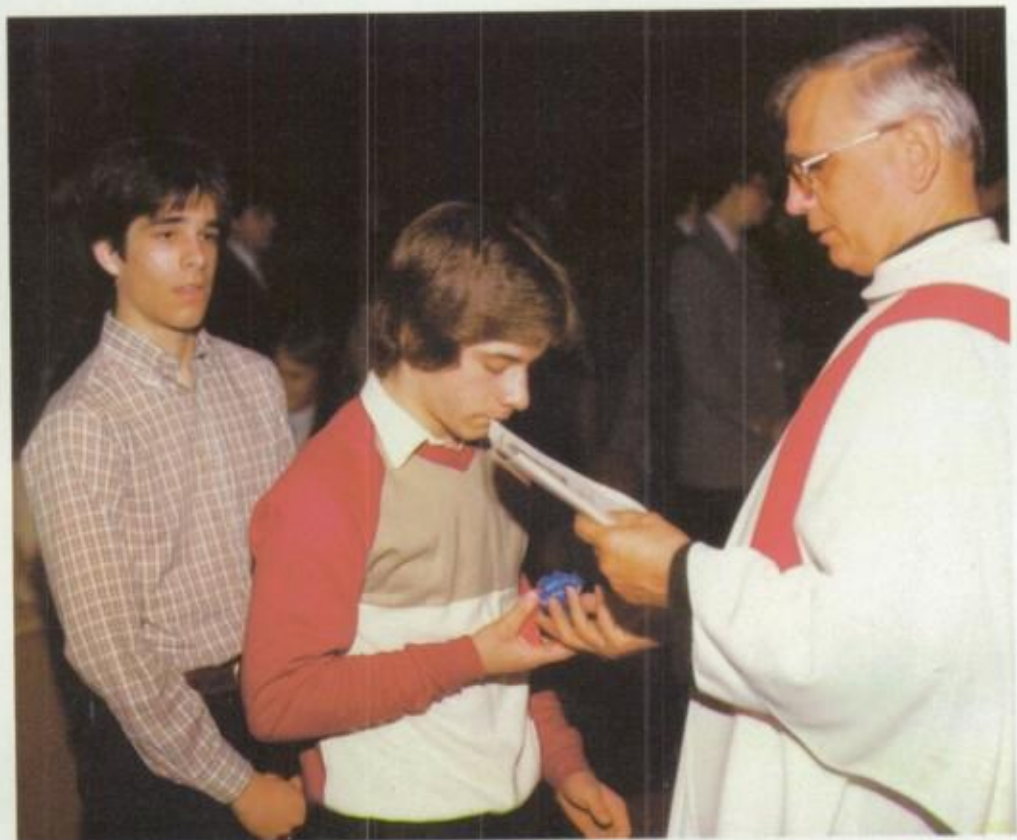

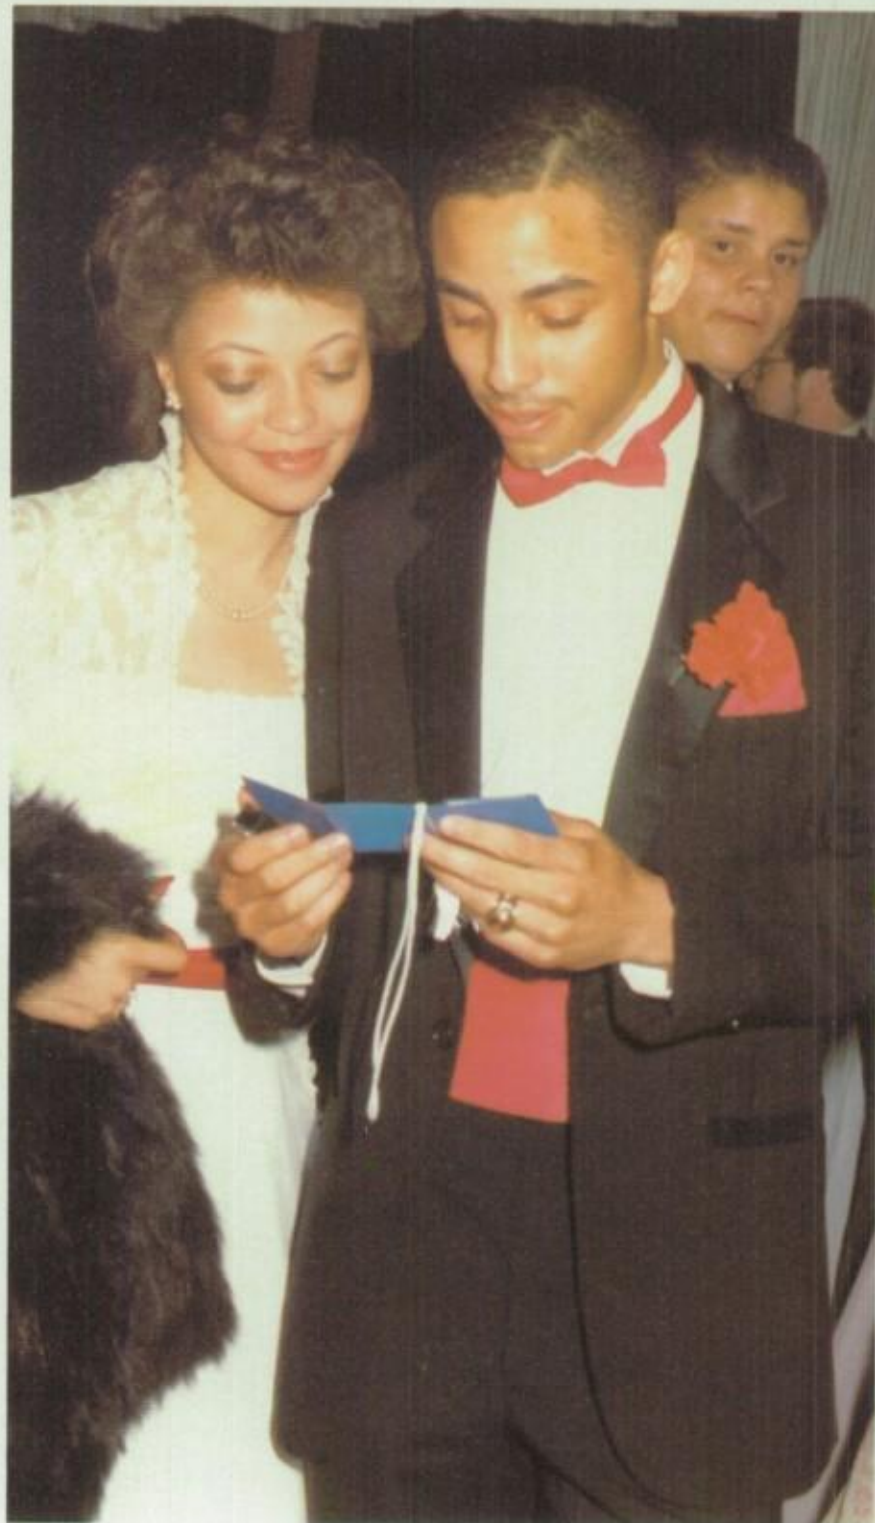

I see him there,
Bringing a stone grasped firmly by the top
In each hand, like an old-stone savage armed.

He moves in darkness as it seems to me,
Not of woods only and the shade of trees.
He will not go behind his father's saying,
And he likes having thought of it so well
He says again, "Good fences make good neighbors."

"Something there is that doesn't
love a wall" —

FR. BRECHT FINISHES FOUR YEAR TERM

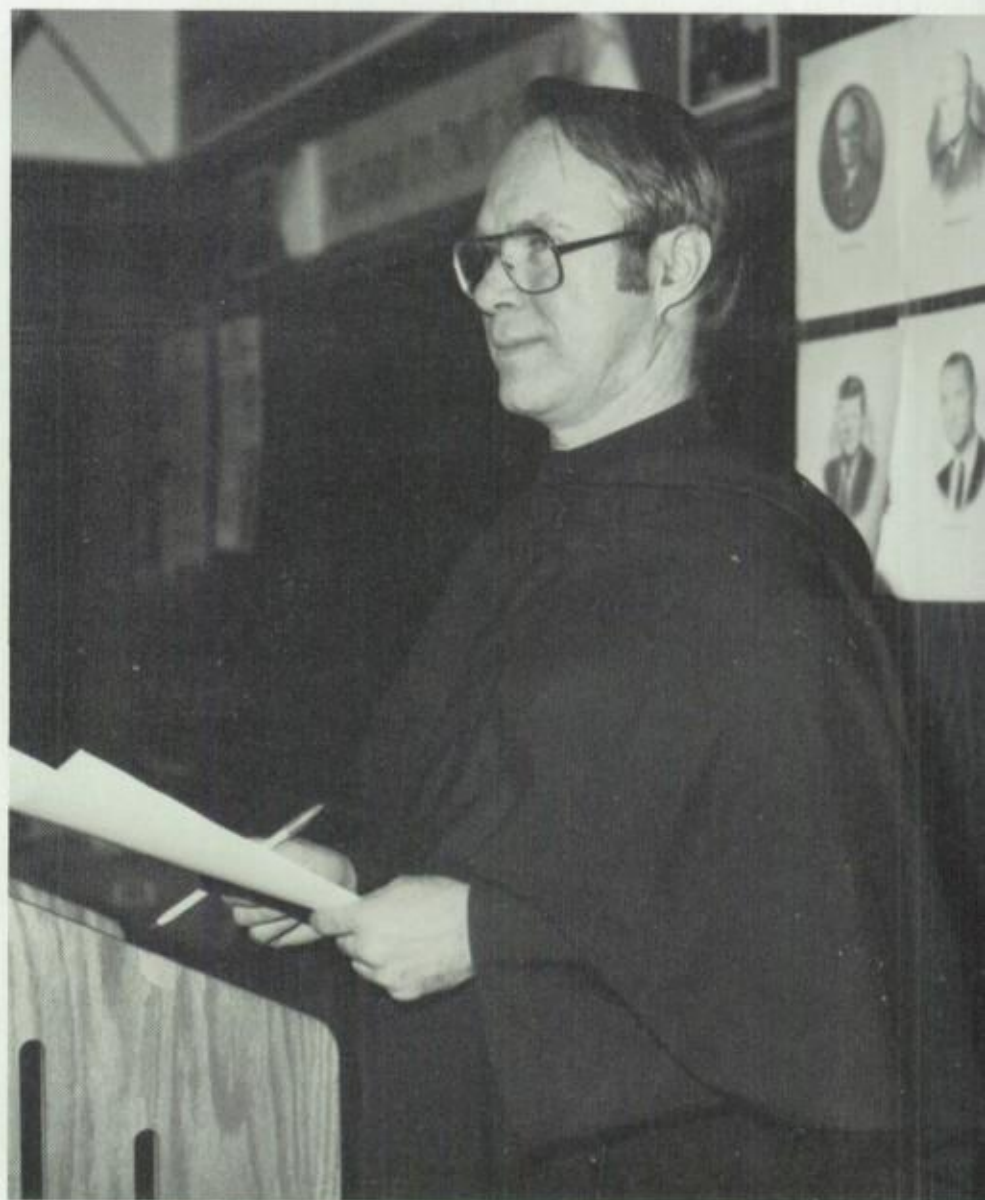

"I found the opportunity of helping people very rewarding, and I especially enjoyed working with the students; they were very receptive and helpful in making my stay at St. Rita a very enjoyable one," commented Fr. David Brecht, O.S.A., as he summed up his four year career at St. Rita. "St. Rita's religious and lay faculty were also very helpful and I feel that they are some of the finest people I have had the opportunity to work with in my career."

Fr. Brecht will be leaving St. Rita H.S. to become the Assistant to the Provincial of the midwest province. Fr. Brecht's new duties include overseeing the operations of the Augustinian High Schools of the province and being the Chairman of the Education Commission, Director of Continuing Education for the Augustinians, and the Director of Research and Planning for the province.

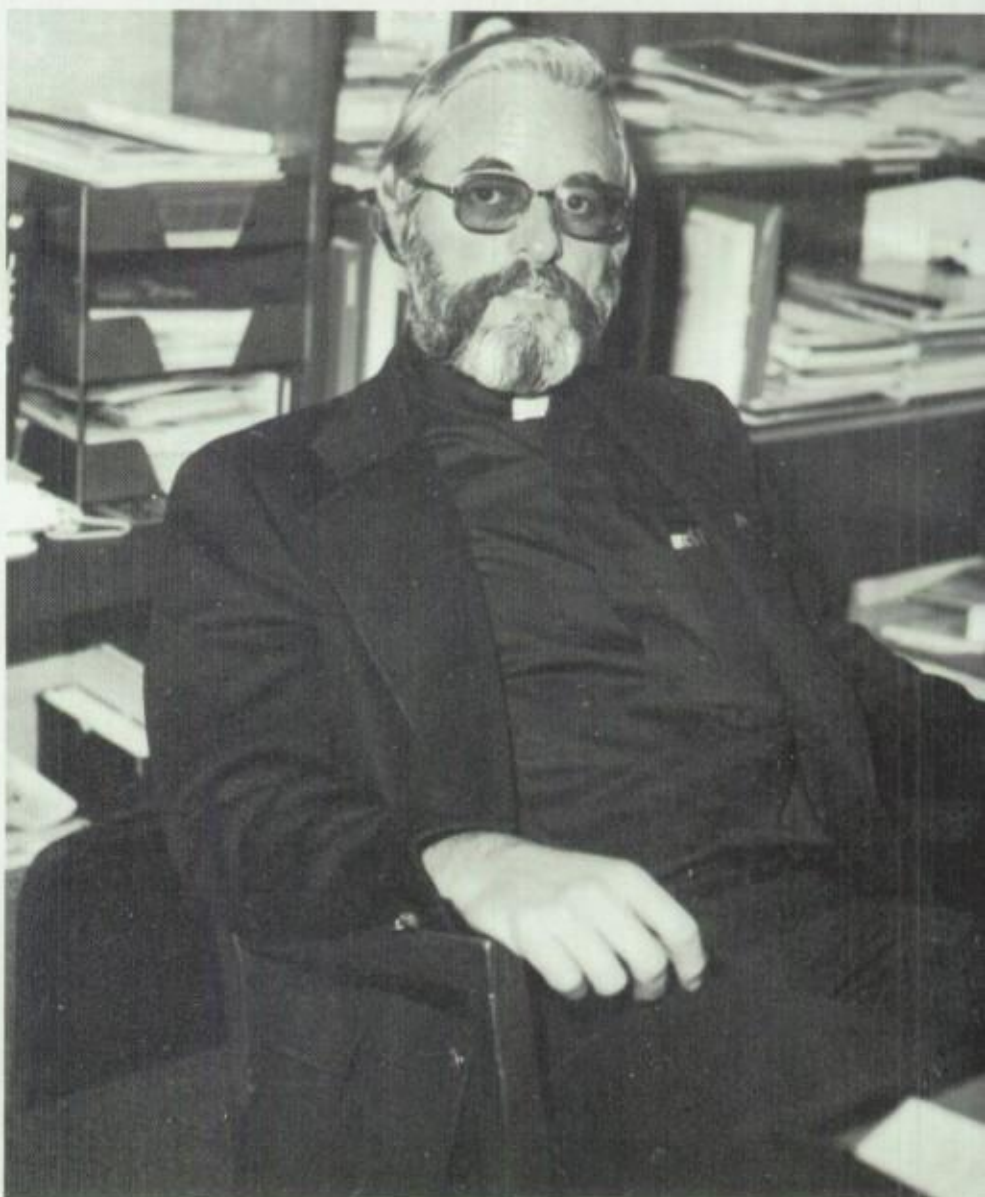

"Fr. Brecht will be greatly missed by the St. Rita Community and we are sorry to see him leave," said Director of Studies, Mr. Joseph Bamberger. "This year was probably the best in a long time and we attribute this to the fine administration and also the cooperation of the students."

Over the four years Fr. Brecht was at St. Rita there were many well received changes including new windows for the main building, replacement of the Chapel Building stairway, a new heating system for the Annex Building, and new desks for the school. "None of these improvements could have been made if the students did not have the pride in the school that they have," said Fr. Brecht. "Their enthusiasm in fund raising was phenomenal as was their interest in growing as Christian men."

"I know that the students, faculty and religious will continue to perform as well as they have in my stay at St. Rita, and will maintain the pride in St. Rita and the Christian spirit that has brought them so far," concluded Fr. Brecht.

Principal: Fr. David Brecht, O.S.A.

Prior of the St. Rita Augustinians: Fr. Roland Follmann, O.S.A.

Board of Administration: Mr. Joseph Bamberger, Fr. David Brecht, O.S.A., and Fr. Roland Follmann, O.S.A. Mr. James Angsten, Fr. Patrick Murphy, O.S.A., Fr. Casimir Pazera, O.S.A., Mr. James Segredo, Mr. Michael Kisicki.

Director of Development: Mr. James Segredo.

Director of Studies: Mr. Joseph Bamberger.

THEOLOGY DEPARTMENT: TEAM WORK KEY TO SUCCESS

"St. Rita's Theology department is probably the best in Chicago's high schools," stated Br. Charles Prevender, chairman of the Theology Department. "Our department teachers work very well together and we have a great amount of input at our monthly departmental meetings which helps to establish a strong department."

"Fr. Murphy and I attend the St. Xavier Seminar on Religious Education so we are able to evaluate our department and it appears that we have the best," continued Br. Charles.

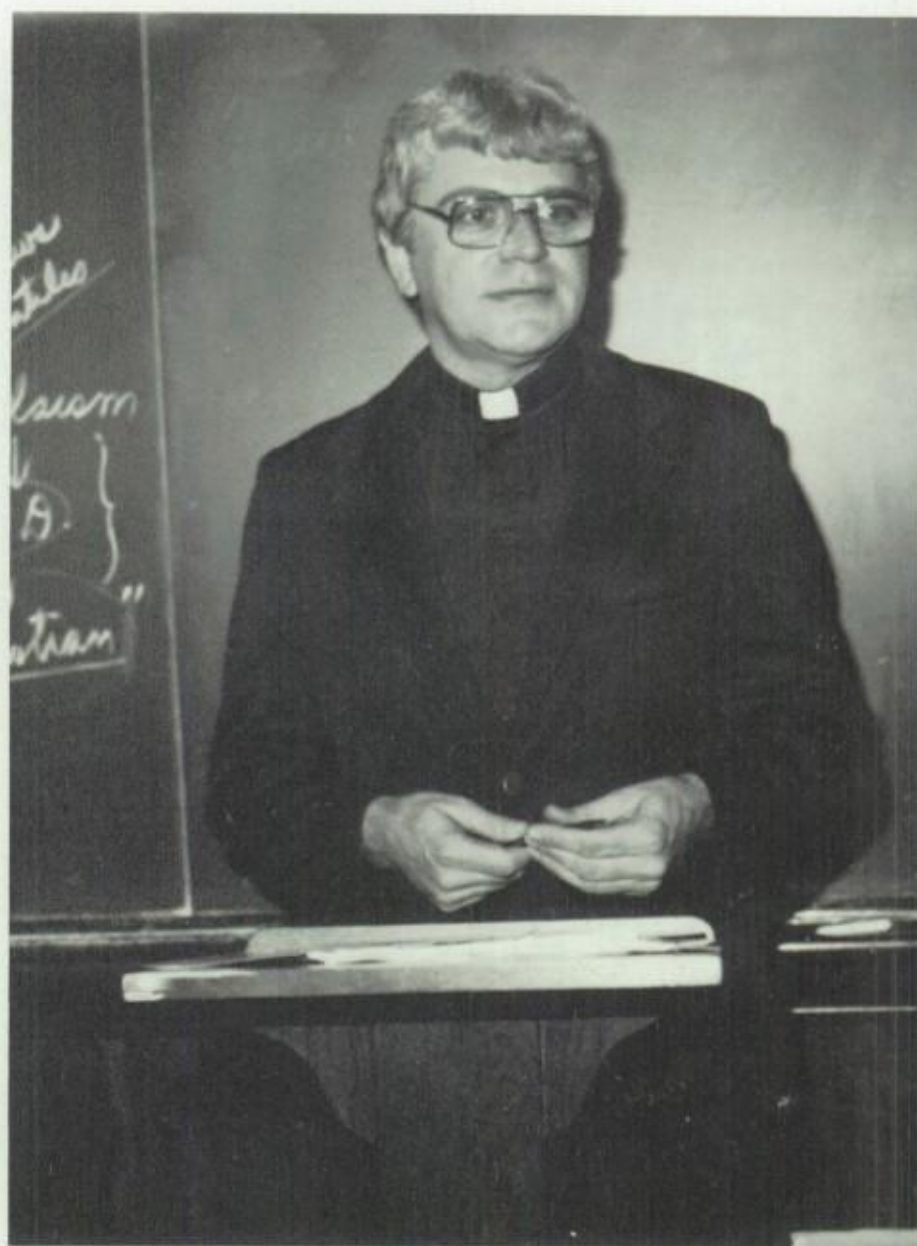

Because Rita has the best Theology department it has been asked to review religious texts by Mr. Zimmerman. "Mr. Zimmerman sends us his books about twice a year for a review; we have done this for the past several years and Mr. Zimmerman is grateful for the help we give him," said Br. Charles.

"Excellent teachers, guest speakers, and strong input all contributed to help the department succeed and hopefully things will not change too much next year," said Br. Charles. Br. Chris Howe will be leaving to continue his studies for the priesthood, and Br. Mark Thedens will be joining the Theology Department next year.

"Next year we are starting a Theology program for the slower freshmen students," said Br. Charles. "We will also start discussing the possibility of electives in Theology courses and of having sophomores take Theology all year long." After the discussions on these proposals, they will be submitted to the Curriculum Council.

"Overall, our year was rather smooth and will basically be the same for next year," concluded Br. Charles. "Well what do you expect from the best?"

1. Bro. Charles Prevender, O.S.A., is the Theology Department Chairman. This is his fifth year at St. Rita and he teaches Theology II. He received his B.A. from St. Xavier.
2. Fr. Patrick Murphy, O.S.A., teaches Theology IV. He has been at St. Rita for four years, and he moderates the Father's Club. He received a M. Div. from Catholic Theological Union.
3. Fr. Timothy Deeter, O.S.A., teaches Theology I and III. He has been at St. Rita for 6 years and is also the moderator of the Knights of Augustine. He received an M. Div. from Catholic Theological Union.
4. Fr. Gerald Van Overbeek, O.S.A., teaches Theology III and IV. He has been at St. Rita for 2 years and is the Assistant Chaplain and Moderator of the Boxing Club. He has a Masters Degree from Villanova University.
5. Fr. Robert Ebrom teaches Theology. He has been at St. Rita for 3 years. He has an M. Div. from St. Mary of the Lake, Mundelein, Illinois.
6. Bro. Frank Paduch, O.S.A., teaches Theology I and Current Events IV. He has been at St. Rita for 3 years. He has an M. Div. from Chicago Theological Union. He also is the Head Coach of the Varsity Soccer team.

COOPERATION AND DEDICATION MARK '83 FOR ENGLISH

"This years teachers performed very well and were very unselfish with their time in helping the students. This dedication made everything run very well and had a positive effect on everyone," commented English Department Chairman, Dr. Donald Racky.

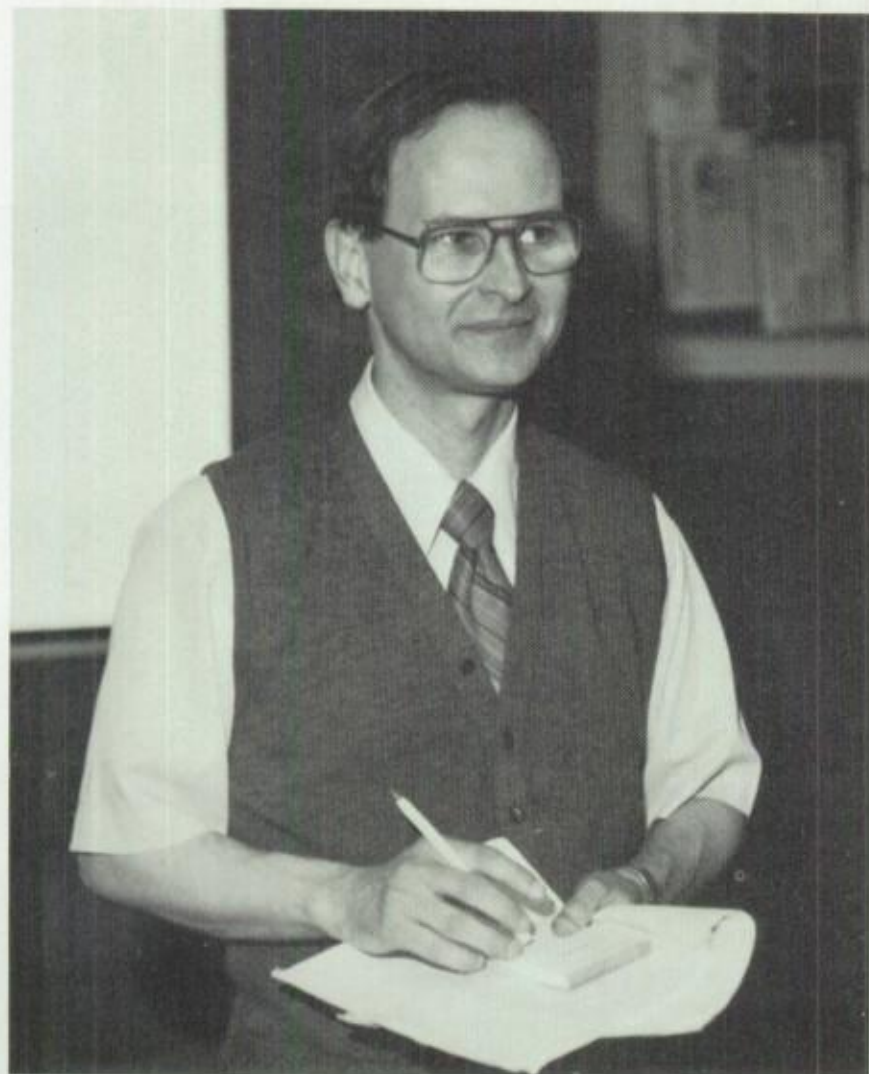

Good cooperation, atmosphere, and relations with the students helped make the year successful for Dr. Racky. Tutoring for the students was provided by the teachers to improve the understanding of English for students who were having problems with their studies. "I was very pleased to see this cooperation and student response," stated Dr. Racky.

A new addition to the English Department was Mr. Donald Gray who taught sophomores and juniors and also moderated the Guitar Club. "Mr. Gray was a fine addition to our department and fit in well with our program," stated Dr. Racky.

HISTORY MOVES TO EARLY A.C.T. PREP

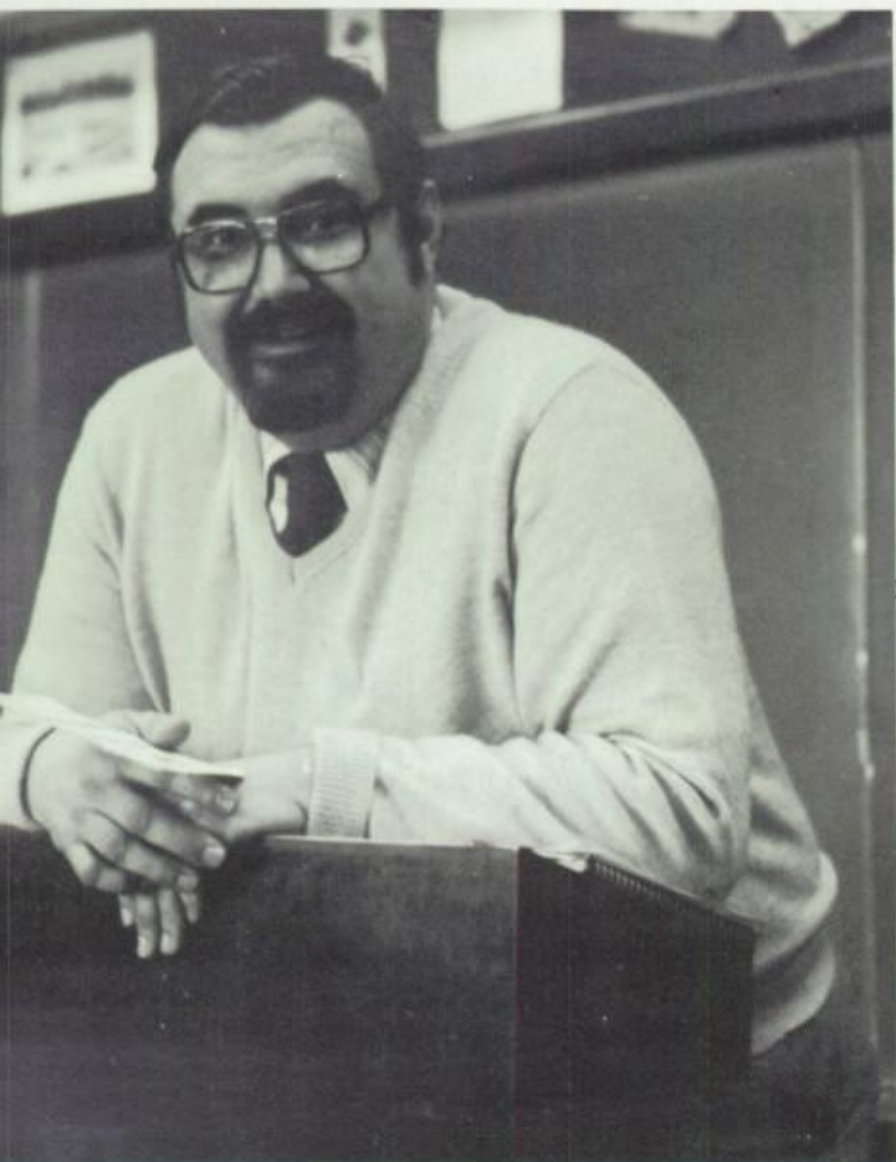

"This year we had a very fine group of veteran teachers that continually make St. Rita's History Department one of the strongest around," stated department chairman Mr. James Misiara. "We continue to have very high A.P. scores from our senior students, and this year we started to prepare for the ACT exam earlier," said Mr. Misiara. Mr. Dvorak was the main innovator for the earlier preparation of juniors taking the ACT, which helped them become more aware of the test format.

"Because we have such a strong department St. Rita is able to accomplish more in one year than some other high schools can in ten years," said Mr. Misiara. "I am very pleased with the way our teachers work together to help the students get better scores on the ACT and A.P. exams. Next year we plan to prepare even earlier for the ACT and to get good consistent performances on these standardized tests and in our everyday school work," concluded Mr. Misiara.

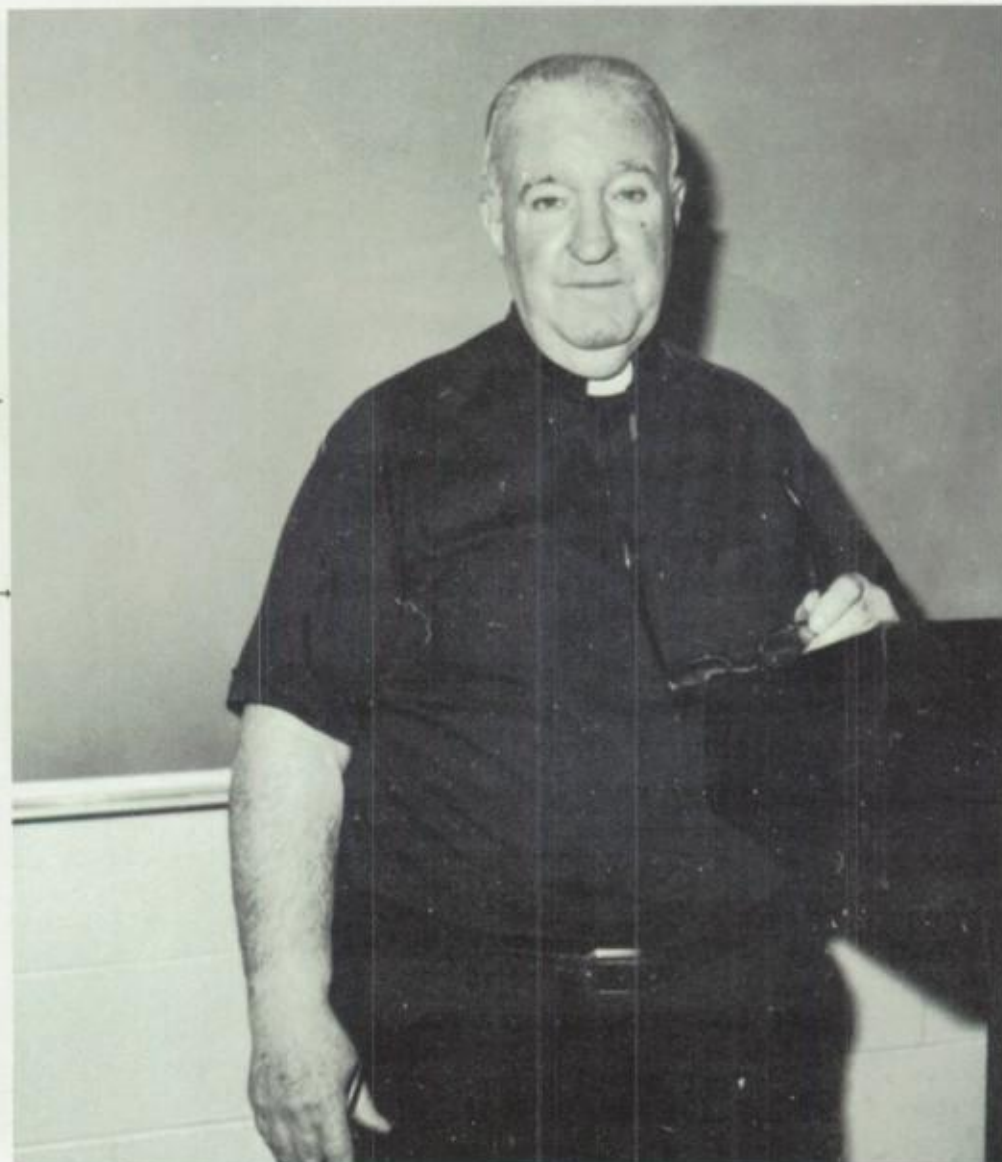

-
1. Mr. James Misiara teaches U.S. History, U.S. Government and Current Events. He has been at St. Rita for 11 years. He has a B.S. from Chicago State University and is also the head varsity hockey coach. He is the moderator of the Student Broadcasting System.
 2. Mr. Joseph Bamberger teaches advanced U.S. History. He has been at St. Rita for 23 years and holds an M.A. and an M.Ed. from DePaul University. He is also moderator of the National Honor Society and the Sophomore Class.

1. Mr. Jim Segredo teaches Modern European History (honors), and Criminal Justice/Sociology. He has been at St. Rita for 6 years. He has an M.Ed from the University of Illinois at Chicago. He is also the head track coach and Director of Development.
2. Mr. Ron Nowak teaches A.P. European History and Current Events. He has been at St. Rita for 19 years and coaches the Bowling Team.
3. Fr. William Neis, O.S.A., is in his fourth year and teaches Psychology. He is also Dean of Students and the Ski Club Moderator.

4. Mr. Woody Urchak is in his 2nd year at St. Rita and teaches U.S. and European History. He is also a major league baseball umpire during the summer.

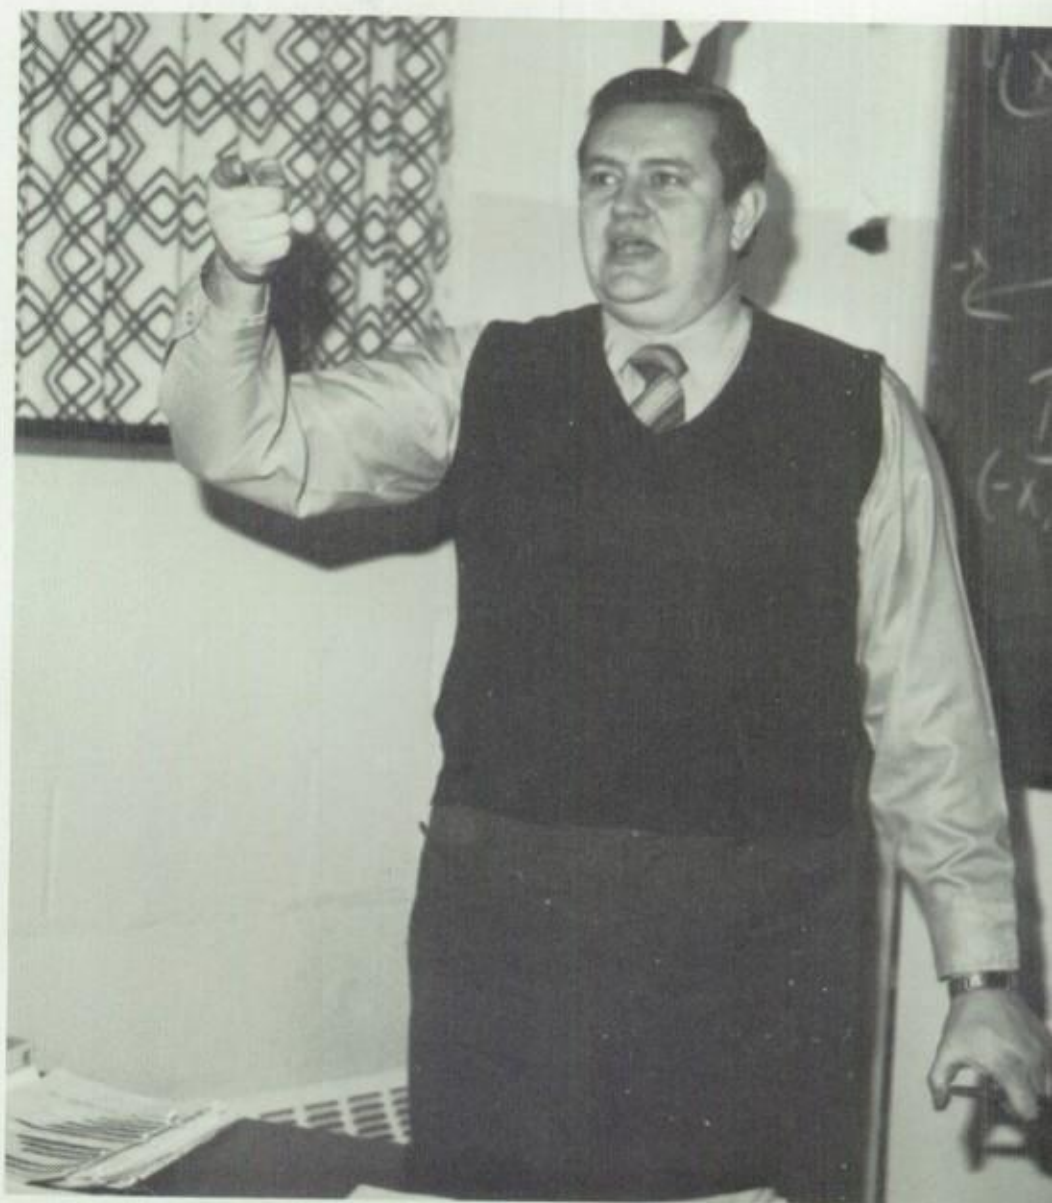

AFTER HOURS WORK BOOSTS MATH SCORES

"This year's math department was excellent — as always — thanks to much hard work by all the teachers," said Mr. Lasky. "There were no major changes. The same programs that worked last year were successful this year."

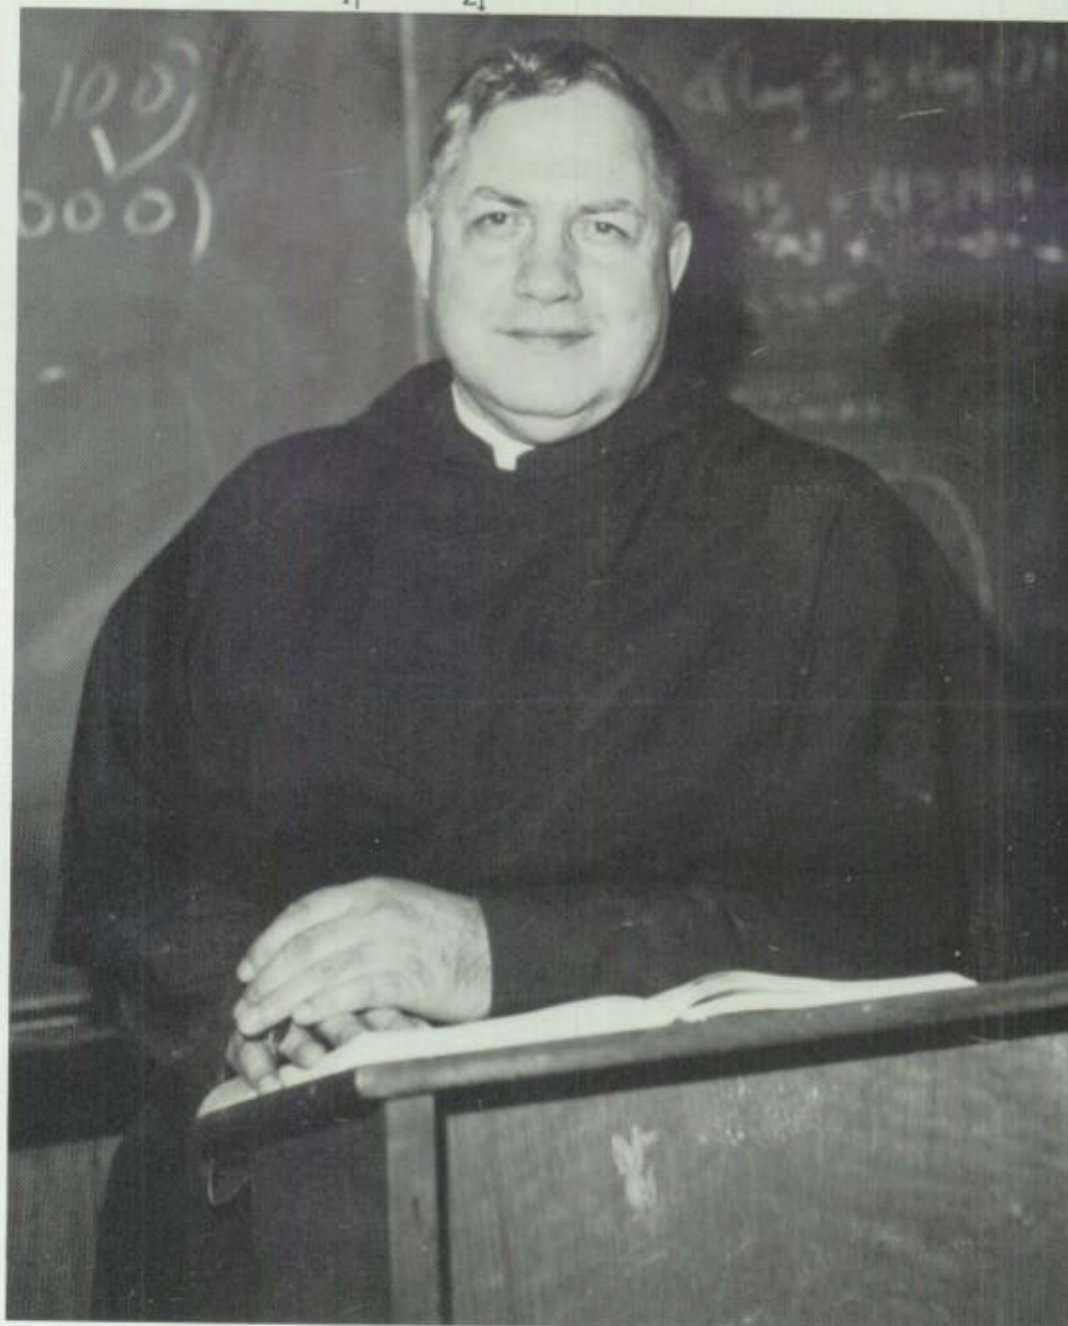

"All of the teachers from first year teachers like Mr. Arena to seasoned veterans like Mr. Krystof and Fr. Flach kept the math scholars on their toes, and the department is disappointed to see Mr. Mike Walaczek leave," Mr. Lasky continued.

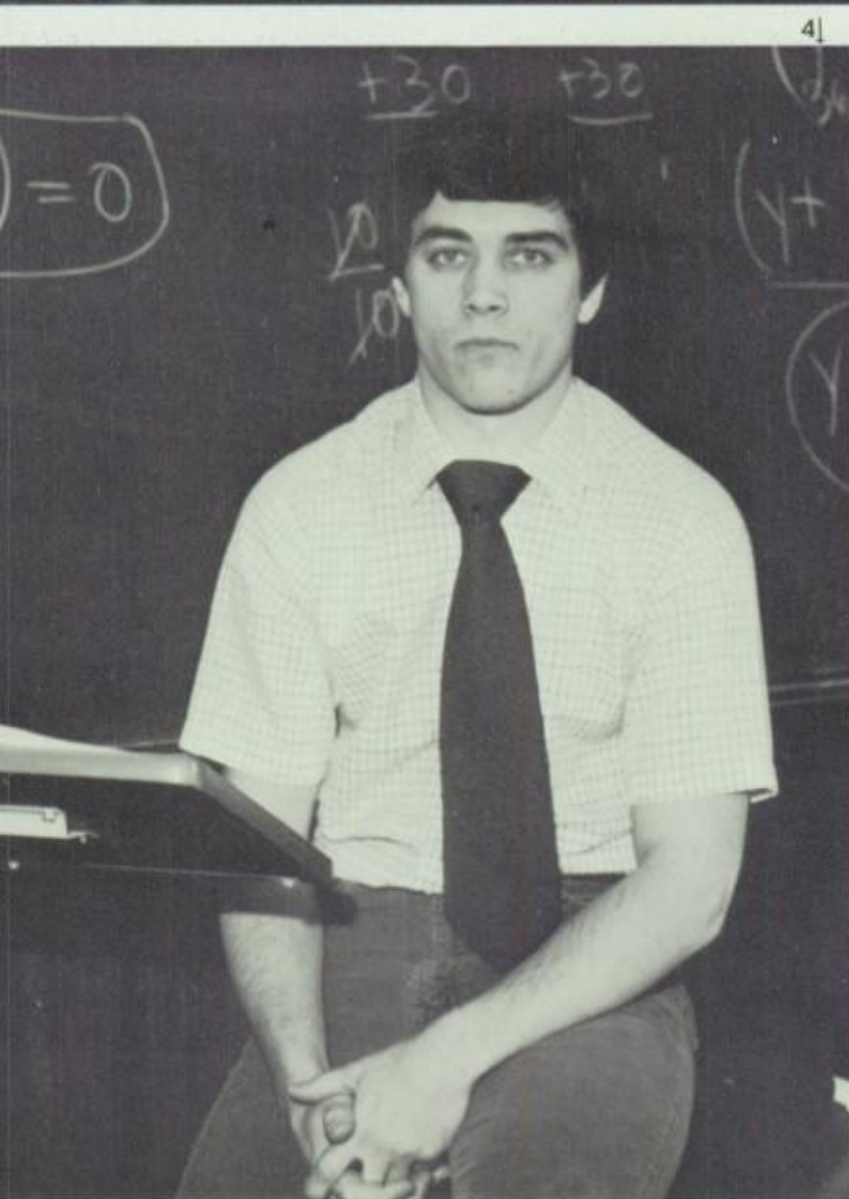

Math scores improved this year because of the work many teachers did after hours. For example, Fr. Flach spent much time after school giving extra help to interested students, and Mr. Genge was in charge of the math tutors.

1. Mr. Norbert Lasky teaches geometry and algebra. He has been at St. Rita for 20 years. He has a B.S. in math from Loyola University. He is the Moderator of the Chess Club and also coaches tennis.
2. Fr. Lavern Flach, O.S.A., teaches geometry, algebra II, trigonometry and calculus. He has been at St. Rita for 24 years. He has a masters in math from Villanova University. He is also Moderator of the Mother's Club.

1. Mr. Lawrence Genge teaches geometry, algebra II, math analysis and trigonometry. He has been at St. Rita for 6 years. He has a B.A. from McKendree College. He is the sophomore cross country coach and also a math tutor.
2. Mr. Glenn Arena, a newcomer to St. Rita, teaches geometry. He has a B.A. from the University of Illinois.
3. Mr. Jack Janeczko is in his sixth year at St. Rita and teaches algebra and geometry. He has a B.A. from DePaul University and coaches sophomore baseball.
4. Mr. Mike Walaszek is in his 2nd year at St. Rita and teaches Algebra and Geometry. He has a B.A. from St. Xavier and is head coach of the varsity basketball team.

SCIENCE PLANS NOW IMPLE- MENTED

Mr. Gasiiecki accomplished his goal of rearranging the science department curriculum this year. "Some of our plans of the past seemed to fall into place," said Mr. Gasiiecki. Part of those plans included requiring all sophomores to take a science. The Chemistry II honors class is now running yearly. "Students moving through the program now have more direction and potential during their 4 years," added Mr. Gasiiecki.

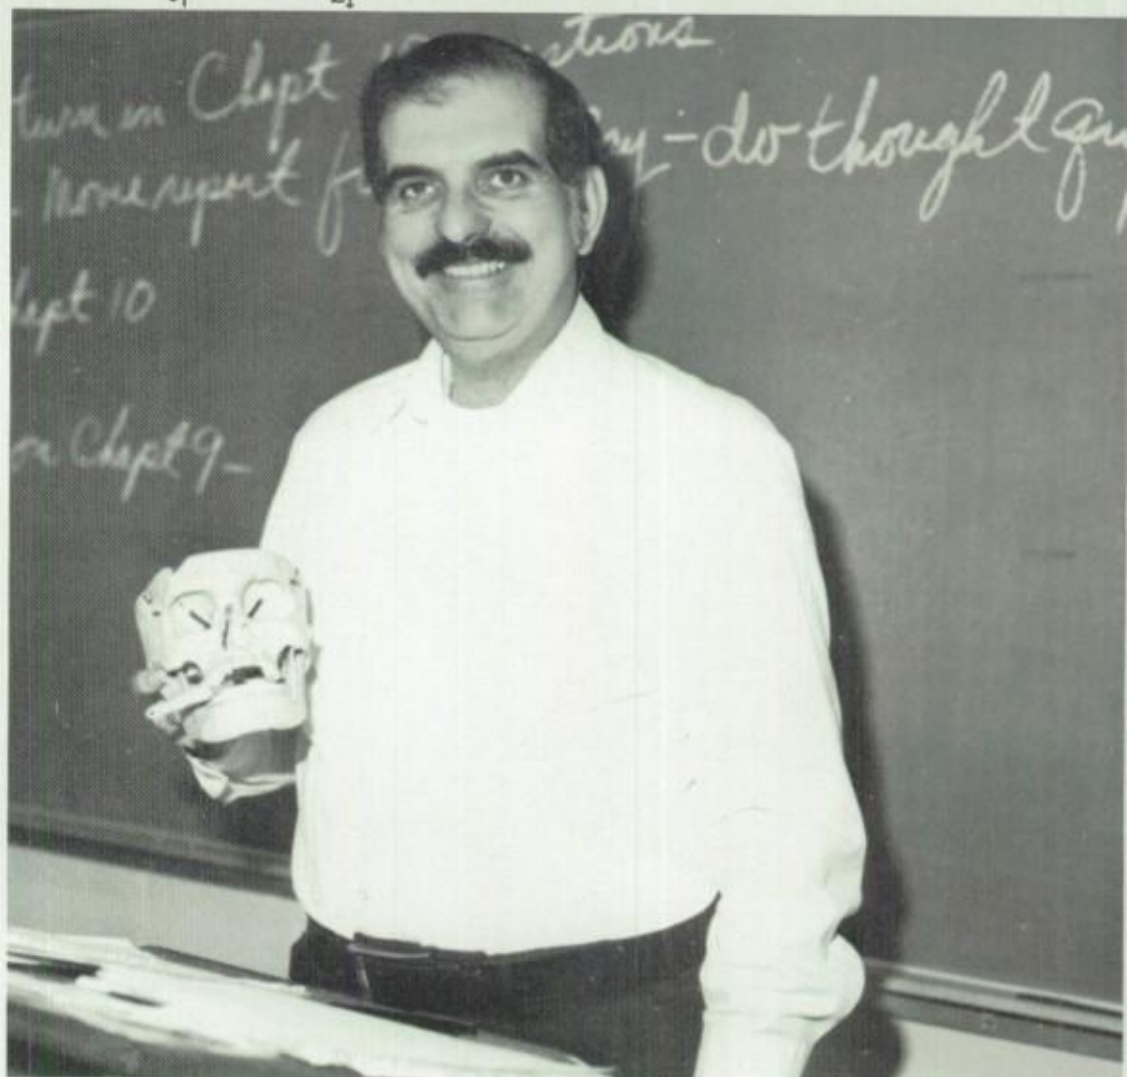

"This year's staff, which was unchanged from last year, continued their excellent job. Their continued dedication to science and teaching allowed classes to run smoothly," remarked Mr. Gasiiecki.

1. Mr. Bob Gasiiecki is the Chairman of the Science Department and has been at St. Rita for 12 years.
2. Mr. John Hartl, now in his 16th year at St. Rita, teaches physical science and is one of the athletic trainers.

1. Mr. Phil Igoe came to St. Rita in 1964 and holds a B.S. from Western Michigan.
2. Ms. Susan Whooley has been at St. Rita for 8 years and teaches Chemistry. She has a M.L.S. from Rosary College. She also moderates the Cheerleaders and is a science tutor.
3. Mr. Marty Quinn teaches biology and earth science. He has been at St. Rita for 3 years. He has a B.A. from Indiana University. He is also assistant varsity football coach and assistant track coach.
4. Mr. Don Krystof is in his 2nd year at St. Rita. He holds an M.S. from the University of Illinois and also teaches in the math department.

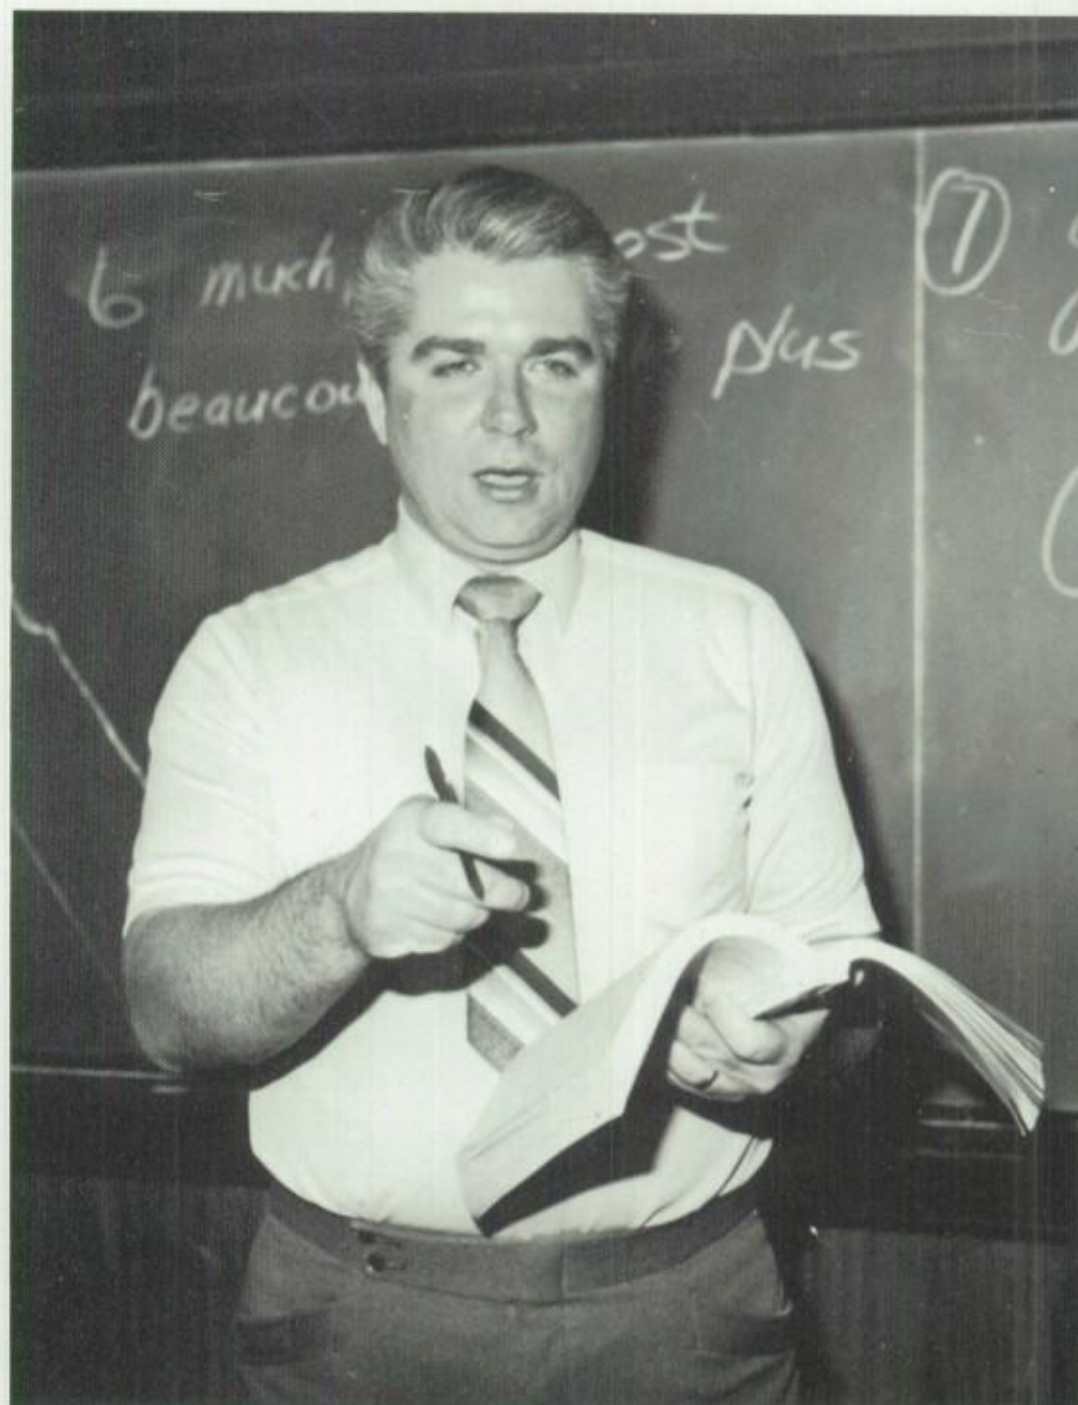

FOREIGN LANGUAGE: IMPROVE- MENTS CONTINUE

"In the last 3 years the language department faculty has improved very much. The addition of Ms. Junkroski and Mrs. Creighton has been a great help for the department," said Mr. Pawloski. There was also an improvement in language contest attendance and performance.

To improve the department next year, Mr. Pawloski wants to obtain a 40 booth listening lab to improve listening and conversation skills. Mr. Pawloski also hopes to improve on next years textbooks with a more integrated set of study materials.

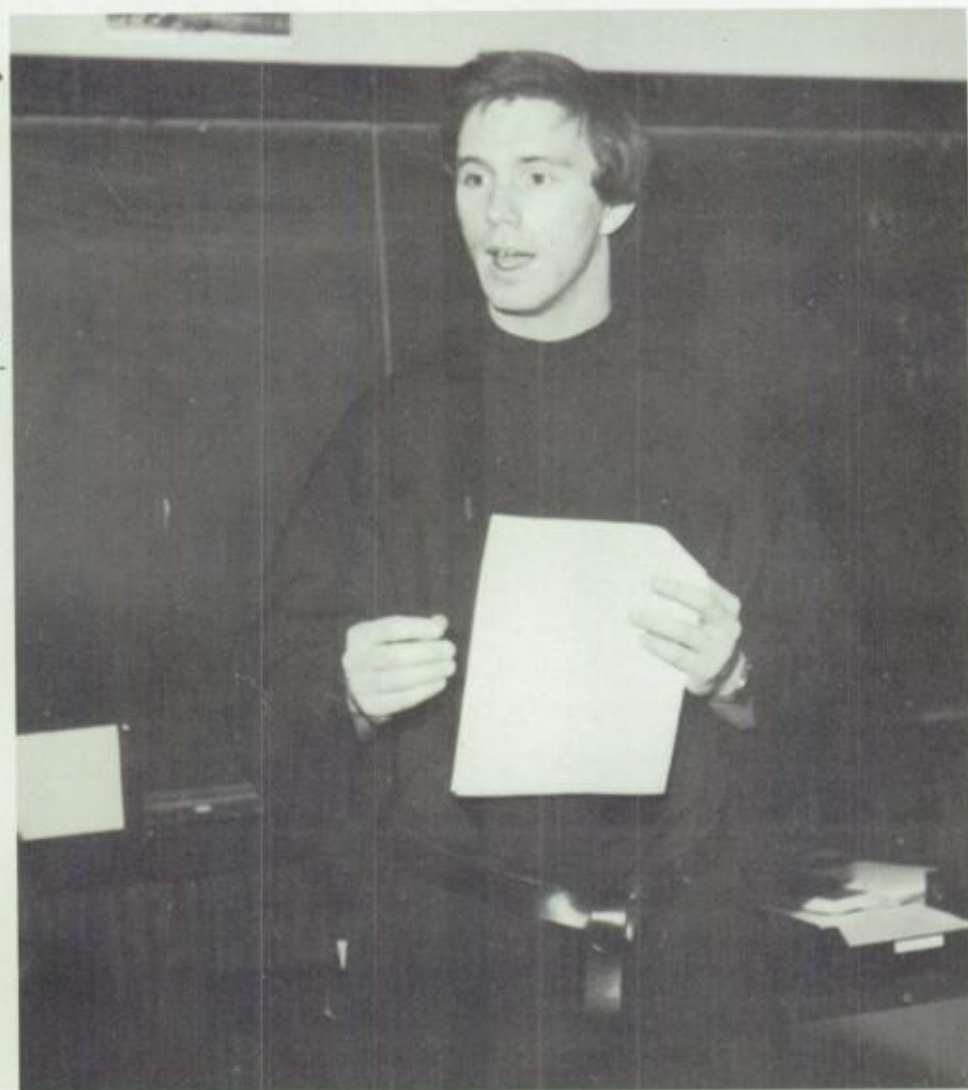

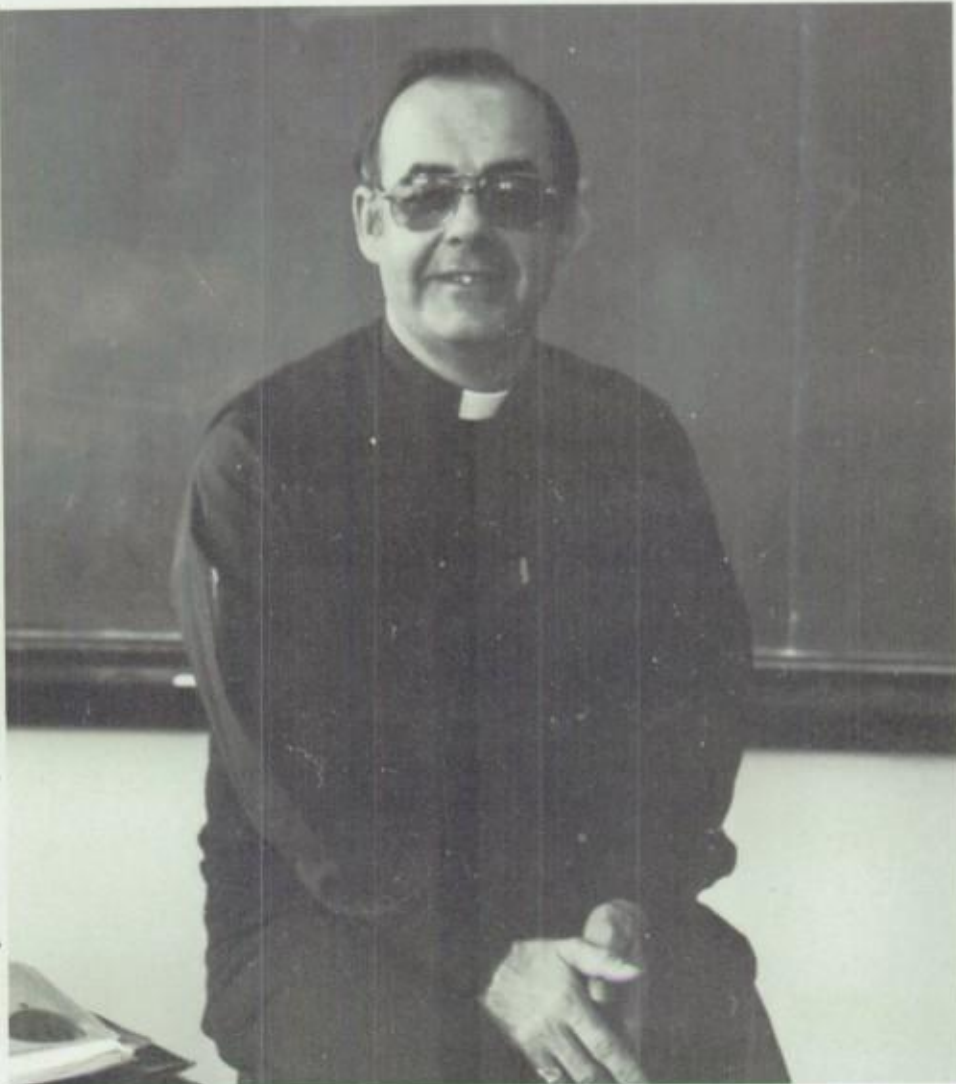

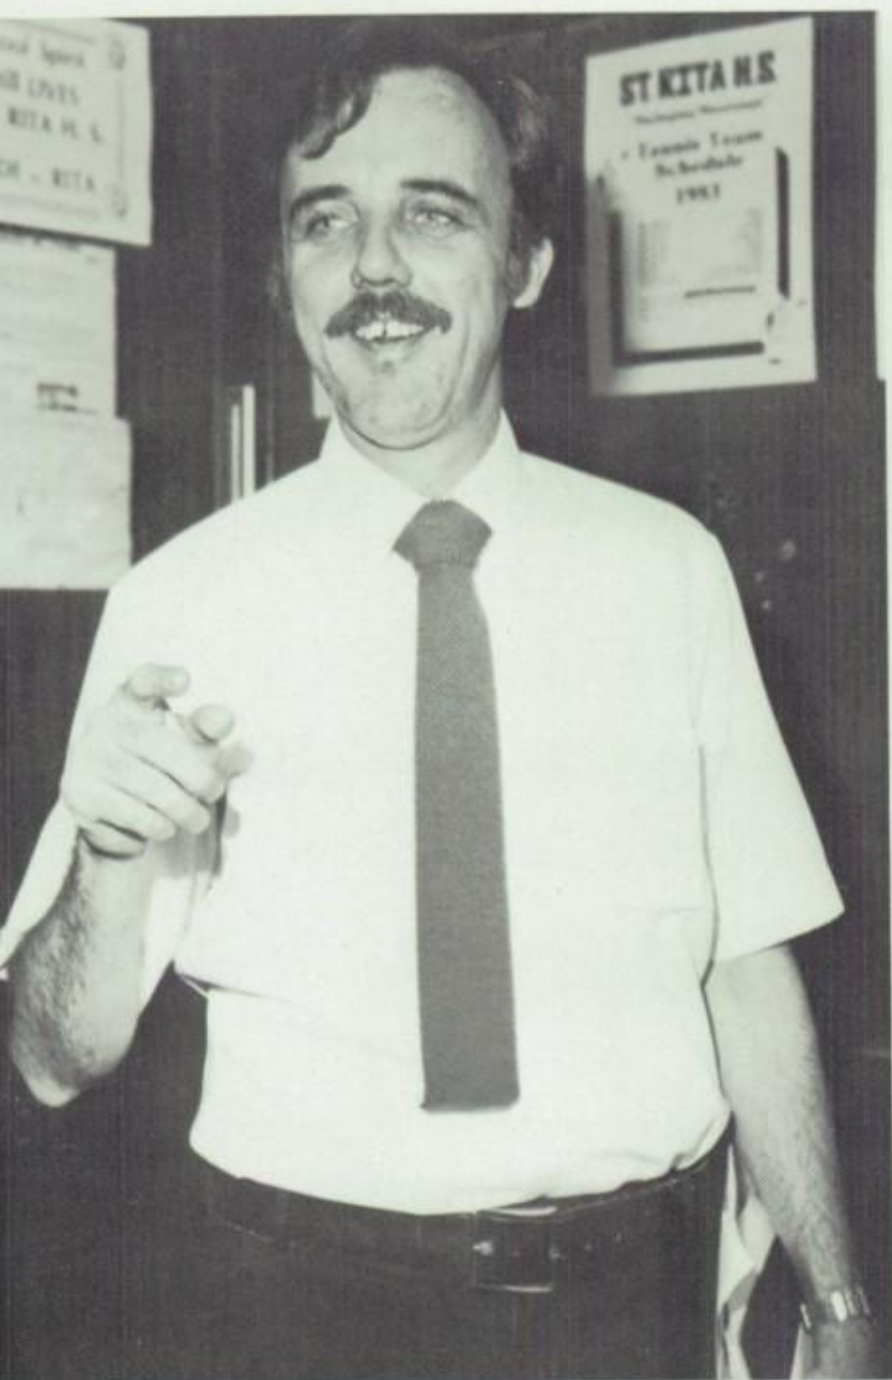

"French has added diversity to our program" continued Mr. Pawloski. "The French program is strong here at Rita, despite the popular myth that French is an especially tough language. We will not stop at French, however; we will offer any language if there are enough students for it."

1. Mr. Gregory Pawloski is in his 17th year at St. Rita. He teaches French I and II and is the chairman of the foreign language department.
2. Ms. Susan Junkroski teaches Spanish III and IV and Spanish for Native Speakers. She has been at St. Rita for 3 years and has a B.A. and 3/4 of a masters degree from Rosary University. She also moderates the Spanish National Honor Society. In her spare time she enjoys playing the guitar for church services.

1| 2|

1. Mr. Michael Cronin teaches Spanish. He has been at St. Rita for 4 years. He has a B.A. and M.A. from the University of Notre Dame. He is also the freshman class moderator.
2. Bro. Mark Thedens, O.S.A., teaches Theology I and Spanish III and IV. He has been at St. Rita for 20 years. He has a B.A. in Philosophy and Liturgical Music from Villanova University and St. Joseph. He is also Moderator of the Band and Chorus.
3. Bro. Christopher Howe, O.S.A., teaches French and Theology. He has been at St. Rita for 2 years. He has a B.A. from Villanova University.
4. Mrs. Mary Ellen Creighton teaches Spanish I and II. She received her B.A. from Albertus Magnus. In her spare time she enjoys photography and bicycling.

U.S. INTEREST IN BUSINESS REFLECTED IN ST. RITA COURSES

Mr. August Jeffery, Business Department Chairman, has witnessed the doubling of student interest in business-related courses this year. Accounting I and II, Business Law, Economics, Money Management, and Typing all showed substantial increases of class sizes. The career shifts toward more commerce related fields is evident and St. Rita students are taking advantage of the business courses offered here. "I am very pleased with this," said Mr. Jeffery, "because many of our graduates are moving toward careers in the business fields."

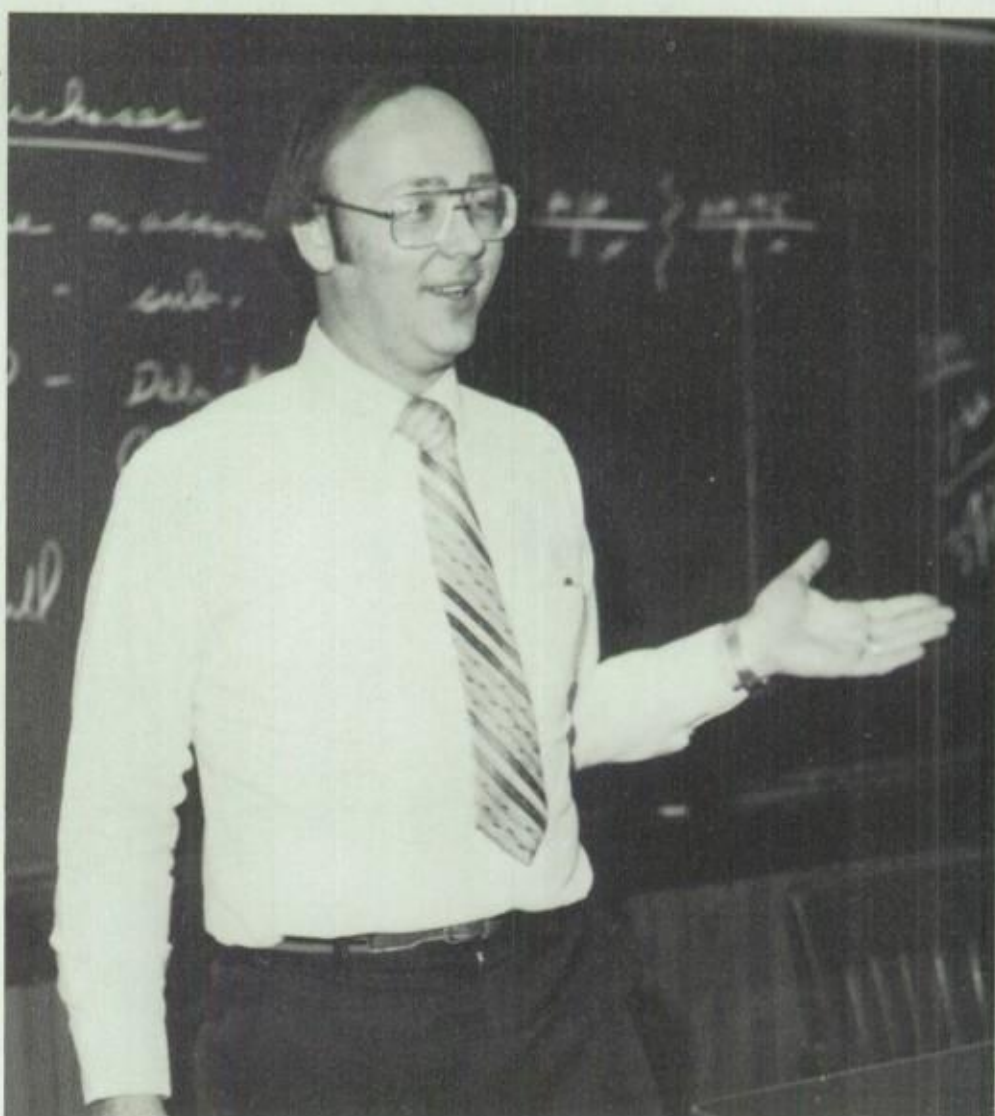

"Accounting classes are at the forefront of increased enrollment; there were 5 full accounting classes this year along with a very good advanced accounting class," Mr. Jeffery added, "but don't underestimate the other business courses. St. Rita graduates have received many business scholarships from many reputable colleges and universities that weren't just for accounting."

2

1. Mr. August Jeffery is the Chairman of the Business Department. He has an M.I.S.R. from Loyola.
2. Mr. William Dorrington teaches Money Management, and Accounting I and has been at St. Rita for 2 years. He has a B.A. from Northeastern Illinois University. He is the freshman football coach and sophomore basketball coach. He also moderates the Weightlifting Club.
3. Mr. Richard Grill has been at St. Rita since 1968. He holds a B.S. in accounting and is one of the school's fundraisers.

MARINE WORKOUTS TOUGHEN RITA STUDENTS

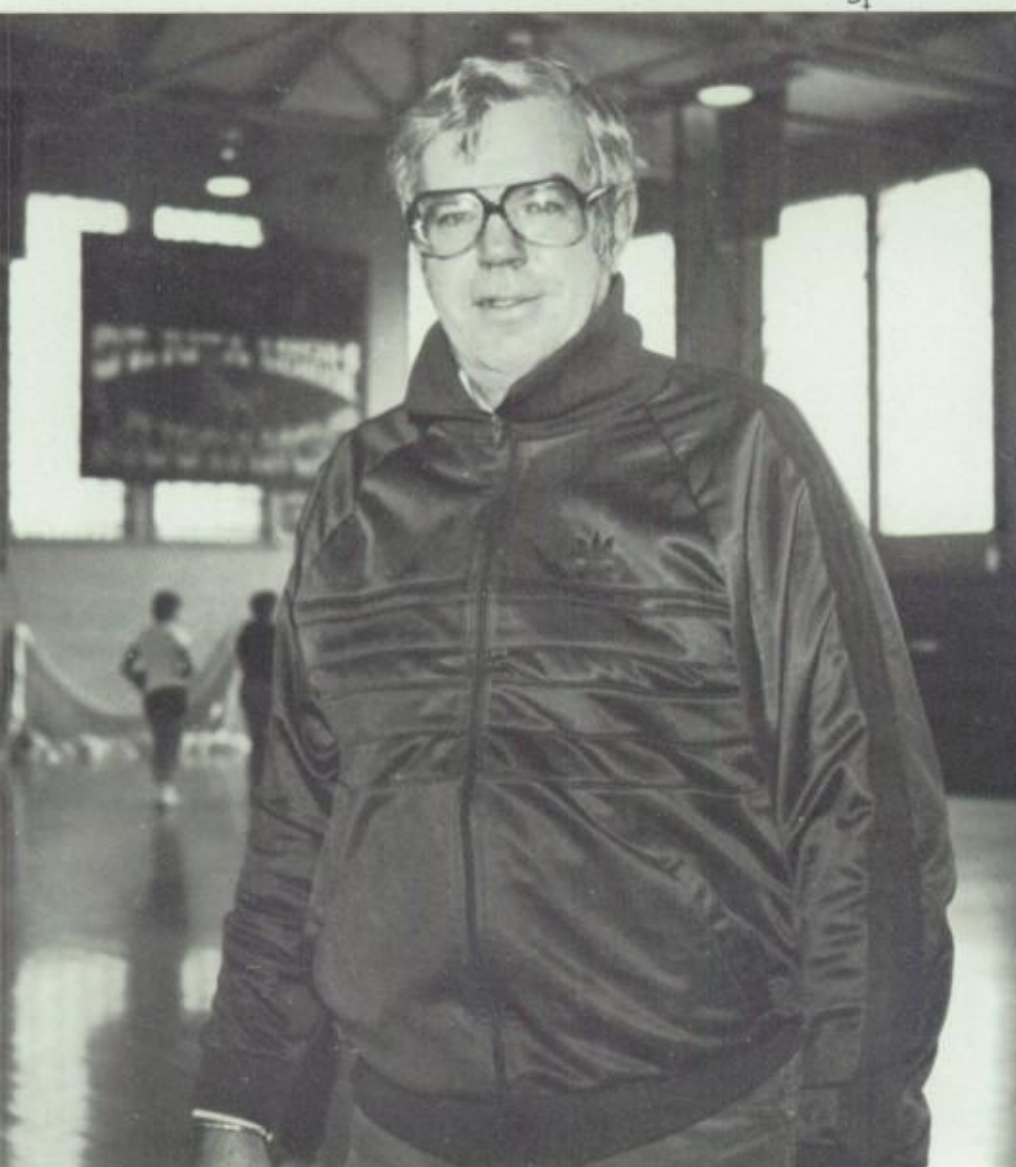

Gym classes have utilized the Marine Corps Physical Fitness Program to get students in top shape and teach self-discipline to the individual. "Classes at St. Rita are geared to keeping the students active and also to building up their strength by weightlifting," said Department Chairman Mr. James Segredo. "We can give the student the exercises, but he has to teach himself to meet his own goals by hard work."

Three separate parts make up St. Rita's gym classes: (a) calisthenics and running to shape up students; (b) basketball fundamentals to teach team sports; (c) weightlifting to increase body strength. "These workouts are really tough, but they get you in shape," said sophomore Mark Arteaga.

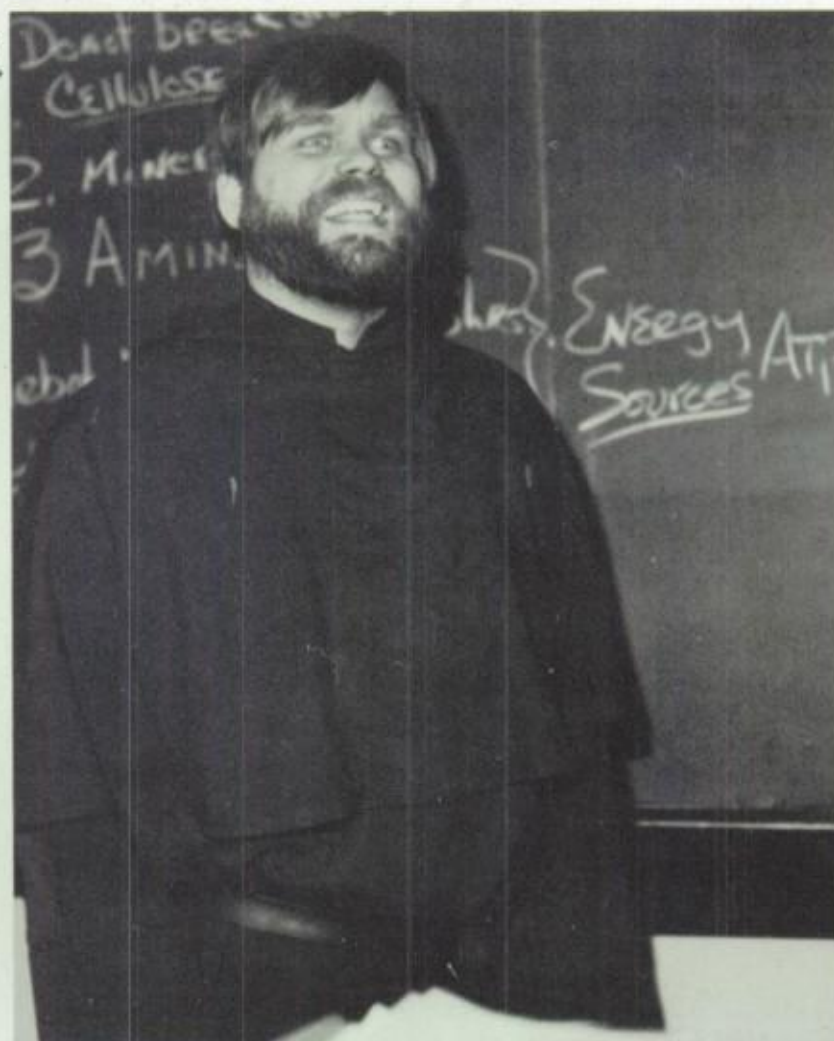

"There were no big changes in 82-83; all we look for is the steady improvement in the classes and in the shape and conditioning of the students," concluded Mr. Segredo.

3

2

1. Mr. Jim Angsten teaches physical education. He has been at St. Rita for 5 years. He has a M.Ed. from the University of Illinois. He is also a coach for varsity football.
2. Bro. Charles Domagalski, O.S.A., is in his 10th year at St. Rita and teaches health classes.
3. Mr. Pat Cronin is the head football coach and teaches physical education.

INDUSTRIAL ARTS ADDS VARIETY TO CURRICULUM

"Even though we are mainly a college prep school," said Mr. Joseph Bamberger, Director of Studies, "we try to provide some job training in fields like woodworking, drafting and architectural design, for future job opportunities."

29 year veteran Mr. Florian Dodge teaches drafting and architectural design, giving students hands-on training with architectural instruments and other tools of the trade.

Woodshop skills are taught by Mr. James Economakos. Students learn about various carpentry tools and materials, and acquire experience working with woodworking machinery.

"The classes teach a valuable trade and also help students to pursue a college education in engineering," Mr. Bamberger concluded.

1. Mr. Florian Dodge is in his twenty-ninth year at St. Rita and teaches Drafting I and II and Architectural Drawing.
2. Mr. Jim Economakos is the Woodshop and General Shop teacher and has been at St. Rita for thirty-one years.

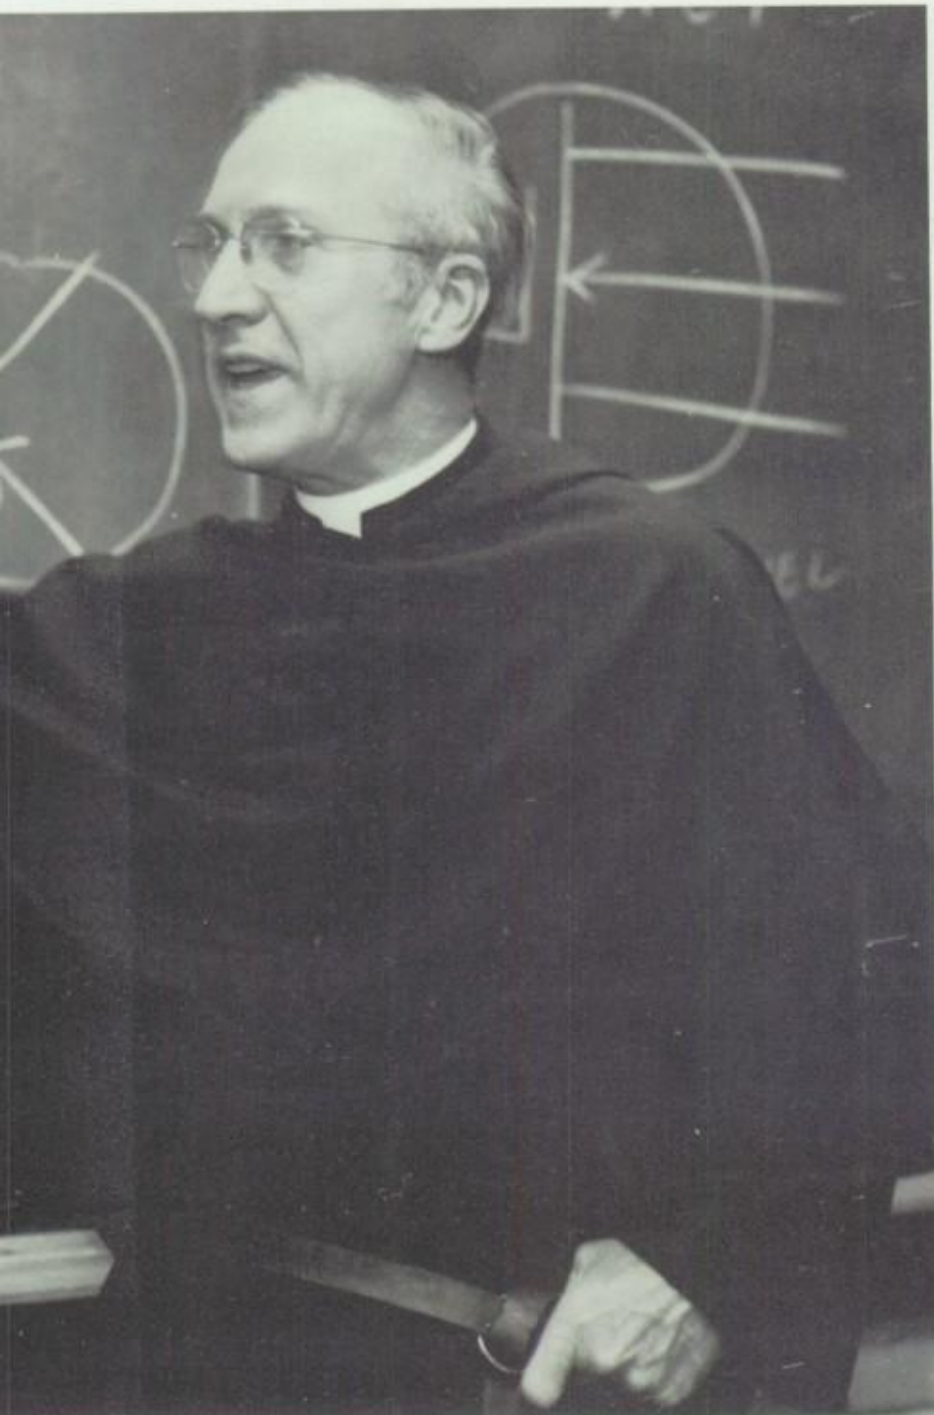

DATA CLASSES PROVIDE STRONG FOUNDATION FOR COMPUTER AGE

In the past the St. Rita Data Processing program has provided students with the opportunity to learn how to work with modern computers and at the same time gave them hands-on experience needed to prepare for a possible career in the computer field.

"Our Data Center has received a new, large-scale computer system, the IBM 360 model 50 with a 512K memory. Also purchased were two modern key punches, an IBM 129 and an IBM 029," stated director of the data center Fr. Casimir Pazera, O.S.A.

"We are constantly trying to update the center to make it capable of handling many different terminals, each with a diversified purpose," he continued. "If these additions can be obtained, St. Rita's program would provide an even stronger foundation for students interested in the computer field."

2

1. Fr. Casimir Pazera, O.S.A., teaches electronic science. He has been at St. Rita for 22 years. He has a B.A. from Villanova University. He is the Moderator of the Electronics Club.
2. Ms. Denise Keller teaches data-fortran. She has been at St. Rita for 2 years. She has a Ph.D. from Iowa State University.
3. Fr. Pazera helps Martin Deubler with a printout for Data Class.

COUNSELING "FOLLOW-UP" PROGRAM TO BENEFIT RITA STUDENTS

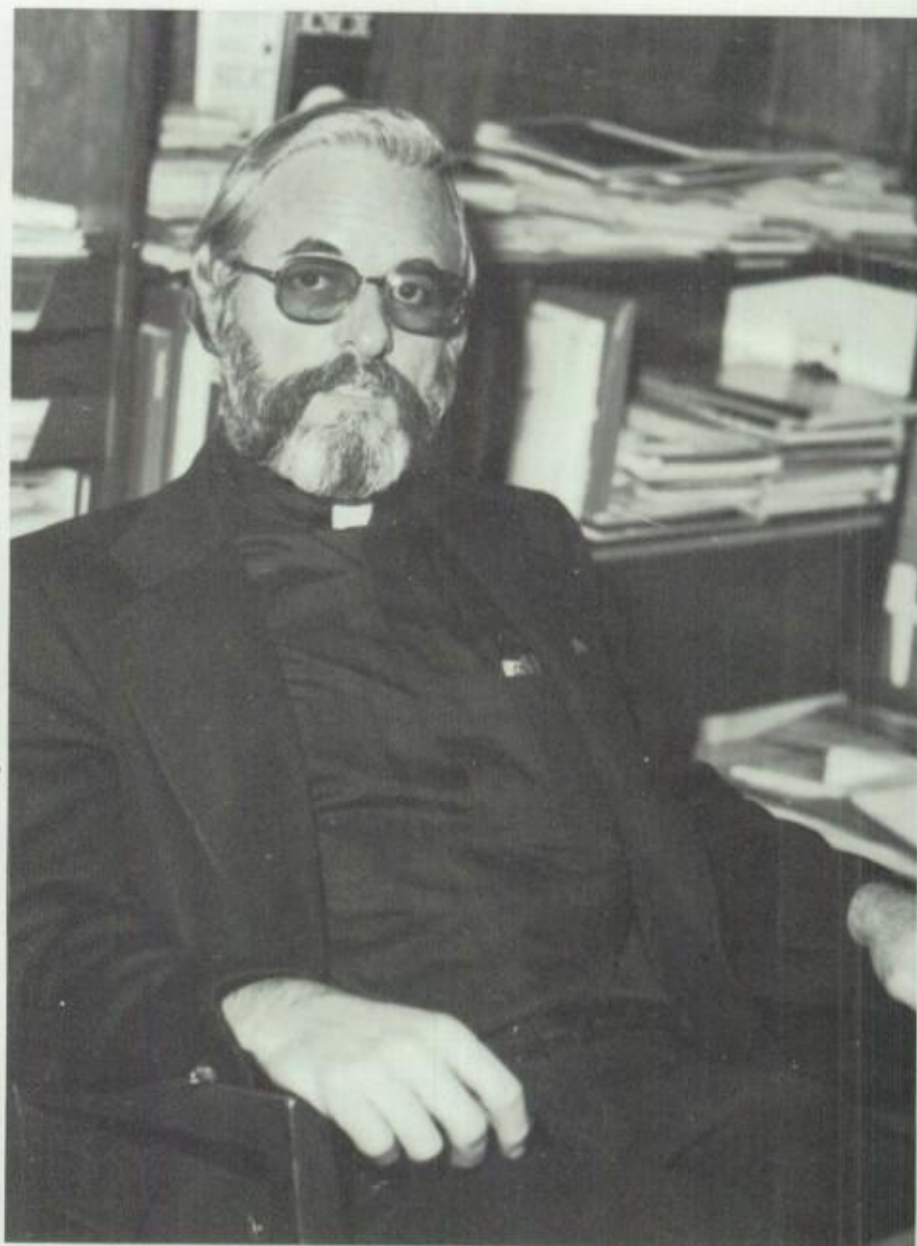

Reorganization of the Guidance Department will take place next year with the institution of a "followup" system of counseling. The system will allow a counselor to follow a graduating class all throughout the students' high school careers at St. Rita. Another change will be that there will be no overlap between the Guidance Department and the Admissions Office.

"The concept of the Counselor following up on a class is new at St. Rita, and hopefully it will produce positive results," said Fr. Roland F. Follmann, Chairman of the Guidance Department and Prior of the St. Rita Augustinians. "The objective of the department is to help the student with any problems he might have, and, by starting the follow-through program, we hope to make the counseling more personalized and friendly," continued Fr. Follmann.

"This past year Mr. Hofer was working in both the Admissions Office and the Guidance Office. Consequently there was an overlap of work between the two offices; Next year, however, he will be a counselor on a more regular basis," continued Fr. Follmann.

Some changes that took place this year were the addition of Fr. Ronald Turcich to the guidance office (Fr. Turcich is also a typing teacher) and the move of Fr. Follmann's office to the main office. "Before, most students did not know where my office was, or they never saw it. However, now that my office is in the main office, students know where it is and can easily drop in and see me," said Fr. Follmann.

Another change that occurred this past year was the start of a "student attrition" program designed to help failing students adjust to high school. This program uses upperclassmen to help the freshmen and sophomores. Started by the Admissions Office, this program will be continued by Mr. Hofer and the Guidance Office.

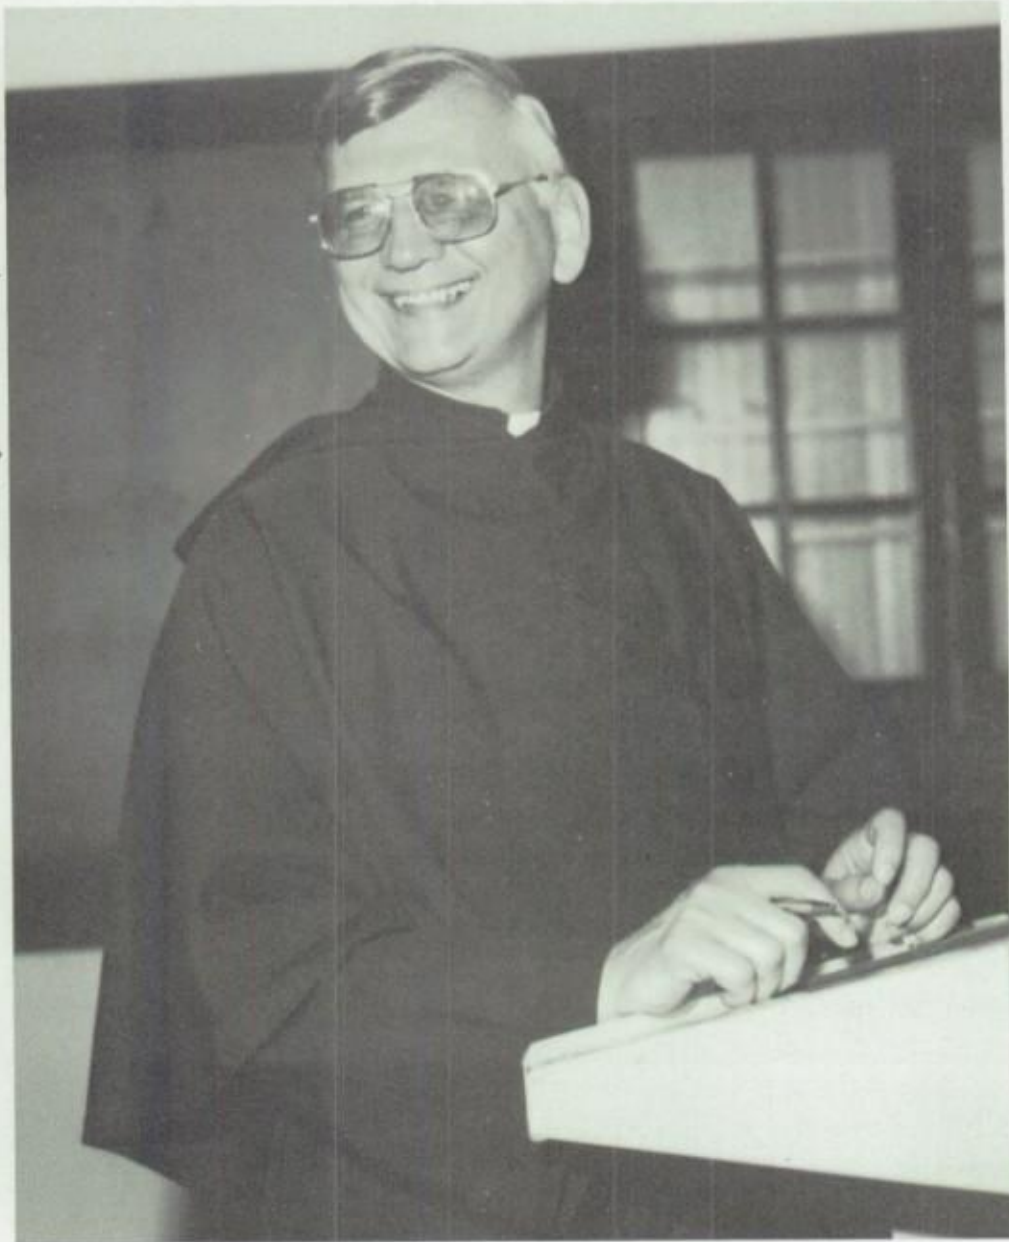

1. Fr. Roland Follmann, O.S.A., is the Guidance Director. He has been at St. Rita for 16 years. He has an M.A. from Villanova University.
2. Mr. James Elijah is a counselor. He has been at St. Rita for 3 years. He has an M.A. from Northwestern Illinois University.
3. Mr. Roman Zalatoris has been in the Guidance Department for 29 years. He has an M.A. in counseling and an M.Ed. in counseling from Alfred Adler Institute and Depaul University.
4. Fr. Ronald Turcich, O.S.A., is a counselor and teaches typing. He has been at St. Rita for 2 years. He has an M.B.A. from Notre Dame.
5. Fr. Mario Porreca, O.S.A., is a counselor and has been at St. Rita for 19 years. He has a M.A. from Catholic University.
6. Mr. Guy Hofer is in the Guidance and Counseling Department. He has been at St. Rita for 12 years. He has a M.S. from Chicago State University. He is also the Head Cross Country Coach.

STUDENT SERVICES NECESSARY FOR SMOOTH OPERATION

Many times the people that provide Student Services such as librarians, cafeteria workers, and AV workers are sometimes taken for granted or forgotten just because they are not actually standing in front of a class of 40 students every day. However, without them the school would not function as smoothly as it does.

The bookroom, for instance, provides an easy and affordable way for students to buy the text books necessary for their classes, not to mention required reading books for English throughout the year.

The cafeteria helps the students maintain a balanced diet at an economical cost. The students would be forced to "brown bag it" with cold sandwiches every day if the cafeteria didn't exist; instead students are able to choose from many warm meals.

Ms. Rae Alford, head librarian, helps students collect information for essays students must write, while she provides a quiet atmosphere for study. The library is an important source of information for classes that require indepth study.

The audio-visual department helps provide teachers with slide shows and movies so that they can enhance their teaching methods and perhaps help the students understand a topic more easily. "I try to provide well serviced machines to the teachers so that they can create a better learning experience for the students," said Mr. John Stobba, AV department head.

1. Fr. Van Thienen, O.S.A., is in charge of the book room. He has been at St. Rita for 29 years.

2. Mr. John Stobba, O.S.A., is an Audio Visual Coordinator. He has been on the staff for 26 years. He has a B.A. from Villanova University.

3. Ms. Debora Rae Alford is the head librarian in her sixth year at St. Rita.

4. Mrs. Lorraine Lococo, assistant librarian, is in her 17th year at St. Rita.

MAJOR PROJECTS MARK BUSINESS MANAGER'S FIRST YEAR

In his first year at St. Rita, Mr. Mel Ahrens, Business Manager, has found himself very busy with school duties. During the 1983 school year, Mr. Ahrens has improved the physical appearance and security of the school by installing new windows in Alumni Hall, repainting the Yellow Room in Alumni Hall, renovating the St. Rita Stadium, and updating the key system in Egan Hall.

"I don't look at it as just a 9 to 5 job," said Mr. Ahrens, "I look at it as a hobby. I enjoy working with the students, faculty, priests, and brothers; there's a lot of togetherness at this school," he said.

Before coming to St. Rita, Mr. Ahrens managed a group of high rise apartments in the Loop area. "The work here is somewhat similar to the work I did at the apartments. It was an easy transition."

Next year's major improvement will be the complete renovation of the Chapel Building. "We don't have any very large projects for next year besides the Chapel renovation. We plan to take one day at a time," he concluded.

MUSTANGS TAKE LEAGUE

St. Rita's 1982 Mustangs' season was a success according to athletic department chairman Mr. James Segredo. The team won the Catholic League title icing it by beating St. Laurence and then advanced to the state playoffs finishing among the top 8 teams in the state.

"Going into the season the team was not ranked in state and was only ranked to finish third in the Catholic League. However, the team sparked by excellend junior starters and outstanding senior leadership, was able to prove the rankings wrong and make it to the state playoffs," commented Mr. Segredo.

Leading the Mustangs this year were all-area and Catholic League all stars Joe Jenkins, Tom Lynch and Tim Murney. Joining them on the Catholic League All Star team were Brian Coe, Ed Gannon, and Bradley Price.

"This year's seniors really showed great pride in themselves and the desire to win," said Mr. Segredo. "They also helped the juniors become better prepared for their season."

As for next year's team the Mustangs should be highly ranked considering the quality of the returning seniors. Also the games against Mr. Carmel and St. Laurence should be indicators as to how well the 1983 team should finish.

SENIORS POWER TO SECOND IN LEAGUE

"I wished we could have had a better season and possibly win 20 games," commented head basketball coach Mr. Mike Walaszek. "However we did finish strong and made it a very successful year despite some drawbacks."

Overall, the year was successful for the Mustangs who posted a 17-9 record and a 2nd place finish in the Catholic League.

St. Rita was led by Kenton Terrell, the Mustangs leading scorer, team captain and McDonalds All Star Team. Joining him were Shawn Balark, captain of McDonalds All Star team, and Seniors LeVoya Kerr, Eric Whitaker, and Mike Miller.

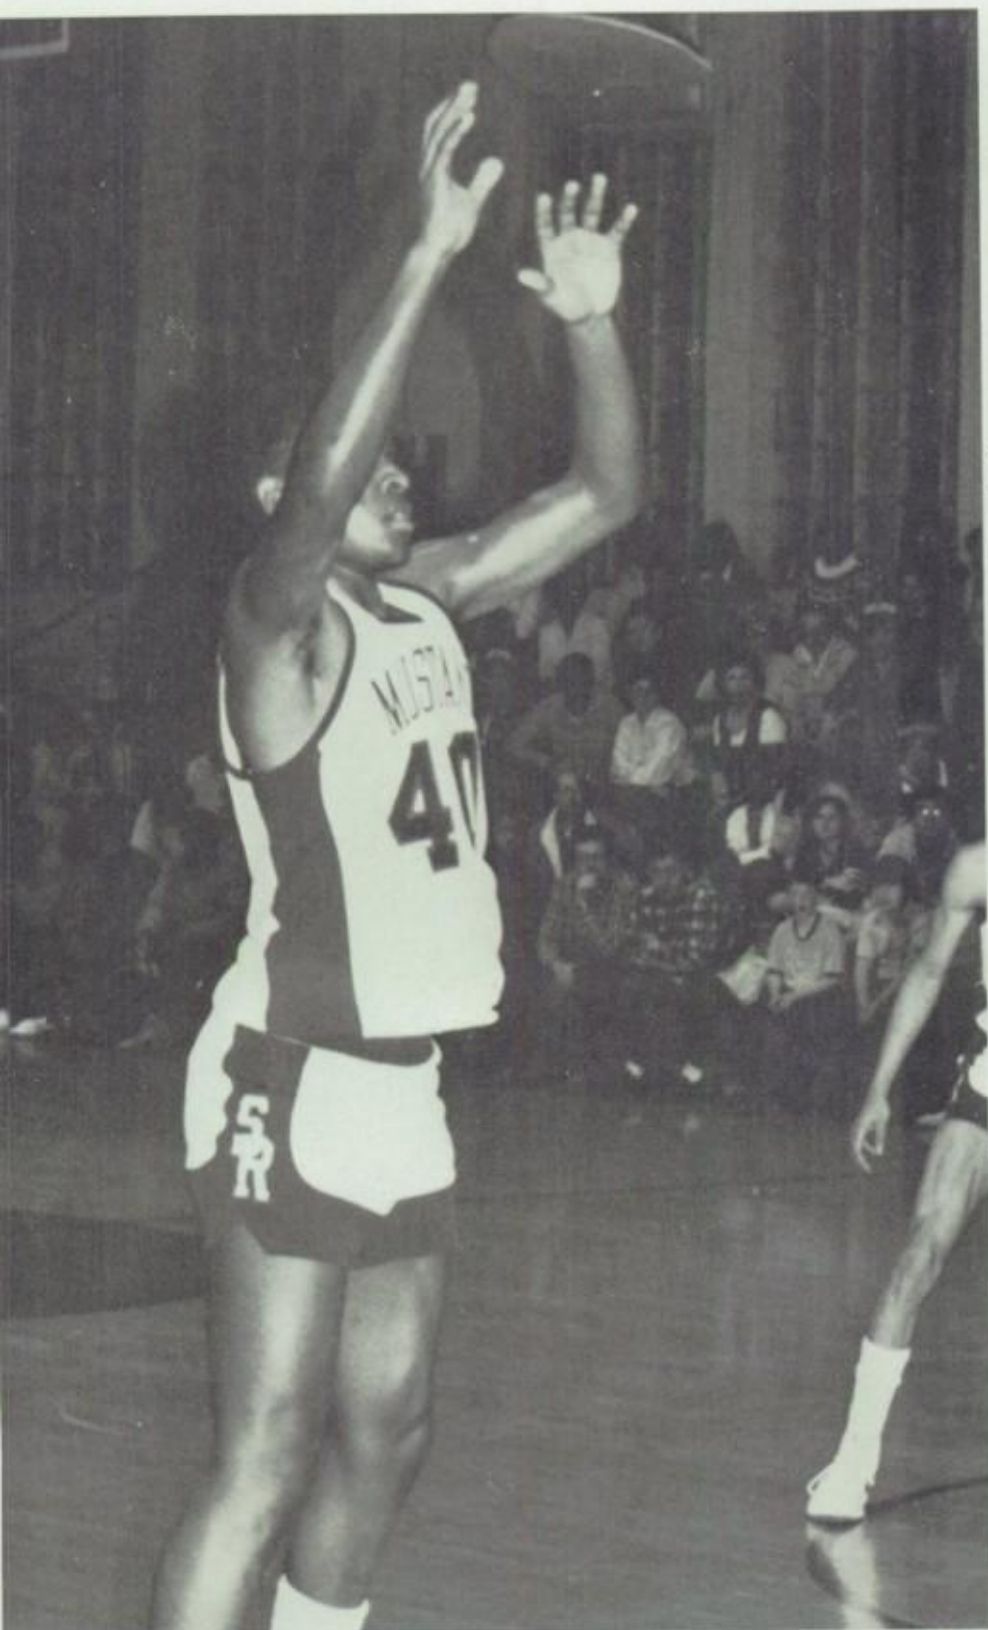

The efforts of the senior players were rewarded in the form of college scholarships. Eric Whitaker received a 4 year scholarship to the University of Missouri, Shawn Balark received a 4 year scholarship to Chicago State, LeVoya Kerr will play for St. Ambrose, Eric Whitaker for Granell, and Mike Miller for St. Mary's College.

"Next year's team will be young and competitive and I should finish well in League play," concluded Mr. Walaszek.

STRONG FINISH BUT COACH DISAPPOINTED BY SEASON

Coach Jim Misiore remarked that the 1982-83 hockey season was "marked by a strong finish, but both the players and I were disappointed by the 4th place state finish." The team was very strong this year as they finished as Catholic League Champs and second in the Kennedy Cup tournament.

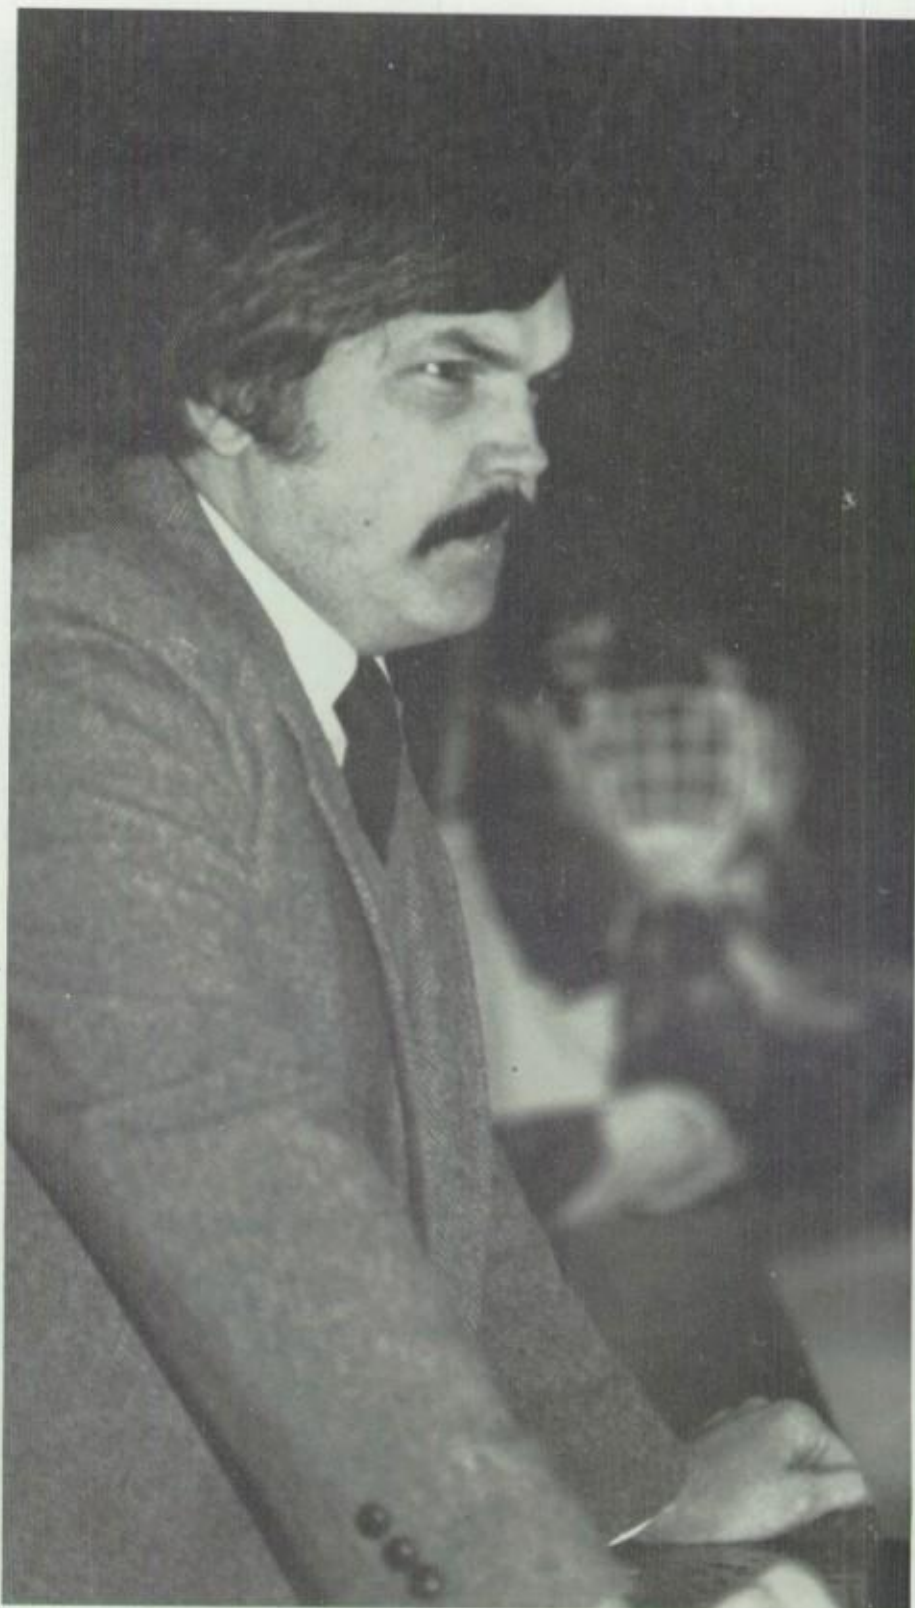

The fan support was very enthusiastic during the Kennedy Cup and the state tournament. The fans "fired-up" the team during these important games. Two team members were named to the All-State team. "Scott Paluch was co-winner of Defensive Player of the Catholic League award, along with membership on the 1 state team," remarked Mr. Misiore. "Brian Sabatino was also an all-state team member," continued Coach Misiore.

"Next year there will be 11 returning seniors who are good strong players," concluded Mr. Misiore, "and with them we hope to finish as well or better next year."

LEAGUE TITLE SNATCHED FROM #1 RANKED MUSTANGS

Ranked #1 in the state and city by the Chicago Tribune and Southtown Economist, the baseball team was disappointed by a 3rd place finish in the Catholic League. "We were very disappointed with the loss of the League championship, but in each of the losses we only lost by one run," stated head baseball coach Mike Moyzis.

This year's team was led by senior shortstop, Tony Michalak, who is ranked as the 13th best player in the U.S. by U.S.A. Today Newspaper, All-State and All-American. Also senior pitcher, 1st baseman Jay Lyall received honorable mention as an all-state player. Michalak and Lyall were joined by Bill Gardner and Bob Wilkosz as Catholic League All-Stars.

Being ranked #1 through most of the season has a positive effect on the players, according to Coach Moyzis. "It was a positive challenge to us to beat teams that wanted to knock us off, by beating us they make their season; sure we were disappointed with not winning Catholic League but winning the Lockport Tournament, beating state ranked teams, and being ranked #1 were our high points of the season."

Next year's team will remain "Just as successful." This year's sophomore team were Catholic League champs for the third consecutive year and the freshman team finished 18-8. Also next year's team will have 4 returning starters while losing 5 starters to graduation.

CROSS COUNTRY

POSTS

BEST SEASON IN HISTORY

This year was a standout year for St. Rita Cross Country: the Running Mustangs sent its first individual downstate and had its best IHSA sectional finish. "John Herlihy's trip downstate was a big step for the program," said head cross country coach Guy Hofer. "He not only advanced downstate but finished well enough to be named all-state. Our 10th place sectional finish, behind Herlihy, Mike Villa, Jeronimo Reyes, Bob Arteaga, Chris Koczwar, Barry Federici and Eric Welch was the best in our school's history. We were only five places away from going downstate as a team."

"Our success was basically due to three factors: hard work on the part of the whole varsity, belief in the program, and depth, which proved very important after we lost two starters, Terry Childers and Ed Herrerias, by the end of the season," continued Coach Hofer. "However, we were hampered by inconsistency because we had no set strategy going into a race. Our runners would race with different strategies throughout the season and had varying results."

The sophomore and freshman teams also found success this season. The sophomores placed fourth in the Catholic League with Tom Garvey, Matt Stapleton, Sal Passament, John Barrett, Ed Hurley, Armando Rosas, and Ed Hurley. Rita's frosh pushed to third 1 in the league with Armando Vega, Bob Dvoran, Brian Dreger, Phil Reyes, Jesse Vera, Tony Chico and Dan Sowa.

TRACK SPRINTS TO STATE

The St. Rita Varsity Track Team had a very successful year as it finished 3rd in the Catholic League and also sent 2 individuals and 1 relay team to the State Championship Meet in Charleston.

"I thought we had a very fine year by qualifying individuals and a relay team for the state meet and also we had some strong individual performances over the year including a strong performance at the Catholic League Outdoor Championships," said head coach Mr. James Segredo.

The St. Rita Running Mustangs were led by John Herlihy, Steve Kirwin, Charlie Cade, Mike Staudacher, Chris Collier and Tommy Payne. At the state meet Steve Kirwin finished 4th in the 300 meter low hurdles and 9th in the 100 yard dash, Charlie Cade finished 9th overall in the 200 meter dash, also qualifying for the state meet was the 400 meter relay team of Jim Gorski, Steve Kirwin, Charlie Cade, and Bradley Price.

Despite the fine performance of the team the Running Mustangs were hampered by the injuries to Mike Staudacher, John Gremer and Chris Collier. "They were key people to our team but their injuries forced people to adjust to different events," said Mr. Segredo.

SENIORS LEAD TENNIS IMPROVEMENT

"Tennis this year was better than last year," Head Coach Mr. Norb Lasky said. "There was an overall improvement from last year, led by 5 senior varsity members." Kurt Aglynas was one of the main leaders of the varsity team, as we placed 3rd in the Catholic League, one place up from last year." The most improved player was Tom Healy — a senior and 4 year member of the team.

The frosh-soph team placed 3rd in the Catholic League, keeping on a steady course with last year. Excellent coaching by Mr. Arena and good performances by Kevin Kelner and Dwayne Morris helped the team. Kevin and Dwayne also filled out the varsity¹ team.

"The play-offs went well," reported Mr. Lasky. "This is the first year that we beat Br. Rice and St. Laurence."

RITA SOCCER AN ILLINOIS POWERHOUSE

St. Rita's soccer team has grown in the past 3 years from a struggling and developing program to an Illinois soccer powerhouse. Led by Bro. Frank Paduch the soccer team has an 1983 record of 15-5, second place finish in the Catholic League for the second year in a row and is ranked as one of the top 16 teams in the state. "We were very pleased with our accomplishments this year and attribute this to having the strongest defense in the state and also strong senior leadership," commented Br. Frank.

St. Rita was led by seniors Juan Lepe, John McCluskey, Fabian Sorrendeguy, In Sik Yun, Pete Assensi and also junior John Niestrom, who is praised by Br. Frank as showing great fundamental skills and also as a future all state player.

Another factor contributing to the success of the soccer team was the help and dedication of Coach Assensi, who is Coach Paduch's right hand man. "Our soccer team would not have been as successful without Coach Assensi," stated Br. Frank.

Another important feature this year was the start of a freshman team. St. Rita has never had a freshman team before because of lack of interest; however, this year interest was great enough to start a freshman team along with continuing the J.V. team. The frosh team was coached by Mr. Jack Ferraro and Mr. Emil Radosztus," Br. Paduch said. Coach Ferraro started from scratch and through dedication and discipline in himself and his players stablized the freshman program."

Head Coach Bro. Frank Paduch watches the game intensely.

GOLFERS GAIN NEEDED EXPERIENCE

The 1982-83 golf team finished well this year. They placed 9th in the Catholic League. Coach Gene Sweeney said, "The year was not as successful as I wished it would have been, but all of the golfers gave it their best shot."

Next year's team will be stronger since there will be more experienced players returning. This year's team was mostly underclassmen. "There were two seniors who did a very good job of leading the team. Thomas Houlihan and Bill Manning will be missed next year," remarked Coach Sweeney.

82-83 A LETDOWN FOR EX-BOWLING CHAMPS

"Disappointing" was the response of head bowling coach Mr. Ron Nowak when asked to describe the varsity team season. "After winning the Catholic League championship in 81-82, we thought we could repeat with all but one senior on the team this year."

As for the 1982-83 season, the varsity finished in second place and the j.v. team finished in fourth place, after being the

1981-82 j.v. Catholic League champions.

The Striking Mustangs were led by seniors Ed Gerald and Bob Haugh, both of whom held the highest averages in Rita history.

"Ed's and Bob's averages of 180 were the highest in all the years I have been at St. Rita," said Coach Nowak. "They both did a fine job as did the rest of the team."

SELECTIVITY PRODUCES K OF A SUCCESS

"I was very pleased with the way the quality of this year's members was so high," commented spiritual director of the Knights of Augustine fraternity, Fr. Tim Deeter, O.S.A.

The success of the K of A was attributed to the total participation of members and the selectivity of the fraternity. "During the year our membership stayed the same because we were very selective when choosing new members; we looked for quality and not quantity," said Fr. Deeter.

"Every year we would like 100% attendance at our fraternity meetings because without the commitment of our members, we cannot have a successful organization," continued Fr. Deeter. "This year I feel we had a deeper commitment because of the high attendance at our meetings and the quality of our members."

The K of A's annual retreat is always the highlight of the year. "This year we held our retreat at the St. Meinrad Archabbey in Indiana," said Fr. Deeter. "All of the members were very happy with the experience, and each learned something that will help them build character in himself and in the fraternity."

NHS, SNHS, ISS CONTINUE "HONORS" TRADITION

"In the past the National Honor Society has worked hard, but this was the most active society I have ever seen," said Mr. Joseph Bamberger, moderator of the National Honors Society. "They were a great group and did what a good NHS should do throughout the year."

Eighth grade registration, parent/teachers night and the entrance examination were just a few of the many activities that the NHS helped to make a success. "The NHS did a great job in all of the school activities as well as raising over \$400.00 for the Kennedy School for Handicapped Children," said Mr. Bamberger. "They really deserve the title of a National Honors Society."

This year's NHS was led by Dave Craig, President; Mike Miller, Vice President; John Gremer, Secretary; and Tom Everett, Treasurer. "All of them did a fine job organizing the NHS and should be very proud of their accomplishments," stated Mr. Bamberger. "Next year's group will have a difficult time bettering this year's accomplishments."

St. Rita's Spanish National Honors Society has been in existence for two years and is "coming together rather nicely," commented moderator Ms. Susan Junkroski. "But I am a little disappointed in the number of students that showed interest in the SNHS; I hope we can stir up interest in the club next year."

The SNHS was under the leadership of officers Alex Mojica, President; Jon Lorenz, Vice President; Brian Kureja, Secretary; and Tommy Payne, Treasurer.

Like every year, the Illinois State Scholars were chosen by the state on the basis of a high ACT exam and a good grade point average. "This year there were 35 more ISS than last year; we would like very much to keep this high success rate of the seniors earning ISS recognition," said Mr. Bamberger.

CHESS HITS BEST SEASON IN HISTORY

The 1983 Chess Team, under moderator Norbert Lasky, had its best season in the history of the club. The Mustangs romped undefeated through the entire regular season 10-0 and finished the South Section competition as champions after 36 consecutive match victories in four years.

"We went to the Catholic League Championships with one thought in mind," said Mr. Lasky, "'Beat Fenwick'." and so they did, defeating the perennial North Section powerhouse while having the five Rita starters named to the All-Catholic League Team (top 10 individuals in the Catholic League).

Rita advanced to the State Playoffs ranked second "because we were undefeated all season long, not to mention the two seasons before that," commented Mr. Lasky. The team finished as predicted, taking second place 5-1, behind Evanston High School, "the best finish ever of any Catholic League team in state competition," Mr. Lasky continued. Four of the eight chess players were named to the All-State Team (seniors Jerry Jungman, Karl Drunga, Bob Spontak, and Bill Gaudry), while Bob Spontak and Jurgis Drunga received awards for going undefeated in the tourney.

CARD AND GAMES GOES TO "WAR"

This year's Card and Games Club underwent a little face lift and was renamed the Wargames Club "to give greater emphasis to the actual games played," said Mr. Edmund Brongiel, moderator of the club this year. Attendance in the club has risen by about 12 members over last year, and "one of the main reasons for the increase, I think, was the name clarification," commented Mr. Brongiel. "Students understand more clearly what we are doing."

The club, under president Mike Gutt, uses basically three types of game styles: Role-playing games, board games, and games employing the use of miniatures.

Role-Playing games, like Gamma World and Dungeons and Dragons, were run by dungeon master Tom Ryng; board games were brought in by many of the members of the club for all to use such as Circus Maximus and Risk; and the Miniature games were run by Dave Hodo. The miniatures are used to represent men and arms in tiny battle on land and on the sea. Dice are used to determine the outcome of the battles.

NEW MODERATOR PLUGS IN GUITAR

"The Guitar Club has to be better organized, then we will get a better response from the student body," said First Year Moderator Mr. Don Gray. "The club expanded this year," said Mr. Gray. "It became a 'band' and played several junior highs. The club members earned valuable experience with equipment like mixers and equalizers. Mike Popp, our lead singer, had a key role in leading and organizing the club," Mr. Gray continued.

Mr. Gray also felt good about the Rita Music Show in which the Gitar Club played. He said, "It was good, but in its first year it had some problems, of course. Basically, the acoustics of the gym were poor. It was a successful experiment but must be improved with PA equipment."

GOOD RECRUIT- ING SHARPENS CHORUS MUSIC

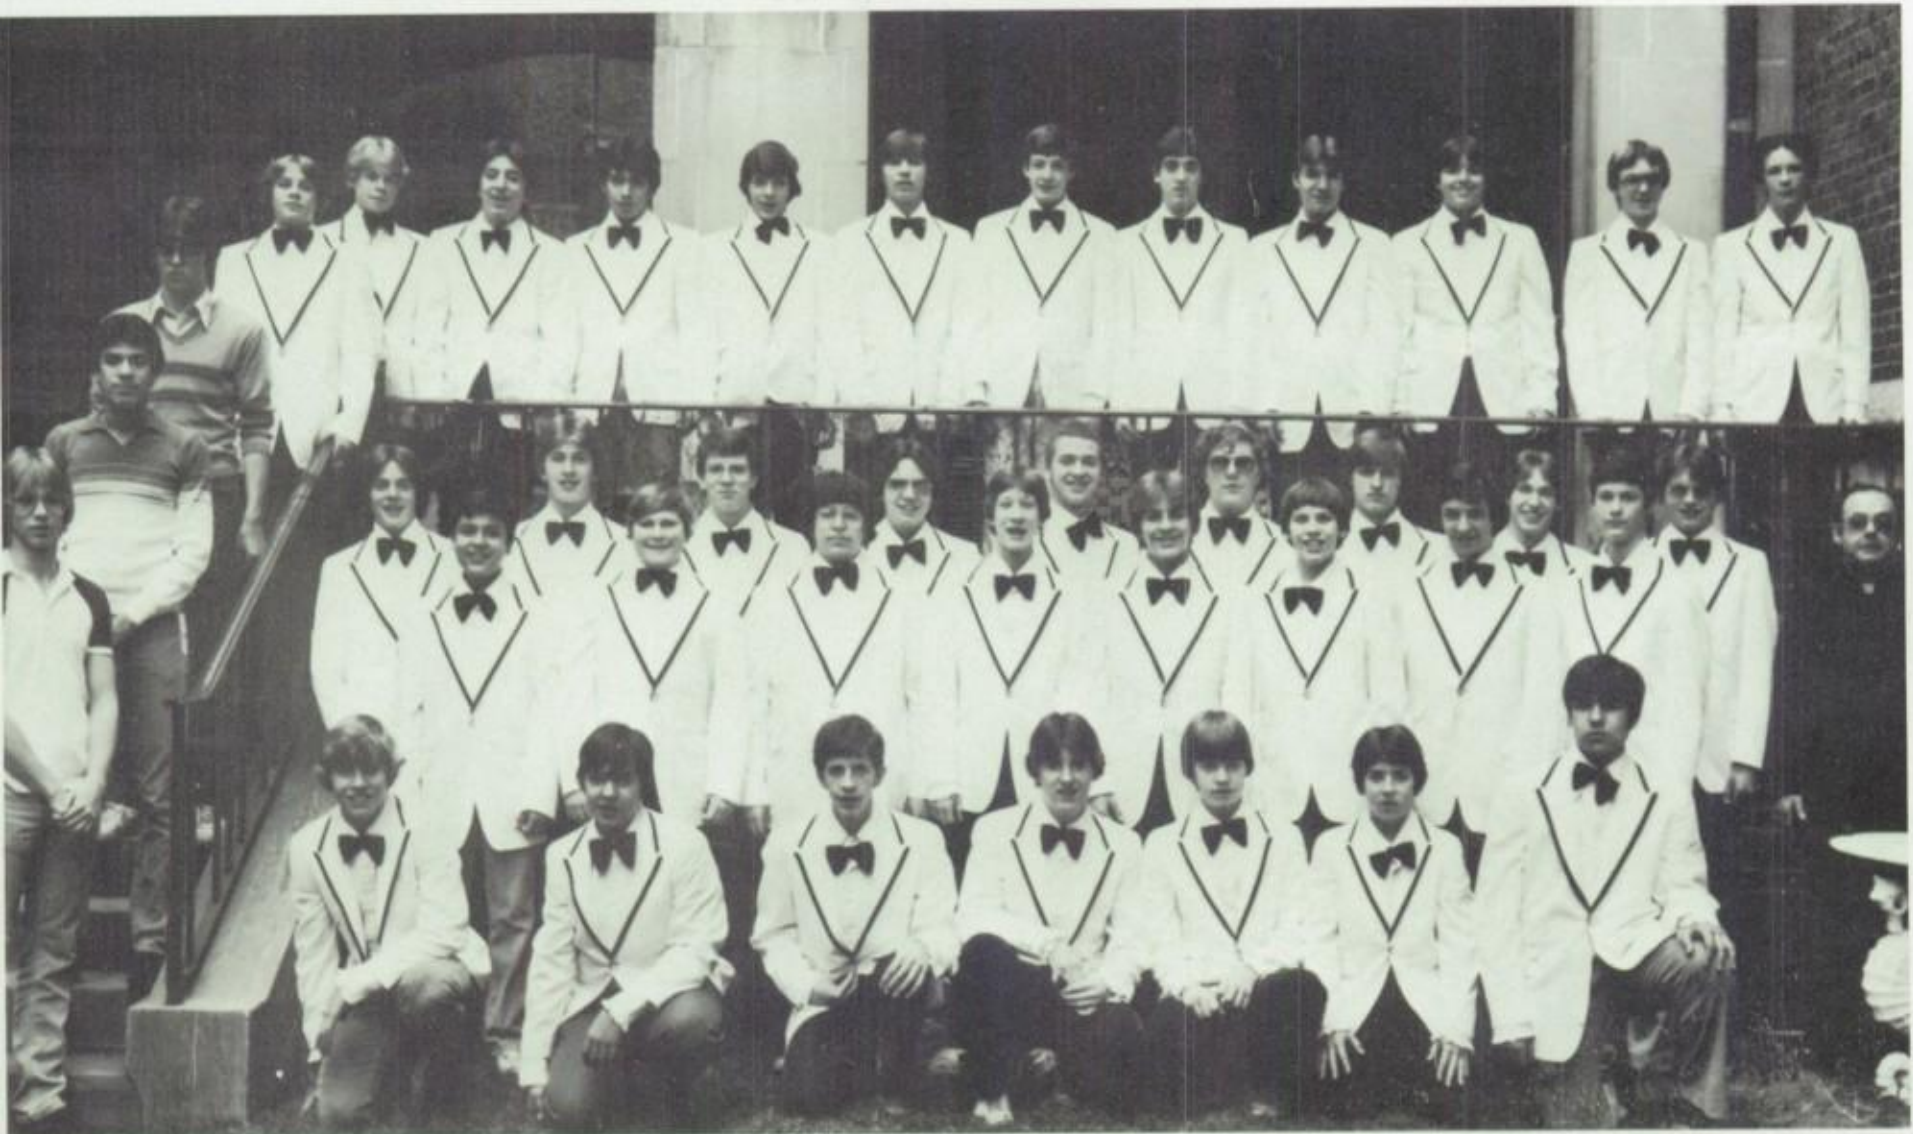

"I was very satisfied with the performance of the chorus this year," said Br. Mark Thedens, O.S.A., chorus moderator. "They cooperated magnificently throughout the year and displayed a great willingness to work."

"This year we had to replace a number of people because of graduation, but it turned out very well for us with good recruiting and fine new members," stated Br. Mark.

"Their devotion made this one of the easiest years for me to direct the chorus, and I am proud of each and every one of them," he continued. "The chorus did a super job while performing at the Alumni Mass, the Junior Mother Son's Mass and the Spring Festival."

"Hopefully next year we can have an equally good turn out of members and continue the success we have had in the past," Br. Mark concluded.

HIGH AWARDS FOR BAND AND RITANETTES

"They were an outstanding group of musicians, and they really outdid themselves throughout the year," was the praise offered by band moderator Br. Mark Thedens, O.S.A.

St. Rita's Marching Mustangs continued to prove that they are one of the top bands in the Chicago area. The Marching Mustangs took 2nd place in their Music Bowl division, won the Stagg H.S. Invitational (the Ritanettes were named top Auxiliary Unit at this invitational), won the State of the Arts Concert Band Class A title. Capping off the organizations accomplishments were the Ritanettes who took 4th overall at the National Winter Guard competition in Dayton, Ohio.

"We attribute our success to the fine senior leadership and the hardwork that was done by all the members," stated Band Director Mr. Louis Ricci. "Unfortunately we will be losing a fine group of seniors and next year will be a rebuilding year for us; hopefully we can recruit more from St. Rita and build up the band to bigger size and continue our successful tradition."

CHEER-LEADERS AND PEP CLUB

"One of the most important parts of a sport is fan participation," said Ms. Susan Whooley, cheerleader moderator. "If the fans don't get the team going there's a big chance they'll lose. We help the fans get incentive," she continued.

This year's cheerleading squad contained several new members but managed once again to be one of the highest ranked squads by the United States Cheerleading Association. "I'm very proud of these girls; they do a great job," said Ms. Whooley.

The Rita Pep Club plays a key role in the outcome of games and the morale of the students. "If the team is falling behind in a game, the fans have to show them they're still on their side," said Pep Club moderator Mr. Mike Kisicki. "You've got to show the other team you know you're going to win."

ELECTRONICS MEMBERS LEARN BY DOING

"Always something to do" is the way Electronics Club members and president Mike Pertel responded when asked to describe this year's club. "For us to understand how things work, we must get first-hand knowledge whether it's building something or just repairing it."

Moderator Fr. Casimir Pazera, O.S.A., believes that the students must "learn by doing. For the students to understand anything they must do it themselves," said Fr. Pazera.

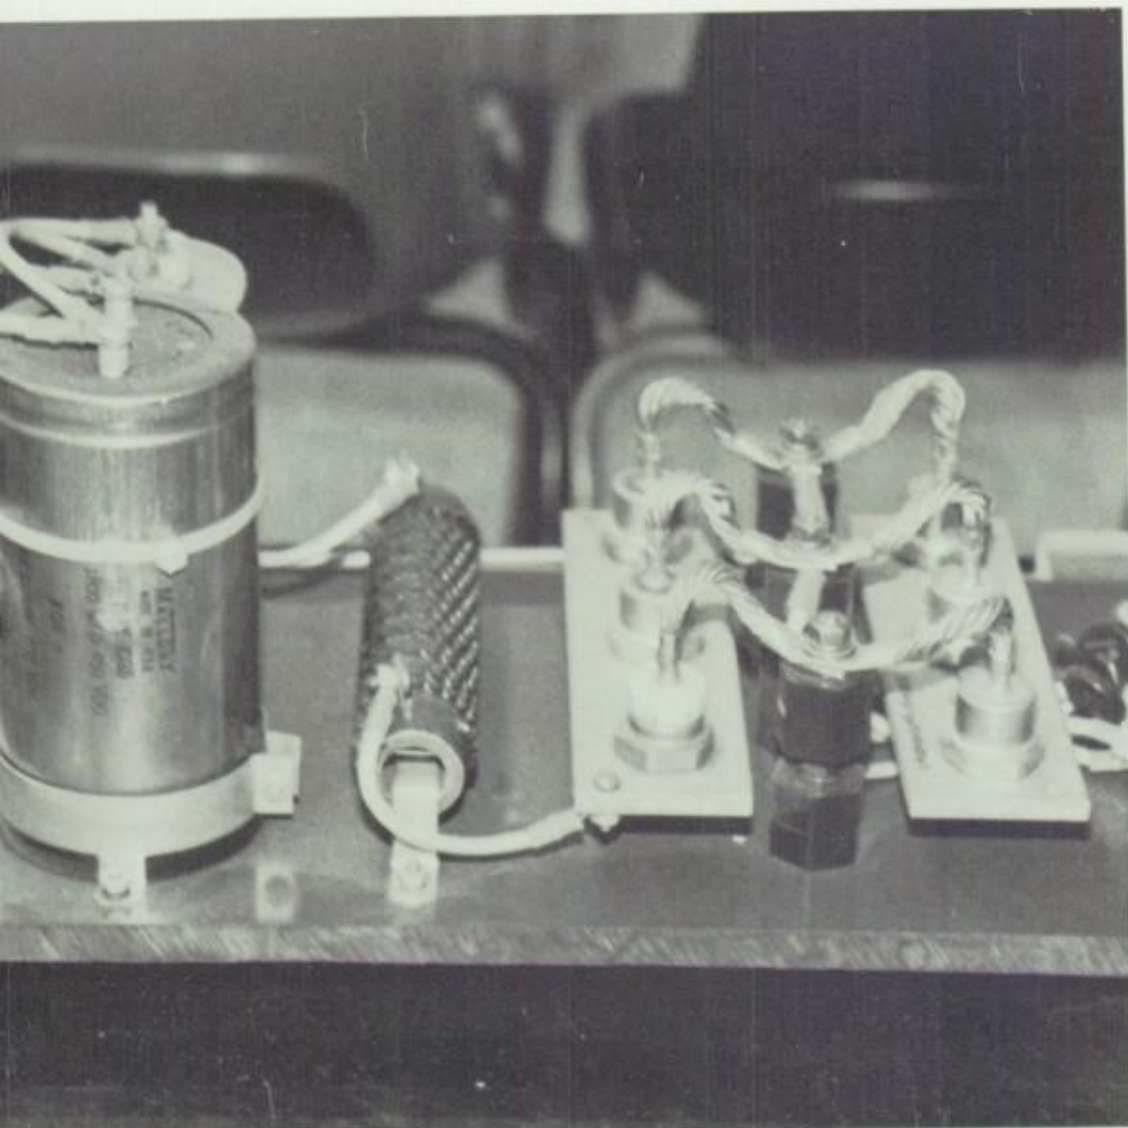

"Everyone has a free opportunity to learn; nothing is forced on a person," continued Mike. "I'm glad we have the chance to use and understand the basics of electronics."

SCIENCE CLUB JOINS FIRST COMPETITION

"We had a great group of kids that really showed interest in a very large and exciting field," said Science Club moderator Mr. Don Krystof.

This year the science club entered a bridge building contest at IIT, hoping to further interest in the club. "At the competition we got to see many different bridge designs and get the feel of what it's like to compete on a scientific basis," commented Science Club member Dan Berry.

"Hopefully, contests like the bridge building contest and others will generate interest in our club," concluded Mr. Krystof.

WEATHER MELTS SKIERS HOPES

According to Fr. Neis, "this year would have been successful if we had more snow and if it was colder. The club did not have many trips because it was so warm." I've had to cancel 5 trips," commented Fr. Neis. "We only went to Alpine Valley once this year."

Membership of the club was large, but the skills of the members go unproven because of the lack of outings.

KARATE MEMBERS EARN YELLOW BELT

The basic accomplishment of this year was the attainment of the yellow belt by several members. "This is the highest anyone in our program has risen. Outside of that, this year was pretty much like last year. We started off the year with 5 members and finished it with 10. The teams coach, Chuck DeLeRiva, acted as moderator most of the year because I was coaching soccer and track," said Mr. Ferraro. "Chuck was supervisor of our meetings on every Wednesday. PROBLEMS TURN OFF AUTO

The Auto Club in its second year was suspended because of two problems: lack of an active moderator and lack of facilities in winter. "The club really didn't serve the members," said Activities Director, Mr. Mike Kisicki. "Most of the equipment ended up at Mr. Heim's house. Mr. Heim (the moderator) was too busy with work to do much work with the club. Also, the lack of facilities hurt the club in the winter because they couldn't work outside." The club is suspended until these problems are resolved and a good moderator found.

BOXING SUSPENDED DESPITE SOME SUCCESS

The new St. Rita Boxing Club, despite having strong participation and numerous accomplishments, was forced to shut down because of problems that arose during the year.

"Club members were either working after school or involved with other after-school activities. The only time we could get together was before school; this schedule conflict caused a club interest split," said Fr. Van Overbeek. "More importantly, there was a lack of a coach who could work with the members before and after school. Therefore, the club was suspended until a coach could be found."

MATH AND SCIENCE PROVIDE TUTORING FOR INTERESTED STUDENTS

Under the direction of Ms. Susan Whooley and Mr. Larry Genge, the St. Rita Math and Science Club has continued to tutor students seeking help with their studies in these fields.

"I really believe that the club is an asset to the school. These kids sacrifice their time to help other students understand the work better in math or science," said Ms. Whooley. "However, many students either wait until the last minute for help in the hope of raising their grades or they don't take advantage of the club at all."

Mr. Genge thinks the tutors are a "great bunch of kids" who are able to sacrifice their time and come to school early and help others with their studies. "It is still up to the students to come for help and I wish more students would take advantage of the aid we offer them," Mr. Genge concluded.

WEIGHTS MEMBERSHIP INCREASES

The Weightlifting Club, moderated by Mr. James Angsten, saw an increase in membership over last year's attendance. "I'm glad to see that some of the guys are taking an interest in their bodies and health."

"I wanted to do more than just the average work out," said football player Mark McGowan. "I found the club to be a good supplement to my regular work out for football and also a good way to stay in shape during the off season," he said. "It makes it easier when practice begins the next year."

SBS INCREASES ACTIVITY

In describing the year for the Student Broadcasting System, moderator Mr. James Misiara termed it "the best year ever for our members. We had a group of about 40 students interested in our club and most stayed with it throughout the year."

With help from Fr. Brecht, the SBS was able to purchase new equipment and started a music program during the lunch periods when students could listen to the program while using the student lounge.

"I was very pleased with the new equipment and the reception of the students to our organization," continued Mr. Misiara. "I was pleased with the fine job Mark Venegas did as president of the club and the way the other officers helped make everything run smoothly."

S and D PRODUCES FIRST RITA PLAY

"It was really a very fun year," said Ms. Sally Jo Zepeda, Moderator of the Speech and Drama Club. "This is the first year we had an honest to goodness play performed by the club. The play, called Through the eyes of a Child, was the first of its kind attempted by the students at Rita." The club sent out invitations to grammar schools giving the children the opportunity to do some of their own writing that might possibly be used in the play.

"The children were very enthusiastic when they found out that the story or poem they wrote might become part of a play," Ms. Zepeda continued. "We had quite a few entrees to choose from."

There were two performances of the play — one of at the West Lawn Library and one here at Rita. "Both shows were very successful," continued Mrs. Zepeda, "not only from an attendance but also from a participation point of view. Every member of the club had a part in the production. Whether they wrote, acted, or directed, everyone had a part."

LACK OF FACILITIES DARKEN PHOTO'S YEAR

A lack of action proved fatal to the life of the St. Rita Photo Club this year. "The large darkroom that we were supposed to get this year never happened," said Photo Club moderator Ms. Denise Keller. "Without a larger darkroom there's no way a person can teach darkroom skills, one of the main ideas behind making good photos."

The club, dropped from nine members in 1982 to five members this year. One of the main reasons for this decline is the fact that the school newspaper, the Ritan, and the yearbook absorb most of the members to shoot photos, keeping them busy with that work. "I think the Photo Club should do all it can to revive itself because it provides a place for novice photographers to better their skills," said yearbook moderator Mr. Mike Riley. "We can then benefit from having many trained student photographers at Rita."

INSCAPE A SUCCESS DESPITE HASTE

This year's Inscape staff had to rush to meet deadlines after normal procedures were upset by the hospitalization of Moderator, Miss Sally Zepeda.

"This year the book was hard to complete because I had only one meeting with Miss Zepeda before starting to put it together. So, we were unable to beat the deadline and publish it before the Seniors left," said new moderator, Miss Linda Marach.

"This was a fine book, however. We had record reviews — a new feature — and the poems were outstanding, especially those by junior Tom Rying. Next year we hope for faculty participation to increase overall school involvement in the book and to get more drawings and short stories."

Special credit for this year's book goes to editor Don Smith who was able to complete the book on such short notice.

ALL AMERICAN: OLD HAT TO RITAN

The Ritan, St. Rita's All American newspaper, has been rated as one of the top 100 newspaper in the country for the past 5 years.

"We have been All American for 5 straight years with a 4 star rating. Hopefully someday we will get a 5 star rating and be named a Pacesetter, which is the elite of high school newspapers," commented moderator Mr. Donald Racky. "I was very pleased and satisfied with this year's editors and staff; they were hard workers, aggressive, and very involved with their work."

Next year the Ritan will be looking for a good number of dedicated editors to keep up the quality that has made the Ritan a top high school newspaper.

"We are losing some very fine editors to graduation, but we hope that they can be replaced by very competent people to help continue the success that the Ritan has gained over the past years," concluded Mr. Racky.

YEARBOOK STAFF'S DEDICATION PRAISED BY MODERATOR

"I went into this year thinking that this might be one of the worst books we ever produced," said yearbook moderator, Mr. Mike Riley. "I was very busy this year with a full-time Loyola schedule and all of my editors were brand new — most of them had no yearbook experience.

"Now that the book is finally ready to go to press, I am relieved that the year is over and delighted by how the hard work of the rookie editors has produced a very solid piece of work," Mr. Riley continued.

For the second year in a row the yearbook continued to have 100 pages of color — more color than any other high school yearbook in the Midwest. "We are hoping to eventually produce an all-color book," said photo editor Len Edling, "but the expense might stop us."

"I am looking forward to the 1984 Cascian because I think it might be the best we've ever produced since the editors have talent and now they have experience," Mr. Riley concluded.

ADULT CLUBS LEAD RITA FAMILY

St. Rita student pride is not the only pride in the St. Rita Family. Pride in Rita also stems from the always active Parent Organizations: The Mother's and Father's Clubs, Hockey and Band Boosters, and the Alumni. According to Alumni Director Mr. James Segredo, "They are a significant source of pride and support to Rita; they couldn't be replaced."

"Not many people realize that these clubs play a big part in our school; St. Rita would not be the same without them," he continued. "Whether it is the Mother's Club and the Father's Club in an obstacle course race, the Alumni reunions, the smoker, or any other of the many activities that these clubs hold throughout the year, they really show their pride and will always be a big part of the St. Rita community."

SLOW START INSPIRES GREATEST COUNCIL ACCOMPLISHMENTS

"This year's council had a slow start. They lost \$1100 on the football homecoming concert and didn't get their fund raising and school policy goal set early. But about halfway through the year they jelled as a council and by the end of the year accomplished more than any other student council in Rita history," summarized Mr. Kisicki, the Student Council moderator. The three accomplishments Mr. Kisicki is most proud of are the student recruitment program, the student attrition program, and the successful proposal for a student representative on the Board of Administration.

The student recruitment program involved over 65 Rita upperclassmen who served as student reps to parishes all through Chicago. Mr. Riley, Dean of Admissions, feels that this committee was "the single most important factor in our recruitment success (500 new students) this year."

The attrition program involves 50 specially selected upperclassmen who serve as advisors and guidance sources for freshmen who are in danger of flunking out or being expelled from Rita.

The student rep on the Board of Administration will allow the student body a direct vote in all decisions that affect the school except teacher tenure and student expulsion. The rep will be chosen by the Student Council; he will be the senior they feel has "enough maturity, eloquence and intelligence" said Mr. Kisicki.
